

PERMIT REVOCATION APPLICATION

FOR ENCROACHMENTS & ENCUMBRANCES IN THE PUBLIC RIGHT-OF-WAY

If an Encroachment Permittee desires to remove an Encroachment and cancel the associated Encroachment Permit, the Permittee shall first obtain applicable permits and remove the Encroachment and restore the public Right-of-Way (ROW) to the same, or improved, condition as before the Encroachment was installed to the satisfaction of Department of Transportation and Infrastructure (DOTI). Subject: Ethernet back bone findings

To whom it may concern,

My company was hired by Iva Lou Bailey to examine her property at 1617 Vine Street for an Ethernet conduit or back bone to link this property to 1600 Race Street. I was on-site for more than an hour on May 15, 2025 and found no conduits or cables that went from this property to any other, including 1600 Race Street.

I am happy to discuss my findings. Please call me at the number below or email wayne@elementalcomputerworks.com.

31 (f) All construction in, under, on or over the Encroachment Area shall be accomplished in
32 accordance with the Building Code of the City and County of Denver. Plans and Specifications

10 (h) Permittee shall pay all costs of construction and maintenance of the Encroachment.
11 Upon revocation of the permit or upon abandonment, Permittee shall pay all costs of removing the

14 (i) Permittee shall remove and replace any and all street/alley paving, sidewalks, and
15 curb and gutter, both inside the Encroachment Area and in the rights-of-way adjacent thereto, that
16 become broken, damaged or unsightly during the course of construction. In the future, Permittee
17 shall also remove, replace or repair any street/alley paving, sidewalks, and curb and gutter that

19 caused by the activity of the Permittee within the Encroachment Area. All repair work shall be
20 accomplished without cost to the City and under the supervision of the City Engineer.

21 (j) The City reserves the right to make an inspection of the Encroachments contained
22 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

23 (k) This revocable permit shall not operate or be construed to abridge, limit or restrict the
24 City and County of Denver in exercising its right to make full use of the Encroachment Area and
25 adjacent rights-of-way as public thoroughfares nor shall it operate to restrict the utility companies in
26 exercising their rights to construct, remove, operate and maintain their facilities within the
27 Encroachment Area and adjacent rights-of-way.

28 (l) During the existence of the Encroachments and this permit, Permittee, its successors
29 and assigns, at its expense, and without cost to the City and County of Denver, shall procure and
30 maintain a single limit comprehensive general liability insurance policy with a limit of not less than
31 \$500,000.00. All coverages are to be arranged on an occurrence basis and include coverage for
32 those hazards normally identified as X.C.U. during construction. The insurance coverage required
33 herein constitutes a minimum requirement and such enumeration shall in no way be deemed to limit

1 or lessen the liability of the Permittee, its successors or assigns, under the terms of this permit. All
2 insurance coverage required herein shall be written in a form and by a company or companies
3 approved by the Risk Manager of the City and County of Denver and authorized to do business in
4 the State of Colorado. A certified copy of all such insurance policies shall be filed with the Manager

9 assumed by the Permittee hereunder and shall name the City and County of Denver as an
10 additional insured.

11 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in
12 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions
13 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of
14 the City and County of Denver. The failure to comply with any such provision shall be a proper basis
15 for revocation of this permit.

16 (n) The right to revoke this permit is expressly reserved to the City and County of Denver.

17 (o) Permittee shall agree to indemnify and always save the City and County of Denver
18 harmless from all costs, claims or damages arising, either directly or indirectly, out of the rights and
19 privileges granted by this permit.

20 (p) The conduit burial depth must be 5 feet.

21 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council
22 of the City and County of Denver shall determine that the public convenience and necessity or the
23 public health, safety or general welfare require such revocation, and the right to revoke the same is
24 hereby expressly reserved to the City and County of Denver; provided however, at a reasonable
25 time prior to Council action upon such revocation or proposed revocation, opportunity shall be
26 afforded to Permittee, its successors and assigns, to be present at a hearing to be conducted by the
27 Council upon such matters and thereat to present its views and opinions thereof and to present for
