ORDINANCE NO. _____
SERIES OF 2018

COUNCIL BILL NO. CB18-_____
COMMITTEE OF REFERENCE:

A BILL

For an ordinance amending Article V of Chapter 27 of the Revised Municipal Code of the City and County of Denver regarding Dedicated Funding for Affordable Housing, amending Article II of Chapter 53 of the Revised Municipal Code of the City and County of Denver regarding Imposition of Tax and dedicating such increased revenue from sales tax on retail marijuana and retail marijuana products to the funding of affordable housing programs, and amending ordinance no. 20160625 in Series 2016 establishing the Affordable Housing Permanent Funds.

WHEREAS, Denver continues to experience a virtually unprecedented level of population growth and a market environment in which the supply of housing within the city has not kept pace with demand, particularly for households with low and moderate incomes; and

WHEREAS, the general lack of affordable housing for households of low and moderate income, along with the large number of existing households that are "housing cost burdened" cause many adverse social and economic impacts within the city, particularly impacts associated with the fact that persons who are employed in Denver are increasingly unable to afford to live in Denver near their place of employment; and

WHEREAS, the City and County of Denver, like cities throughout Colorado and the United States, has long treated the promotion and provision of affordable housing for persons of low and moderate incomes as an important and essential public service, and as a part of the City's fundamental mission to promote the public health, safety and general welfare; and

WHEREAS, particularly in light of the ongoing decline in federal resources to fund affordable housing programs, as well as the recent population and market trends described in these recitals, the City Council deems it essential for the City to now adopt additional dedicated revenue to support the city's affordable housing programs and to remove the sunset date on the dedicated affordable housing fund;

WHEREAS, a maximum tax of 15% was approved by voters to be imposed as a tax on sales of retail marijuana and marijuana products, but only a 3.5% tax has been imposed to date;

WHEREAS, there is wide support for an increase on such sales tax to support affordable housing programs in the City;

WHEREAS, the original language in the ordinance establishing the appropriation basis of the

1 affordable housing funds requires clarification; and

2 **WHEREAS**, the City Council has now determined that amendments to Article V Chapter 27
3 and Article II Chapter 53 are advised to further the goal of preserving affordable housing units.

4 **NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF**
5 **DENVER:**
