RE: Letter of Intent to rename dedicated Packing House Rd. and a portion of N. Franklin St. – National Western Center

Dear Vanessa,

As we discussed on April 7, 2021, this letter is to serve as a summary of a request to rename the following streets as a part of the redevelopment of the National Western Center (NWC) Phases 1 and 2.

- **N. Franklin St.** - located south of N. Race Ct.
- **Packing House Rd.** – from E. 46th Ave. running north approximately 500'

As a part of the platting process for the redevelopment of the National Western Center, the City will be subdividing the site to consolidate all their properties, as well as six other third party ownership properties, creating new parcels (lots) and street rights of way.

There is a street design for the future subdivision that has been approved, and with the new street layout, N. Franklin St. and Packing House Rd. will need to be renamed as their current locations fall within the newly configured and named streets. The renaming of these streets is one part of what is necessary to allow the realignment of the Campus's street system. We would also like to request that the renaming of both streets be made a part of one Ordinance.

Right of way history

- **N. Franklin St.** was dedicated by Road Petition in 1892, and all that portion of it south of 51st Ave was vacated without reservations in 1907 by Ordinance 187, 1907. The remaining portions south of Race Ct. will be either renamed or vacated (separate submittal) to fit the new dedicated street name (N. National Western Dr.).
- **Packing House Rd. (PH Rd.)** was dedicated from E. 46th Ave., north approximately 500' in 1960 as a 40' right of way by Ordinance 106, Series 1960. At the time of the dedication, Denver did not have title to the underlying land until it was acquired in 1985. The 1985 acquisition strip continued north to the south end of N. Franklin St. Everything north of the dedicated portion has since been used as a public roadway. As a part of the site development and platting, some of PH Rd. will be dedicated as National Western Dr. and the remainder abandoned. There are four properties that will be affected by renaming of the two streets. The first three as to Packing House Rd., and the fourth as to N. Franklin St. All four property owners have been made aware of the renaming of these streets.
 - **Douglas L. and Marjorie R. McDonald** - Their current address is 4647 Packing House Rd. This property will be a part of the subdivision plat.

- **Neorama, LLC** - Their current address is 4701 Packing House Rd. This property will be a part of the subdivision plat.
- **Board of Governors of the Colorado State University System** - Their current address is 4747 Packing House Rd. This property is one of two parcels that are being developed by CSU for their Water Resources facility. This parcel and the one to the north will share the same address. CSU is expecting a N. National Western Dr. address. This property will also be a part of the subdivision plat.
- **LEB Alliance, LLC** – Their current address is 4701 N. Marion St. There has been no physical N. Marion St. for decades so this address will require a change to N. National Western Dr.
- **Denver Stockyard Inn and Saloon** – Their current address is 4710 Packing House Rd. per the City's database, but they receive mail at 4710 National Western Dr. They currently lease the restaurant from LEB Alliance, LLC (see previous bullet)
- **KAI IWA Investments** - Their address is 5141 N. Franklin St. This property will not be a part of the subdivision plat.

Please see attached the following exhibits (all in one pdf) and descriptions.

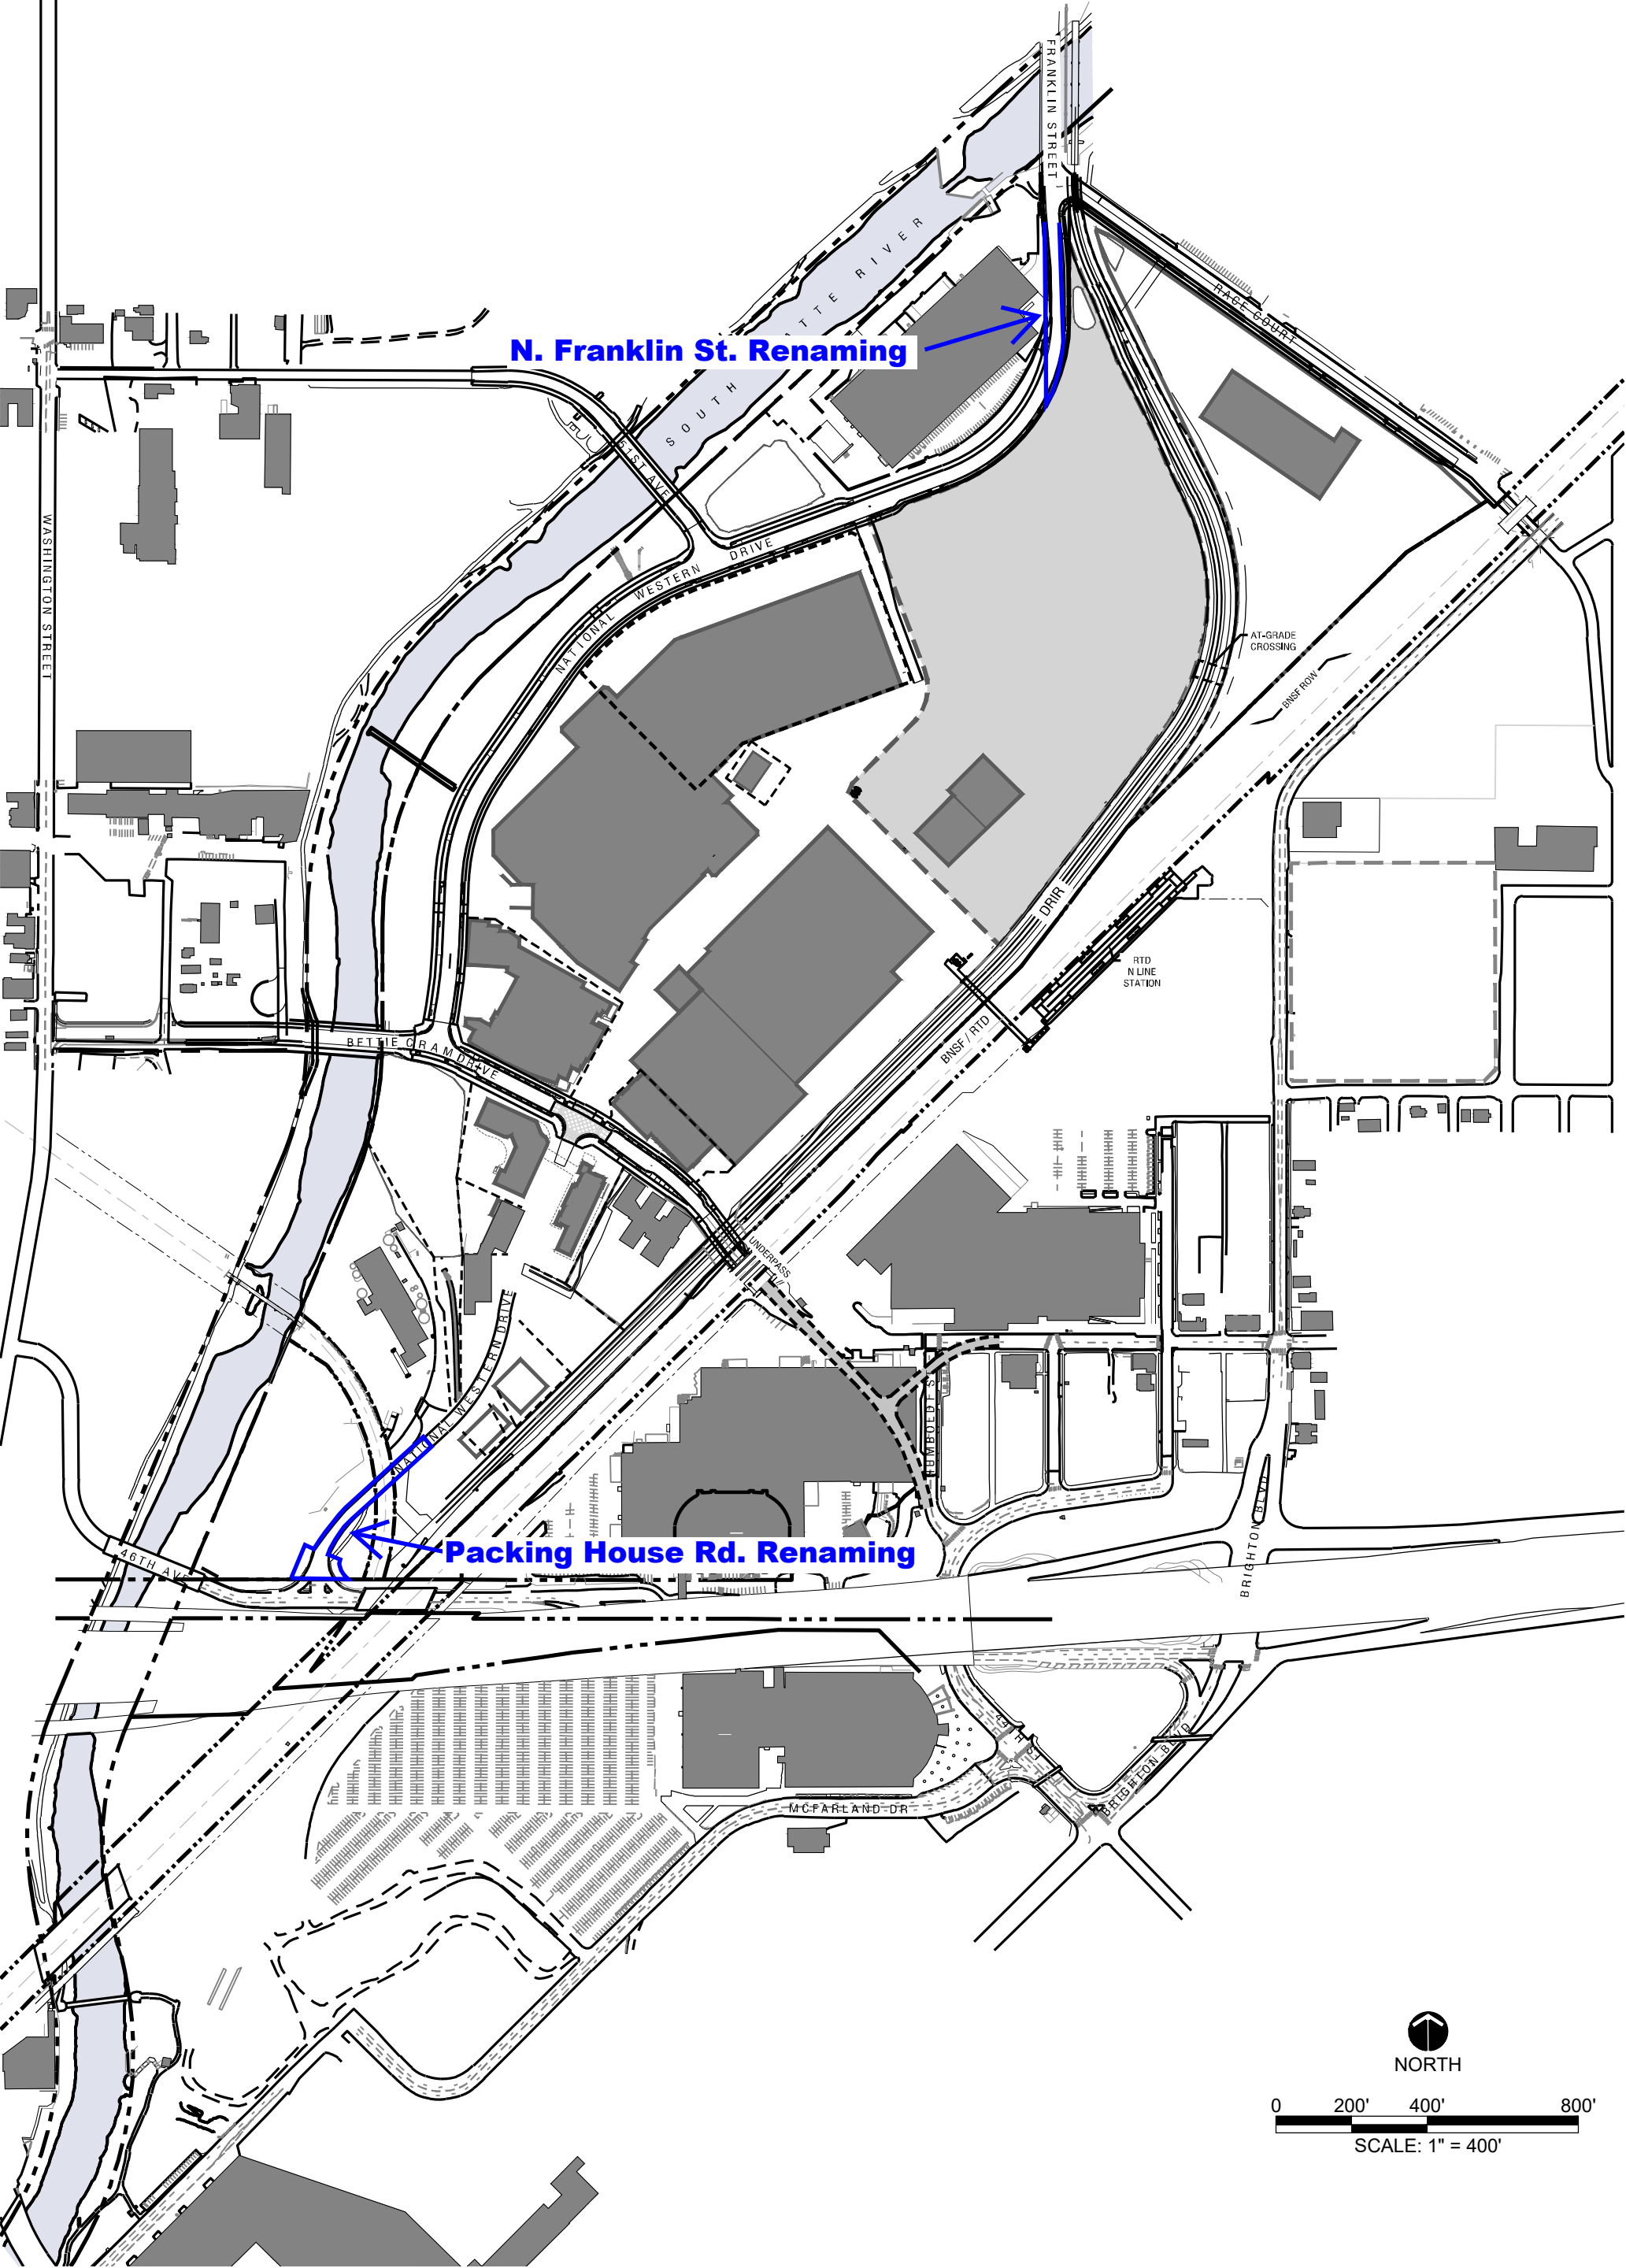

- **2020 Site Plan with Renaming** - National Western Center Phase 1 & 2 Site Plan showing the locations of the streets to be renamed.
- **NWC Overall Street Renaming Exhibit** – An overall view with 2018 aerial photography. The properties with addresses that will be affected are shaded in yellow.
- **N. Franklin St. Renaming** – Detail of the N. Franklin St. area with 2018 aerial photography.
- **FRANKLIN & 51st - Street Renaming plan view** – Detail of the N. Franklin St area in plan view.
- **Packing House Rd renaming detail** – Detail of the Packing House Rd. with 2018 aerial photography.
- **Descriptions for streets to be renamed** (pdf & word documents).
 - N. Franklin St.
 - Packing House Rd.

Thank you for your consideration, and should you need any clarification or additional materials, please let me know.

Comments: I was able to pull some documents from the Electronic Review web-site, but I did not see an application (Vacation Submittal Checklist) on file anywhere. I believe this document SHOULD be included.

There is a document titled, "Microsoft Word - NWC Street Renaming Letter of Intent_06-11-2021.docx", which describes the request, and is in line with what is included in the project description in Accela. Thus, I am approving this, but would like to see a Vacation Submittal Checklist on future requests.
