General On-Call Material Placement Services
Fact Sheet**

Department of Parks and Recreation, Parks Planning, Design, and Construction

The City and County of Denver Department of Parks and Recreation is seeking to approve an amendment for on-call contract services related to material placement throughout the City.

Purpose and Use of Agreements:

The purpose of this On-Call contract is to establish and maintain a qualified On-Call Contractor with the available Blower Truck equipment and ability to respond to proposal bidding requests for the execution of material placement for safety and efficiency for Parks.

Services include placement of engineered wood fiber (EWF, playground material), cedar mulch, rock mulch, landscape rock, cobble, mulch, sand, gravel, breeze, soil, soil amendments, etc. as necessary to be compliant with Playground Safety code and to work efficiently in dangerous areas such as medians, rights-of-way, and park areas.

Procurement:

Two (2) firms submitted qualification submittals which were reviewed and scored. Of those submittals, two (2) firms were initially selected, however, one firm went out of business in 2020.

Contract Description:

Bedrock, LLC's on-call material placement contract has a term of three (3) years. The initial contract amount awarded was \$485,000. The proposed amendment would increase the total amount by \$300,000 for an amendment contract total of \$785,000

These contracts do not commit funds, nor do they guarantee any amount to the firms. These contracts are not an authorization of work. Authorization or work and commitment of funds are made via task notices on an as needed basis.
