Scope of work:

This supplier is the sole provider of Teknion product in the state of Colorado. They have demonstrated capabilities and expertise to meet high demand large scale projects as well as their ability to address small, low dollar purchasing needs.

This contract results from the selection and award through a competitive RFP (#15981) for the citywide FFE restack, which setup citywide standards for all facilities throughout the city. This supplier was primarily selected in the categories of modular wall systems and private offices. In addition, this supplier may fulfill other FFE needs for conference rooms, collaborative spaces, workstations and benching.

This contract's dollar amount covers the furnishing needs, including workstations, benching stations, conference rooms, collaborative spaces and private offices for the Denver Wastewater Management Building. This project consists of the renovation of floors 3, 4, and 5. The 2nd floor may also be considered if the cost is within budget.
