ORDINANCE/RESOLUTION REQUEST

1. **Title:** *(Include a one sentence description that clearly indicates the type of request – grant acceptance, contract execution, municipal code change, supplemental request, etc.)*

This amendment is to change equipment on a contract with Qwest for an upgrade to the city's data and voice network.

2. **Requesting Agency:** Technology Services

3. **Contact Person with actual knowledge of proposed ordinance**

Name: Ethan Wain

Phone: 7720-913-4930

Email: ethan.wain@denvergov.org

4. **Contact Person with actual knowledge of proposed ordinance who will present the item at Mayor Council**

Name: Ethan Wain

Phone: 7720-913-4930

Email: ethan.wain@denvergov.org

5. **Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved, scope of work, duration, location, affected Council district, benefits, and costs. (This is intended to give a brief overview of the ordinance. For additional background and history, please attach an executive summary).**

Denver has a contract with Qwest for the upgrade of the city network. This is being paid through a finance agreement with five milestone payments. Qwest recently informed the city that there are changes to the availability of the equipment listed in the project, due to the amount of time between when the bill of materials was created and when the contract was signed.

In some cases equipment is being discontinued and replaced with new models. In other cases, the manufacturer has changed the way that they sell software licenses.

The cost of the overall project will remain the same. Each of the five milestone payments on the contract will also remain the same. The only changes will be to model numbers or in some cases, quantities.

The request is to amend the Network Upgrade contract with the updated bill of materials.

The amendment is to update the equipment listed on the bill of materials under the contract. We put the list of equipment together over a year ago and during that time models numbers (and in some cases, the models themselves) have changed. For example, we had originally listed 14 routers, model 3845. That router has now changed to a model 3945. The price is exactly the same.

6. **Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.**

No

(Completed by Mayor's Office): **Ordinance Request Number: 10-228 Date: 5/6/2010**
