

Dear City Council,

I'm writing in support of the project to renovate the All-Inn Motel. I've reviewed the plans and think this does a wonderful job of preserving the history of Colfax, while restoring a building to modern standards. This project also fills a serious need in the area for a hotel. I've lived at Colfax and Madison for years and this would be a welcome addition to the neighborhood.

Good Morning Jeff,

Forwarding this letter of support from Blake, and will continue as they flow in. Expectir

Let me know if this is sufficient or if you need it to be more lengthy.

Thanks and best of luck!
