

A G R E E M E N T

THIS AGREEMENT is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”), and **NEWSED COMMUNITY DEVELOPMENT CORPORATION, INC.**, a Colorado non-profit corporation, whose address is 901 W. 10th Ave. STE 2-A, Denver, Colorado, 80204-3973 (the “Contractor”), jointly “the parties”.

The parties agree as follows:

1. COORDINATION AND LIAISON: The Contractor shall fully coordinate all services under this Agreement with the Executive Director of Denver Economic Development & Opportunity (“Executive Director”) or the Executive Director’s Designee.

2. SERVICES TO BE PERFORMED:

a. As the Executive Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth on **Exhibit A, the Scope of Work and Budget**, and **Exhibit B**, entitled **Financial Administration**, to the City’s satisfaction.

b. The Contractor is ready, willing, and able to provide the services required by this Agreement.

c. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in this Agreement and in accordance with the terms of this Agreement.

3. TERM: This Agreement will commence on May 1, 2022, and will expire on December 31, 2023 (the “Term”). Subject to the Executive Director’s prior written authorization, the Contractor shall complete any work in progress as of the expiration date and the Term will extend until the work is completed or earlier terminated by the Executive Director.

4. COMPENSATION AND PAYMENT:

a. Budget: The City shall pay and the Contractor shall accept as the sole compensation for services rendered and costs incurred under this Agreement the line item amounts set forth in the budget contained in **Exhibit A**. Amounts billed may not exceed the budget set forth in **Exhibit A**.

b. **Reimbursable Expenses:** There are no reimbursable expenses allowed under this Agreement. All of the Contractor's expenses are contained in the budget in **Exhibit A**.

c. **Invoicing:** The Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement.

d. **Maximum Contract Amount:**

(1) Notwithstanding any other provision of this Agreement, the City's maximum payment obligation will not exceed Two Million One Hundred Fifty Thousand and No/100 Dollars (\$2,150,000.00) (the "Maximum Contract Amount"). The City is not obligated to execute an agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at the Contractor's risk and without authorization under this Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. This Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

e. **American Rescue Plan Act Provisions:**

(1) The Contractor agrees and acknowledges that some or all of the funds encumbered by the City to pay for the services described herein have been provided in accordance with Section 603(b) of the Social Security Act, as added by Section 9901 of the American Rescue Plan Act, Public Law No. 117-2 (March 11, 2021) (along with all rules and regulations promulgated thereunder, "ARPA"). The parties acknowledge that all

funding from ARPA (collectively, “ARPA Funds”) may only be used to cover those eligible costs incurred by the City during the period that begins on March 3, 2021, and ends on December 31, 2024:

- (a) To respond to the public health emergency with respect to the Coronavirus Disease 2019 (“COVID-19”) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or to aid impacted industries such as tourism, travel and hospitality;
- (b) To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the City that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;
- (c) For the provision of government services to the extent of the reduction in revenue of the City due to the COVID-19 public health emergency relative to the revenues collected in the most recent full fiscal year of the City prior to the emergency; or
- (d) To make necessary investments in water, sewer, or broadband infrastructure.

(2) The Contractor shall only utilize ARPA Funds for the purposes described in the Scope of Services attached as **Exhibit A**. The Contractor agrees and acknowledges that, as a condition to receiving the ARPA Funds, it shall strictly follow the Coronavirus Local Fiscal Recovery Fund Award Terms and Conditions attached hereto and incorporated herein as **Exhibit C**. All invoices submitted by the Contractor to the City pursuant to this Agreement shall use “COVID-19” or “Coronavirus” as a descriptor for those costs that are paid by ARPA Funds to facilitate the tracking of Agreement-related spending related to COVID-19. The Contractor shall segregate and specifically identify the time and expenditures billed to the City on each invoice to allow for future review and analysis of COVID-19

related expenses. To avoid an unlawful duplication of federal benefits, the Parties agree and acknowledge that the services and/or goods provided by the Contractor for which ARPA Funds are used shall not, to the extent that ARPA Funds are used, also be paid for or reimbursed by monies provided under any other federal program.

(3) The City agrees and acknowledges that it shall obligate the use of ARPA funds for the services performed and/or good provided by the Contractor under this Agreement no later than December 31, 2024. The Contractor agrees and acknowledges that all services performed and/or goods provided by the Contractor using ARPA Funds must be performed and/or provided, respectively, by the Contractor no later than December 31, 2023. Further, the Contractor agrees and acknowledges that payment for all services performed and/or goods provided by the Contractor using ARPA Funds must be provided by the City to the Contractor no later than March 1, 2024. As such, the Contractor shall invoice the City not later than February 15, 2024, for all work performed pursuant to this Agreement for which ARPA Funds will be used to enable sufficient time for the City to review, process, and pay such invoice no later than the performance deadline prescribed in ARPA (the “Invoice Deadline Date”). Any invoice submitted by the Contractor after the Invoice Deadline Date for services performed and/or goods provided on or prior to December 31, 2024, may not be eligible to be paid by ARPA Funds, and, to the extent that ARPA Funds are not available to pay such invoice, partially or in total, such invoice shall only be paid subject to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement.

(4) To the extent that the Contractor’s services hereunder contemplate the spending of ARPA Funds, the Contractor shall provide to the City information responsive to mandatory performance measures, including programmatic data sufficient to conduct oversight as well as understand

aggregate program outcomes. Further, in providing the ARPA-required information to the City, to the extent possible, the Contractor shall provide this programmatic data related to such services disaggregated by race, ethnicity, gender, income, and other relevant demographic factors as may be determined by the City. The Contractor shall insert the foregoing requirement into all subcontracts related to this Agreement, thereby obligating all subcontractors to the same reporting requirement as the Contractor.

5. STATUS OF CONSULTANT: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

6. TERMINATION:

a. The City has the right to terminate this Agreement with cause upon written notice effective immediately, and without cause upon Thirty (30) days prior written notice to the Contractor. However, nothing gives the Contractor the right to perform services under this Agreement beyond the time when its services become unsatisfactory to the Executive Director.

b. Notwithstanding the preceding paragraph, the City may terminate this Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kick backs, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

c. Upon termination of this Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in this Agreement.

d. If this Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under this Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE".

7. **EXAMINATION OF RECORDS:** The Contractor shall maintain records of the documentation supporting the use of ARPA Funds in an auditable format, for the later of five (5) years after final payment on this Agreement or the expiration of the applicable statute of limitations. Any authorized agent of the City, including the City Auditor or his or her representative, and for ARPA Funds any authorized agent of the Federal government, including the Special Inspector General for Pandemic Recovery ("Inspector General"), have the right to access, and the right to examine, copy and retain copies, at the official's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's use of ARPA Funds pursuant to this Agreement. The Contractor shall cooperate with Federal and City representatives and such representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of five (5) years after the final payment under this Agreement or expiration of the applicable statute of limitations. When conducting an audit of the use of ARPA Funds, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this section shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

8. **WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right

or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of this Agreement constitutes a waiver of any other breach.

9. INSURANCE:

a. General Conditions: The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of this Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-"VIII or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

b. Proof of Insurance: The Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit D**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The

City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

c. **Additional Insureds:** For Commercial General Liability, Auto Liability, and Excess Liability/Umbrella (if required) the Contractor and subcontractor insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

d. **Waiver of Subrogation:** For all coverages required under this Agreement, the Contractor's insurer shall waive subrogation rights against the City.

e. **Subcontractors and Subconsultants:** The Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.

f. **Workers' Compensation/Employer's Liability Insurance:** The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

g. **Commercial General Liability:** The Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate, (if applicable), and \$2,000,000 policy aggregate.

h. **Automobile Liability:** The Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

i. **Cyber Liability:** The Contractor shall maintain Cyber Liability coverage with minimum limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate

covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security. If Claims Made, the policy shall be kept in force, or a Tail policy placed, for three (3) years. The Contractor shall comply with **Exhibit E**, Protected Information and Data Protection Language, attached hereto and incorporate herein by this reference.

10. DEFENSE AND INDEMNIFICATION:

a. The Contractor hereby agrees to defend, indemnify, reimburse and hold harmless the City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify the City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including the City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

b. The Contractor’s duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether Claimant has filed suit on the Claim. The Contractor’s duty to defend and indemnify the City shall arise even if the City is the only party sued by claimant and/or claimant alleges that the City’s negligence or willful misconduct was the sole cause of claimant’s damages.

c. The Contractor will defend any and all Claims which may be brought or threatened against the City and will pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City shall be in addition to any other legal remedies available to the City and shall not be considered the City’s exclusive remedy.

d. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification

obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

e. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

11. TAXES, CHARGES AND PENALTIES: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under this Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

12. ASSIGNMENT; SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Executive Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and will be cause for termination of this Agreement by the City. The Executive Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate this Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

13. INUREMENT: The rights and obligations of the parties to this Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of this Agreement.

14. NO THIRD PARTY BENEFICIARY: Enforcement of the terms of this Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in this Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to this Agreement is an incidental beneficiary only.

15. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters

that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

16. SEVERABILITY: Except for the provisions of this Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of this Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

17. CONFLICT OF INTEREST:

a. No employee of the City shall have any personal or beneficial interest in the services or property described in this Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

b. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under this Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate this Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

18. NOTICES: All notices required by the terms of this Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

19. NO EMPLOYMENT OF A WORKER WITHOUT AUTHORIZATION TO PERFORM WORK UNDER THIS AGREEMENT:

a. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the “Certification Ordinance”).

b. The Contractor certifies that:

(1) At the time of its execution of this Agreement, it does not knowingly employ or contract with a worker without authorization who will perform work under this Agreement, nor will it knowingly employ or contract with a worker without authorization to perform work under this Agreement in the future.

(2) It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., and confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

(3) It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with a worker without authorization to perform work under this Agreement.

(4) It is prohibited from using either the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under this Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under this Agreement knowingly employs or contracts with a worker without authorization, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the worker without authorization, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with a worker without authorization.

(6) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

c. The Contractor is liable for any violations as provided in the Certification Ordinance. If the Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of this Agreement. If this Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying the Contractor from submitting bids or proposals for future contracts with the City.

20. DISPUTES: All disputes between the City and Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director as defined in this Agreement.

21. GOVERNING LAW; VENUE: This Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of

Denver, which are expressly incorporated into this Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to this Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

22. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

23. COMPLIANCE WITH ALL LAWS: The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

24. LEGAL AUTHORITY: The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement. Each person signing and executing this Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the Contractor to execute this Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of this Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate this Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing this Agreement to enter into this Agreement.

25. NO CONSTRUCTION AGAINST DRAFTING PARTY: The parties and their respective counsel have had the opportunity to review this Agreement, and this Agreement will not be construed against any party merely because any provisions of this Agreement were prepared by a particular party.

26. **ORDER OF PRECEDENCE:** In the event of any conflicts between the language of this Agreement and the exhibits, the language of this Agreement controls.

27. **INTELLECTUAL PROPERTY RIGHTS:** The City and the Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity.

28. **SURVIVAL OF CERTAIN PROVISIONS:** The terms of this Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of this Agreement survive this Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor’s obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

29. **ADVERTISING AND PUBLIC DISCLOSURE:** The Contractor shall not include any reference to this Agreement or to services performed pursuant to this Agreement in any of the Contractor’s advertising or public relations materials without first obtaining the written approval of the Executive Director. Any oral presentation or written materials related to services performed under this Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Executive Director in advance of the date and time of any

presentation. Nothing in this provision precludes the transmittal of any information to City officials.

30. CONFIDENTIAL INFORMATION:

a. City Information: Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent consultant would to protect its own proprietary or confidential data. "Proprietary Data" shall mean any materials or information which may be designated or marked "Proprietary" or "Confidential", or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance, and provided or made available to Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

b. Use and Protection of Proprietary Data or Confidential Information:

(i) Except as expressly provided by the terms of this Agreement, the Contractor agrees that it shall not disseminate, transmit, license, sublicense, assign, lease, release, publish, post on the internet, transfer, sell, permit access to, distribute, allow interactive rights to, or otherwise make available any data, including Proprietary Data or confidential information or any part thereof to any other person, party or entity in any form of media for any purpose other than performing its obligations under this Agreement. The Contractor further acknowledges that by providing data, Proprietary Data or confidential information, the City is not granting to the Contractor any right or license to use such data except as provided in this Agreement. The Contractor further agrees not to disclose or distribute to any other party, in whole or in part, the data, Proprietary Data or confidential information without written authorization from the Executive Director

and will immediately notify the City if any information of the City is requested from the Contractor from a third party.

(ii) The Contractor agrees, with respect to the Proprietary Data and confidential information, that: (1) the Contractor shall not copy, recreate, reverse engineer or decompile such data, in whole or in part, unless authorized in writing by the Executive Director; (2) the Contractor shall retain no copies, recreations, compilations, or decompilations, in whole or in part, of such data; and (3) the Contractor shall, upon the expiration or earlier termination of this Agreement, destroy (and, in writing, certify destruction) or return all such data or work products incorporating such data or information to the City.

(iii) The Contractor shall develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all electronically maintained or transmitted data received from, or on behalf of City. It is the responsibility of the Contractor to ensure that all possible measures have been taken to secure the computers or any other storage devices used for City data. This includes industry accepted firewalls, up-to-date anti-virus software, controlled access to the physical location of the hardware itself.

c. Employees and Subcontractor: The Contractor will inform its employees and officers of the obligations under this Agreement, and all requirements and obligations of the Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement. The Contractor shall not disclose Proprietary Data or confidential information to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement.

d. Disclaimer: Notwithstanding any other provision of this Agreement, the City is furnishing Proprietary Data and confidential information on an “as is” basis, without any support whatsoever, and without representation, warranty or guarantee, including but not in any manner limited to, fitness, merchantability or the accuracy and completeness of the Proprietary Data or confidential information. The Contractor is hereby advised to verify its work. The City assumes no liability for any errors or omissions herein. Specifically, the

City is not responsible for any costs including, but not limited to, those incurred as a result of lost revenues, loss of use of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third parties, or for similar costs. If discrepancies are found, the Contractor agrees to contact the City immediately.

31. CITY EXECUTION OF AGREEMENT: This Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

32. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS: This Agreement is the complete integration of all understandings between the parties as to the subject matter of this Agreement. FINANCIAL ADMINISTRATION:

1.1 Compensation and Methods of Payment

- 1.1.1 Disbursements shall be processed through the Denver Economic Development Opportunity (DEDO) - Financial Management Unit (FMU) and the City and County of Denver's Department of Finance.
- 1.1.2 The method of payment to the Contractor by DEDO shall be in accordance with established FMU procedures for line-item reimbursements. The Contractor must submit expenses and accruals to DEDO on or before the last day of each month for the previous month's activity. Voucher requests for reimbursement of costs should be submitted on a regular and timely basis in accordance with DEDO policies. Vouchers should be submitted within thirty (30) days of the actual service, expenditure or payment of expense, except for the final voucher for reimbursement.
- 1.1.3 The Contractor shall submit the final voucher for reimbursement no later than **forty-five (45) days after the end of the contract period.**
- 1.1.4 The Contractor shall be reimbursed for services provided under this Agreement according to the approved line-item reimbursement budget attached to and made a part of this Agreement (Exhibit A).

1.2 Vouchering Requirements

- 1.2.1 In order to meet Federal Government requirements for current, auditable books at all times, it is required that all vouchers be submitted monthly to DEDO in order to be paid.
 - a. The first exception will be that expenses cannot be reimbursed until the funds under this contract have been encumbered.
 - b. The second exception will be that costs cannot be reimbursed until they total a minimum of \$35 unless it is a final payment voucher, or the final voucher for the fiscal year (ending December 31).
- 1.2.2 No more than six (6) vouchers may be submitted per contract per month, without prior approval from DEDO.
- 1.2.3 All vouchers for all Agreements must be correctly submitted within forty-five (45) days of the Agreement end date to allow for correct and prompt closeout.
- 1.2.4 City and County of Denver Forms shall be used in back-up documents whenever required in the Voucher Processing Policy.

- 1.2.5 Only allowable costs determined in accordance with 2 CFR Chapter I, Chapter II, Parts 200, 215, 220, 225 and 230, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards” (the “OMB Omni Circular”) applicable to the organization incurring the cost will be reimbursed.
- 1.2.6 The reimbursement request, or draw request, for personnel and non-personnel expenses should be submitted to the City on a monthly basis, no later than the last day of the following month for expenses incurred in the prior month. The request for reimbursement should include:
 - a. Amount of the request in total and by line item;
 - b. Period of services for current reimbursement;
 - c. Budget balance in total and by line item;
 - d. Authorization for reimbursement by the contract signatory (i.e., executive director or assistant director).
- 1.2.7 If another person has been authorized by the Contractor to request reimbursement for services provided by this contract, then the authorization should be forwarded in writing to DEDO prior to the draw request.
- 1.2.8 The standardized DEDO “Expense Certification Form” should be included with each payment request to provide the summary and authorization required for reimbursement.

1.3 Payroll

- 1.3.1 A summary sheet should be included to detail the gross salary of the employee, amount of the salary to be reimbursed, the name of the employee, and the position of the employee. If the employee is reimbursed only partially by this contract, the amount of salary billed under other contracts with the City or other organizations should be shown on the timesheet as described below. Two items are needed for verification of payroll: (1) the amount of time worked by the employee for this pay period; and (2) the amount of salary paid to the employee, including information on payroll deductions.
- 1.3.2 The amount of time worked will be verified with timesheets. The timesheets must include the actual hours worked under the terms of this contract, and the actual amount of time worked under other programs. The total hours worked during the period must reflect all actual hours worked under all programs including leave time. The employee’s name, position, and signature, as well as a signature by an appropriate supervisor, or executive director, must be included on the timesheets. If the timesheet submitted indicates that the employee provided services payable under this contract for a portion of the total time worked, then the amount of reimbursement requested must be calculated and documented in the monthly reimbursement request.

- 1.3.3 A payroll register or payroll ledger from the accounting system will verify the amount of salary. Copies of paychecks are acceptable if they include the gross pay and deductions.

1.4 Fringe Benefits

- 1.4.1 Fringe benefits paid by the employer can be requested by applying the FICA match of 7.65 percent to the gross salary paid under this contract. Fringe benefits may also include medical plans, retirement plans, worker's compensation, and unemployment insurance. Fringe benefits that exceed the FICA match may be documented by 1) a breakdown of how the fringe benefit percentage was determined prior to first draw request; or, 2) by submitting actual invoices for the fringe benefits. If medical insurance premiums are part of the estimates in item #1, one-time documentation of these costs will be required with the breakdown. Payroll taxes may be questioned if they appear to be higher than usual.

1.5 General Reimbursement Requirements

- 1.5.1 Invoices: All non-personnel expenses need dated and readable invoices. The invoices must be from a vendor separate from the Contractor, and must state what goods or services were provided and the delivery address. Verification that the goods or services were received should also be submitted, this may take the form of a receiving document or packing slips, signed and dated by the individual receiving the good or service. Copies of checks written by the Contractor, or documentation of payment such as an accounts payable ledger which includes the check number shall be submitted to verify that the goods or services are on a reimbursement basis.
- 1.5.2 Mileage: A detailed mileage log with destinations and starting and ending mileage must accompany mileage reimbursement. The total miles reimbursed and per mile rate must be stated. Documentation of mileage reimbursement to the respective employee must be included with the voucher request.
- 1.5.3 Pager/Cell Phone: Written statement from executive director will be required certifying that cell phone is necessary and reasonable to run the program. And, if the monthly usage charge is exceeded in any month, a detailed phone log will be required for the amount of the overage.
- 1.5.4 Administration and Overhead Cost: Other non-personnel line items, such as administration, or overhead need invoices, and an allocation to this program documented in the draw request. An indirect cost rate can be applied if the Contractor has an approved indirect cost allocation plan. The approved indirect cost rate must be submitted to and approved by DEDO.
- 1.5.5 Service Period and Closeout: All reimbursed expenses must be incurred during the time period within the contract. The final payment request must be received

by DEDO within forty-five (45) days after the end of the service period stated in the contract.

2.1 Program Income

- 2.1.1 Program income includes, without limitation, income from fees for services performed, from the use or rental of real or personal property acquired with contract funds, from the sale of commodities or items fabricated under a contract agreement, and from payments of principal and interest on loans made with contract funds.
- 2.1.2 Program income may be deducted from total allowable costs to determine net allowable costs and may be used for current reimbursable costs under the terms of this contract. Program income which was not anticipated at the time of the award may be used to reduce the award contribution rather than to increase the funds committed to the project. ALL PROGRAM INCOME GENERATED DURING ANY GIVEN PERIOD SUBMITTED FOR PAYMENT SHALL BE DOCUMENTED ON THE VOUCHER REQUEST.
- 2.1.3 The Contractor, at the end of the program, may be required to remit to the City all or a part of any program income balances (including investments thereof) held by the Contractor (except AS APPROVED IN WRITING BY DEDO, INCLUDING those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump sum drawdown, or cash or investments held for section 108 security needs), unless otherwise directed in writing by DEDO.

3.1 Financial Management Systems

The Contractor must maintain financial systems that meet the following standards:

- 3.1.1 Financial reporting must be accurate, current, and provide a complete disclosure of the financial results of financially assisted activities and be made in accordance with federal financial reporting requirements.
- 3.1.2 Accounting records must be maintained which adequately identify the source and application of the funds provided for financially assisted activities. The records must contain information pertaining to contracts and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income. Accounting records shall provide accurate, separate, and complete disclosure of fund status.
- 3.1.3 Effective internal controls and accountability must be maintained for all contract cash, real and personal property, and other assets. Adequate safeguards must be provided on all property and it must be assured that it is used solely for authorized purposes.

- 3.1.4 Actual expenditures or outlays must be compared with budgeted amounts and financial information must be related to performance or productivity data, including the development of cost information whenever appropriate or specifically required.
- 3.1.5 Applicable OMB Omni Circular cost principles, agency program regulations, and the terms of the agreement will be followed in determining the reasonableness, allowability and allocability of costs.
- 3.1.6 Source documents such as cancelled checks, paid bills, payrolls, time and attendance records, contract documents, etc., shall be provided for all disbursements. The Contractor will maintain auditable records, i.e., records must be current and traceable to the source documentation of transactions.
- 3.1.7 The Contractor shall maintain separate accountability for DEDO funds as referenced in 24 C.F.R. 85.20 and the OMB Omni Circular.
- 3.1.8 The Contractor must properly report to Federal, State, and local taxing authorities for the collection, payment, and depositing of taxes withheld. At a minimum, this includes Federal and State withholding, State Unemployment, Worker's Compensation (staff only), City Occupational Privilege Tax, and FICA.
- 3.1.9 A proper filing of unemployment and worker's compensation (for staff only) insurance shall be made to appropriate organizational units.
- 3.1.10 The Contractor shall participate, when applicable, in DEDO provided staff training sessions in the following financial areas including, but not limited to (1) Budgeting and Cost Allocation Plans; (2) Vouchering Process.

4.1 Audit Requirements

- 4.1.1 If the Contractor expends seven hundred and fifty thousand dollars (\$750,000) or more of federal awards in the Contractor's fiscal year, the Contractor shall ensure that it, and its sub recipients(s), if any, comply with all provisions of the OMB Omni Circular.
- 4.1.2 A copy of the final audit report must be submitted to the DEDO Financial Manager within the earliest of thirty (30) calendar days after receipt of the auditor's report; or nine (9) months after the end of the period audited.
- 4.1.3 A management letter, if issued, shall be submitted to DEDO along with the reporting package prepared in accordance with the Single Audit Act Amendments and the OMB Omni Circular. If the management letter is not received by the subrecipient at the same time as the Reporting Package, the Management Letter is also due to DEDO within thirty (30) days after receipt of the Management Letter, or nine (9) months after the end of the audit period, whichever is earlier. If the Management Letter has matters related to DEDO

funding, the Contactor shall prepare and submit a Corrective Action Plan to DEDO in accordance with the Single Audit Act Amendments and the OMB Omni Circular, as set forth in 24 C.F.R. Part 45 for each applicable management letter matter.

All audit related material and information, including reports, packages, management letters, correspondence, etc., shall be submitted to **DEDO Financial Management Unit**; DEDOFMUAcctsPayable@denvergov.org

- 4.1.4 The Contractor will be responsible for all Questioned and Disallowed Costs.
- 4.1.5 The Contractor may be required to engage an audit committee to determine the services to be performed, review the progress of the audit and the final audit findings, and intervene in any disputes between management and the independent auditors. The Contractor shall also institute policy and procedures for its sub recipients that comply with these audit provisions, if applicable.

5.1 Budget Modification Requests

- 5.1.1 Minor modifications to the services provided by the Contractor or changes to each line item budget equal to or less than a ten percent (10%) threshold, which do not increase the total funding to the Contractor, will require only notification to DEDO with the next monthly draw. Minor modifications to the services provided by Contractor, or changes to each line item budget in excess of the ten percent (10%) threshold, which do not increase the total funding to Contractor, may be made only with prior written approval by DEDO. Such budget and service modifications will require submittal by Contractor of written justification and new budget documents. All other contract modifications will require an amendment to this Agreement executed in the same manner as the original Agreement.
- 5.1.2 The Contractor understands that any budget modification requests under this Agreement must be submitted to DEDO prior to the last Quarter of the Contract Period, unless waived in writing by the DEDO Director.

6.1 Procurement

- 6.1.1 The Contractor shall follow the City Procurement Policy to the extent that it requires that at least three (3) documented quotations be secured for all purchases or services (including insurance) supplies, or other property that costs more than five thousand dollars (\$5,000) in the aggregate.
- 6.1.2 The Contractor will maintain records sufficient to detail the significant history of procurement. These records will include, but are not limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

- 6.1.3 If there is a residual inventory of unused supplies exceeding five thousand dollars (\$5,000) in total aggregate upon termination or completion of award, and if the supplies are not needed for any other federally sponsored programs or projects the Contractor will compensate the awarding agency for its share.

7.1 Bonding

- 7.1.1 DEDO may require adequate fidelity bond coverage, in accordance with 24 C.F.R. 84.21, where the subrecipient lacks sufficient coverage to protect the Federal Government's interest.

8.1 Records Retention

- 8.1.1 The Contractor must retain for five (5) years financial records pertaining to the contract award. The retention period for the records of each fund will start on the day the single or last expenditure report for the period, except as otherwise noted, was submitted to the awarding agency.
- 8.1.2 The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access, upon reasonable notice, to any pertinent books, documents, papers, or other records which are pertinent to the contract, in order to make audits, examinations, excerpts, and transcripts.

9.1 Contract Close-Out

- 9.1.1 All Contractors are responsible for completing required DEDO contract close-out forms and submitting these forms to their appropriate DEDO Contract Specialist within sixty (60) days after the Agreement end date, or sooner if required by DEDO in writing.
- 9.1.2 Contract close out forms will be provided to the Contractor by DEDO within thirty (30) days prior to end of contract.
- 9.1.3 DEDO will close out the award when it determines that all applicable administrative actions and all required work of the contract have been completed. If Contractor fails to perform in accordance with this Agreement, DEDO reserves the right to unilaterally close out a contract, "unilaterally close" means that no additional money may be expended against the contract.

10.1 Collection of amounts due

- 10.1.1 Any funds paid to a Contractor in excess of the amount to which the Contractor is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government and the City. If not paid within a reasonable period after demand, DEDO may; 1) Make an administrative offset against other requests for reimbursements, 2) Withhold advance payments otherwise due to the Contractor or, 3) other action permitted by law.

ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS
ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees, and assignees for the period in which such assistance is provided.
5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal

financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.

7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Recipient shall comply with information requests, on-site compliance reviews and reporting requirements.
8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.
9. Recipient must provide documentation of an administrative agency’s or court’s findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient’s obligations as herein described, that any information submitted in conjunction with this assurances document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.

EXHIBIT E: PROTECTED INFORMATION AND DATA PROTECTION LANGUAGE

PROTECTED INFORMATION AND DATA PROTECTION

- 1. Compliance with Data Protection Laws:** The Contractor shall comply with all applicable international, federal, state, local laws, rules, regulations, directives, and policies relating to data protection, use, collection, disclosures, processing, and privacy as they apply to the Contractor under this Agreement, including, without limitation, applicable industry standards or guidelines based on the data's classification relevant to the Contractor's performance hereunder and, when applicable, the most recent iterations of § 24-73-101, *et seq.*, C.R.S., IRS Publication 1075, the Health Information Portability and Accountability Act (HIPAA), the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all Criminal Justice Information, the Colorado Consumer Protection Act, and the Payment Card Industry Data Security Standard (PCI-DSS), (collectively, "Data Protection Laws"). If the Contractor becomes aware that it cannot reasonably comply with the terms or conditions contained herein due to a conflicting law or policy, the Contractor shall promptly notify the City.
- 2. Safeguarding Protected Information:** "Protected Information" means data, regardless of form, that has been designated as private, proprietary, protected, or confidential by law, policy, or the City. Protected Information includes, but is not limited to, employment records, protected health information, student records, education records, criminal justice information, personal financial records, research data, trade secrets, classified government information, other regulated data, and personally identifiable information as defined by §§ 24-73-101(4)(b) and 6-1-716(1)(g)(I)(A), C.R.S., as amended. Protected Information shall not include public records that by law must be made available to the public pursuant to the Colorado Open Records Act § 24-72-201, *et seq.*, C.R.S. To the extent there is any uncertainty as to whether data constitutes Protected Information, the data in question shall be treated as Protected Information until a determination is made by the City or an appropriate legal authority. Unless the City provides security protection for the information it discloses to the Contractor, the Contractor shall implement and maintain reasonable security procedures and practices that are both appropriate to the nature of the Protected Information disclosed and that are reasonably designed to help safeguard Protected Information from unauthorized access, use, modification, disclosure, or destruction. Disclosure of Protected Information does not include disclosure to a third party under circumstances where the City retains primary responsibility for implementing and maintaining reasonable security procedures and practices appropriate to the nature of the Protected Information, and the City implements and maintains technical controls reasonably designed to safeguard Protected Information from unauthorized access, modification, disclosure, or destruction or effectively eliminate the third party's ability to access Protected Information, notwithstanding the third party's physical possession of Protected Information. If the Contractor has been contracted to maintain, store, or process personal information on the City's behalf, the Contractor is a "Third-Party Service Provider" as defined by § 24-73-103(1)(i), C.R.S.
- 3. Data Access and Integrity:** The Contractor shall implement and maintain all appropriate administrative, physical, technical, and procedural safeguards necessary and appropriate to ensure compliance with the standards, guidelines, and Data Protection Laws applicable to the Contractor's performance hereunder to ensure the security and confidentiality of all data. The

Contractor shall protect against threats or hazards to the security or integrity of data; protect against unauthorized disclosure, access to, or use of any data; restrict access to data as necessary; and ensure the proper use of data. The Contractor shall not engage in “data mining” except as specifically and expressly required by law or authorized in writing by the City. All data and Protected Information shall be maintained and securely transferred in accordance with industry standards. Unless otherwise required by law, the City has exclusive ownership of all data it discloses under the Agreement, and the Contractor shall have no right, title, or interest in data obtained in connection with the services provided herein.

- 4. Data Retention, Transfer, Litigation Holds, and Destruction:** Using appropriate and reliable storage media, the Contractor shall regularly backup data used in connection with this Agreement and retain such backup copies consistent with the Contractor’s data retention policies. Upon termination of the Agreement, the Contractor shall securely delete or securely transfer all data, including Protected Information, to the City in an industry standard format as directed by the City; however, this requirement shall not apply to the extent the Contractor is required by law to retain data, including Protected Information. Upon the City’s request, the Contractor shall confirm the data disposed of, the date disposed of, and the method of disposal. With respect to any data in the Contractor’s exclusive custody, the City may request that the Contractor preserve such data outside of its usual record retention policies. The City will promptly coordinate with the Contractor regarding the preservation and disposition of any data and records relevant to any current or anticipated litigation, and the Contractor shall continue to preserve the records until further notice by the City. Unless otherwise required by law or regulation, when paper or electronic documents are no longer needed, the Contractor shall destroy or arrange for the destruction of such documents within its custody or control that contain Protected Information by shredding, erasing, or otherwise modifying the Protected Information in the paper or electronic documents to make it unreadable or indecipherable.
- 5. Software and Computing Systems:** At its reasonable discretion, the City may prohibit the Contractor from the use of certain software programs, databases, and computing systems with known vulnerabilities to collect, use, process, store, or generate data and information, with Protected Information, received as a result of the Contractor’s services under this Agreement. The Contractor shall fully comply with all requirements and conditions, if any, associated with the use of software programs, databases, and computing systems as reasonably directed by the City. The Contractor shall not use funds paid by the City for the acquisition, operation, or maintenance of software in violation of any copyright laws or licensing restrictions. The Contractor shall maintain commercially reasonable network security that, at a minimum, includes network firewalls, intrusion detection/prevention, enhancements or updates consistent with evolving industry standards, and periodic penetration testing.
- 6. Background Checks:** The Contractor will ensure that, prior to being granted access to Protected Information, the Contractor’s agents, employees, subcontractors, volunteers, or assigns who perform work under this Agreement have all undergone and passed all necessary criminal background screenings, have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all data protection provisions of this Agreement and Data Protection Laws, and possess all qualifications appropriate to the nature of the employees’ duties and the sensitivity of the data.
- 7. Subcontractors and Employees:** If the Contractor engages a subcontractor under this Agreement, the Contractor shall impose data protection terms that provide at least the same level of data protection as in this Agreement and to the extent appropriate to the nature of the

services provided. The Contractor shall monitor the compliance with such obligations and remain responsible for its subcontractor's compliance with the obligations of this Agreement and for any of its subcontractors acts or omissions that cause the Contractor to breach any of its obligations under this Agreement. Unless the Contractor provides its own security protection for the information it discloses to a third party, the Contractor shall require the third party to implement and maintain reasonable security procedures and practices that are appropriate to the nature of the Protected Information disclosed and that are reasonably designed to protect it from unauthorized access, use, modification, disclosure, or destruction. Any term or condition within this Agreement relating to the protection and confidentiality of any disclosed data shall apply equally to both the Contractor and any of its subcontractors, agents, assigns, employees, or volunteers. Upon request, the Contractor shall provide the City copies of its record retention, data privacy, and information security policies.

- 8. Security Breach:** If the Contractor becomes aware of an unauthorized acquisition or disclosure of unencrypted data, in any form, that compromises the security, access, confidentiality, or integrity of Protected Information or data maintained or provided by the City ("Security Breach"), the Contractor shall notify the City in the most expedient time and without unreasonable delay. The Contractor shall fully cooperate with the City regarding recovery, lawful notices, investigations, remediation, and the necessity to involve law enforcement, as determined by the City and Data Protection Laws. The Contractor shall preserve and provide all information relevant to the Security Breach to the City; provided, however, the Contractor shall not be obligated to disclose confidential business information or trade secrets. The Contractor shall indemnify, defend, and hold harmless the City for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City in connection with a Security Breach or lawful notices.
- 9. Request for Additional Protections and Survival:** In addition to the terms contained herein, the City may reasonably request that the Contractor protect the confidentiality of certain Protected Information or other data in specific ways to ensure compliance with Data Protection Laws and any changes thereto. Unless a request for additional protections is mandated by a change in law, the Contractor may reasonably decline the City's request to provide additional protections. If such a request requires the Contractor to take steps beyond those contained herein, the Contractor shall notify the City with the anticipated cost of compliance, and the City may thereafter, in its sole discretion, direct the Contractor to comply with the request at the City's expense; provided, however, that any increase in costs that would increase the Maximum Contract Amount must first be memorialized in a written amendment complying with City procedures. Obligations contained in this Agreement relating to the protection and confidentiality of any disclosed data shall survive termination of the Agreement, and the Contractor shall continue to safeguard all data for so long as the data remains confidential or protected and in the Contractor's possession or control.
