## EXHIBIT C- BUDGET CORRECTION

May 14, 2025

To Whom It May Concern,

The purpose of this letter is to communicate your official **estimated** JBBS budget/spending plan for State Fiscal Year 2025-26 (July 1, 2025 through June 30, 2026). This letter takes the place of the prior letter dated, April 16, 2025, advising you of your FY26 budget allocation.

Below is your estimated total budget JBBS spending plan allocation for FY 2025-26:

SUD funds available: \$200,000

MH funds available: \$170,000

Total JBBS budget: \$370,000

Due to a legislative budget reduction, your budget/spending plan will be reduced to the amount listed above. I apologize for this inconvenience and assure you that we will be evaluating spending throughout the year to identify ways in which we might be able to fulfill your funding needs, if our budget allows such flexibility.

We look forward to our continued partnership. If you have any questions, please feel free to reach out to your JBBS Program Manager directly.

Thank you,

*Marc Condojani-BHA*

Marc Condojani  
Division Director, Adult Behavioral Health Continuum
