6. **General description/background of proposed ordinance including contract scope of work if applicable:**

The process to name the Central Denver Recreation Center began this past May with a Public Notice announcing the naming opportunity. Two petitions were received, however, the petition in support of Carla Madison was the only one that met all the requirements posted on the Public Notice. Carla Madison served as the council representative for District 8 from 2007 to her passing in 2011. The level of support that has been demonstrated to name the recreation center in honor of Ms. Madison has been extraordinary.
