1. PARTIES

This Contract is entered into by and between Contractor named on the Signature and Cover Pages for this Contract (the “Contractor”), and the STATE OF COLORADO acting by and through the Department of Human Services (the “State” or “CDHS”). Contractor and the State agree to the terms and conditions in this Contract.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Contract shall not be valid or enforceable until the Effective Date. The State shall not be bound by any provision of this Contract before the Effective Date, and shall have no obligation to pay Contractor for any Work performed or expense incurred before the Effective Date or after the expiration or sooner termination of this Contract.

B. Initial Term

The Parties’ respective performances under this Contract shall commence on the Contract Performance Beginning Date shown on the Signature and Cover Pages for this Contract and shall terminate on the Initial Contract Expiration Date shown on the Signature and Cover Pages for this Contract (the “Initial Term”) unless sooner terminated or further extended in accordance with the terms of this Contract.

C. Extension Terms - State's Option

If the Signature and Cover Pages for this Contract shows that the State has the Option to Extend Term, then the State, at its discretion, shall have the option to extend the performance under this Contract beyond the Initial Term for a period, or for successive periods, at the same rates and under the same terms specified in the Contract (each such period an "Extension Term"). In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to §21 "Sample Option Letter." The State may include and incorporate a revised budget with the option letter, as long as the revised budget does not unilaterally change rates or terms specified in the Contract. Except as stated in §2.D, the total duration of this Contract, including the exercise of any options to extend, shall not exceed 5 years from its Performance Beginning Date, or the number of years specified on the Signature and Cover Pages if such number is less than 5 years, absent prior approval from the Chief Procurement Officer in accordance with the Colorado Procurement Code.

D. End of Term Extension

If this Contract approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Contractor as provided in §15, may unilaterally extend such Initial Term or Extension Term for a period not to exceed 2 months (an "End of Term Extension" or "Holdover"), regardless of whether additional Extension Terms are available or not. Any such extension shall be under the same terms and conditions of the operative Contract including, but not limited to, prices, rates, and service delivery requirements. The provisions of this Contract in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement contract or modification extending the total term of the Contract.

E. Early Termination in the Public Interest

The State is entering into this Contract to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Contract ceases to further the public interest of the State, the State, in its discretion, may terminate this Contract in whole or in part. A determination that this Contract should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Contract by the State for breach by Contractor, which shall be governed by §12.A.i.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §15. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Contractor shall be subject to the rights and obligations set forth in §12.A.i.a.

iii. Payments

If the State terminates this Contract in the public interest, the State shall pay Contractor an amount equal to the percentage of the total reimbursement payable under this Contract that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Contract is less than 60% completed, as determined by the State, the State may reimburse Contractor for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Contract, incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations, provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

A. Maximum Amount

Payments to Contractor are limited to the unpaid, obligated balance of the Contract Funds. The State shall not pay Contractor any amount under this Contract that exceeds the Contract Maximum for that term shown on the Signature and Cover Pages for this Contract.

B. Payment Procedures

i. Invoices and Payment

- a. The State shall pay Contractor in the amounts and in accordance with the Exhibits.
- b. Contractor shall initiate payment requests by invoice to the State, in a form and manner approved by the State. Invoicing is a material component of Contract performance and corresponding Deliverables. Invoices shall be due to the State within 45 days of work performed by the Contractor, unless otherwise stated in the Exhibits hereto. If Contractor fails to timely and/or properly invoice the State, the State may not be obligated to pay the bill resulting from said invoice. Failure to timely and/or properly invoice the State is a material breach of this Contract which would be cause for the State to refuse payment and/or terminate the contract on these grounds in whole or in part, at the State's discretion.
- c. The State shall pay each invoice within 45 days following the State's receipt of that invoice, so long as the amount invoiced correctly represents Work completed by Contractor and previously accepted by the State during the term that the invoice covers. If the State determines that the amount of any invoice is not correct, then Contractor shall make all changes necessary to correct that invoice.
- d. The acceptance of an invoice shall not constitute acceptance of any Work performed or deliverables provided under the Contract.

Amounts not paid by the State within 45 days of the State's acceptance of the invoice shall bear interest on the unpaid balance beginning on the 45th day at the rate of 1% per month, as required by §24-30-202(24)(a), C.R.S., until paid in full; provided, however, that interest shall not accrue on unpaid amounts that the State disputes in writing. Contractor shall invoice the State separately for accrued interest on delinquent amounts, and the invoice shall reference the delinquent payment, the number of day's interest to be paid and the interest rate.

The State will review the information presented by Contractor and may make changes to its determination based on this review. iv. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the current State Fiscal Year. Payment to Contractor beyond the current State Fiscal Year is contingent on the appropriation and continuing availability of Contract Funds in any subsequent year (as provided in the Colorado Special Provisions). If federal funds or funds from any other non-State funds constitute all or some of the Contract Funds the State's obligation to pay Contractor shall be contingent upon such non-State funding continuing to be made available for payment. Payments to be made pursuant to this Contract shall be made only from Contract Funds, and the State's liability for such payments shall be limited to the amount remaining of such Contract Funds. If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may, upon written notice, terminate this Contract, in whole or in part, without incurring further liability. The State shall, however, remain obligated to pay for Services and Goods that are delivered and accepted prior to the effective date of notice of termination, and this termination shall otherwise be treated as if this Contract were terminated in the public interest as described in §2.E.

v. Option to Increase Maximum Amount

If the Signature and Cover Pages for this Contract show that the State has the Option to Increase or Decrease Maximum Amount, then the State, at its discretion, shall have the option to increase or decrease the statewide quantity of Goods and Services based upon the rates established in this Contract, and increase or decrease the maximum amount payable accordingly. In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to §21 "Sample Option Letter." Delivery of Goods and performance of Services shall continue at the same rates and terms as described in this Contract. The State may include and incorporate a revised budget with the option letter, as long as the revised budget does not unilaterally change rates or terms specified in the Contract.

A. Quarterly Reports.

In addition to any reports required pursuant to §17 or pursuant to any other Exhibit, for any contract having a term longer than 3 months, Contractor shall submit, on a quarterly basis, a written report specifying progress made for each specified performance measure and standard in this Contract. Such notice shall specify the type of Services to be performed outside the State of Colorado or the United States and the reason why it is necessary or advantageous to perform such Services at such location or locations, and such notice shall be a public record. Contractor shall make Contractor Records available during normal business hours at Contractor's office or place of business, or at other mutually agreed upon times or locations, upon no fewer than 2 Business Days' notice from the State, unless the State determines that a shorter period of notice, or no notice, is necessary to protect the interests of the State.
