The National Western Center Campus Placemaking contract was advertised and competitively procured through a written solicitation in Quarter 1 of 2017 to support the City and NWCO throughout the design process of the National Western Center capital build program (anticipated to be two years, with the option to extend by one year as documented in the RFQ). Three firms were shortlisted and interviewed, with a formal recommendation and awarded in May 2017. The term of the initial Agreement was intentionally established by NWCO for a period of two years (June 30, 2017 through June 29, 2019), to bring the NWC infrastructure to 30% design and complete the Campus Placemaking Study. To achieve the Campus Placemaking goals, the term of the Agreement is extended to June 29, 2020 reflecting the current schedule for NWC Campus Placemaking delivery and closeout.
