5.	General description or background of proposed request. Attach executive summary if more space needed: (who, what, why) The Denver Police Department (DPD) has been awarded grant funding from the Colorado Department of Transportation for a three-year project, with funding evaluated and approved each year within the three-year period. This amendment and additional funds will continue to support DPD's initiative to further reduce the number of serious and fatal crashes related to impaired driving by increasing the number of impaired driving arrests. The funding is used specifically to pay for officer overtime to work saturated patrols focused on impaired driving.
