### EXECUTIVE SUMMARY

This ordinance approves an amendment to the St. Anthony Urban Redevelopment Plan for the Sloans Block 3 Project proposed for Lots 1-4 of Block 3 within the Urban Redevelopment Area, generally bordered by 17<sup>th</sup> Avenue, Perry Street, 16<sup>th</sup> Avenue and Quitman Street.

The Denver Urban Renewal Authority is seeking to establish two Sales Tax Increment Areas to support the Sloans Block 3 Project through an amendment to the St. Anthony Urban Redevelopment Plan (the "Plan"). Staff of the City and DURA have agreed to an Urban Redevelopment Plan Amendment and Cooperation Agreement for the creation of the Sloans Block 3 Sales Tax Increment Areas and the use of TIF by DURA, subject to City Council Approval.

The general objectives of the St. Anthony Redevelopment Plan ("Plan") are to reduce or eliminate blighted conditions as well as to stimulate the growth and development of the Area by redeveloping the area into a mix of uses that may include residential, commercial, office, and/or retail, and completing the related infrastructure improvements. The Plan establishes the framework for future City Council approval of public improvement projects and private redevelopment projects and the use of Property and/or Sales Tax Increment for those approved projects. The Plan amendment will approve the Sloans Block 3 Project; the preservation and redevelopment of the historic Kuhlman building and auditorium and construction of new retail/restaurant space and approximately 25 new townhomes (the "Project") and the creation of the Sloans Block 3 Sales Tax Increment Areas. The sales tax increment generated by the Project will be combined with a portion of the property tax increment currently being generated from the existing St. Anthony Property Tax Increment Area approved by City Council in August, 2013. The incremental revenues will be used for the purpose of financing the Project for the benefit of the Urban Redevelopment Area.

A formal presentation on the Plan Amendment, seeking Council Committee approval is requested for January 24, 2017.
