Amendment to Resolution No. 17-0109 related to the revised agreement with the Bias Corporation

Councilmember Kniech   **February 21, 2017**

Councilmembers,

I move to amend **Resolution No. 17-0109** as follows:

1) On page 1, line 15, strike the numbers **"201732604-00"** and replace with **"201732604-01".**

PURPOSE OF THE AMENDMENT

The City is entering into a contract with Bias, an Oracle reseller, for a class of new unlimited licenses for a period of two years after which time the licenses being used will be certified and the current existing licenses will be retired.   A certain class of the current licenses were designated by Oracle as "Excluded Licenses" and they will not be retired. The purpose of the amendment/revision is to clarify cross references in the agreement surrounding the "Excluded Licenses" which will not be retired.
