TO: Charlene Thompson, City Attorney's Office

FROM: Robert J. Duncanson, P.E.
Manager 2, Development Engineering Services

PROJECT NO: 2016-RELINQ-0000001

DATE: February 19, 2016

SUBJECT: Request to relinquish two utility easements dedicated by Deed of Easement, recorded 05/17/1996, at Reception No. 1996067098

It is requested that the above subject item be placed on the next available Mayor Council Agenda.

This office has investigated the request of Charles A. Garcia with Freeland and Kauffman, Inc. on behalf of the owner, SRE Colorado -- 5 CC, LLC. Utilities have been rerouted and the existing sewer is no longer receiving flows, resulting in no purpose for the easements.

This matter has been checked by this office and has been coordinated with Asset Management; Comcast; the City Councilperson; CPD: Planning Services; Historic Preservation/Landmark; Denver Water; Denver Fire Department; City Forestry; Parks and Recreation; Engineering, Regulatory, and Analytics Transportation and Wastewater; Public Works: Construction Engineering; Public Works – Policy and Planning; Metro Wastewater Reclamation District; Survey; CenturyLink; and Xcel Energy, all of whom have returned our questionnaires indicating their agreement.

As a result of the investigations, it has been determined that there is no objection to relinquishing the subject easement.

Therefore, you are requested to initiate Council action to relinquish the easements in the following described areas:

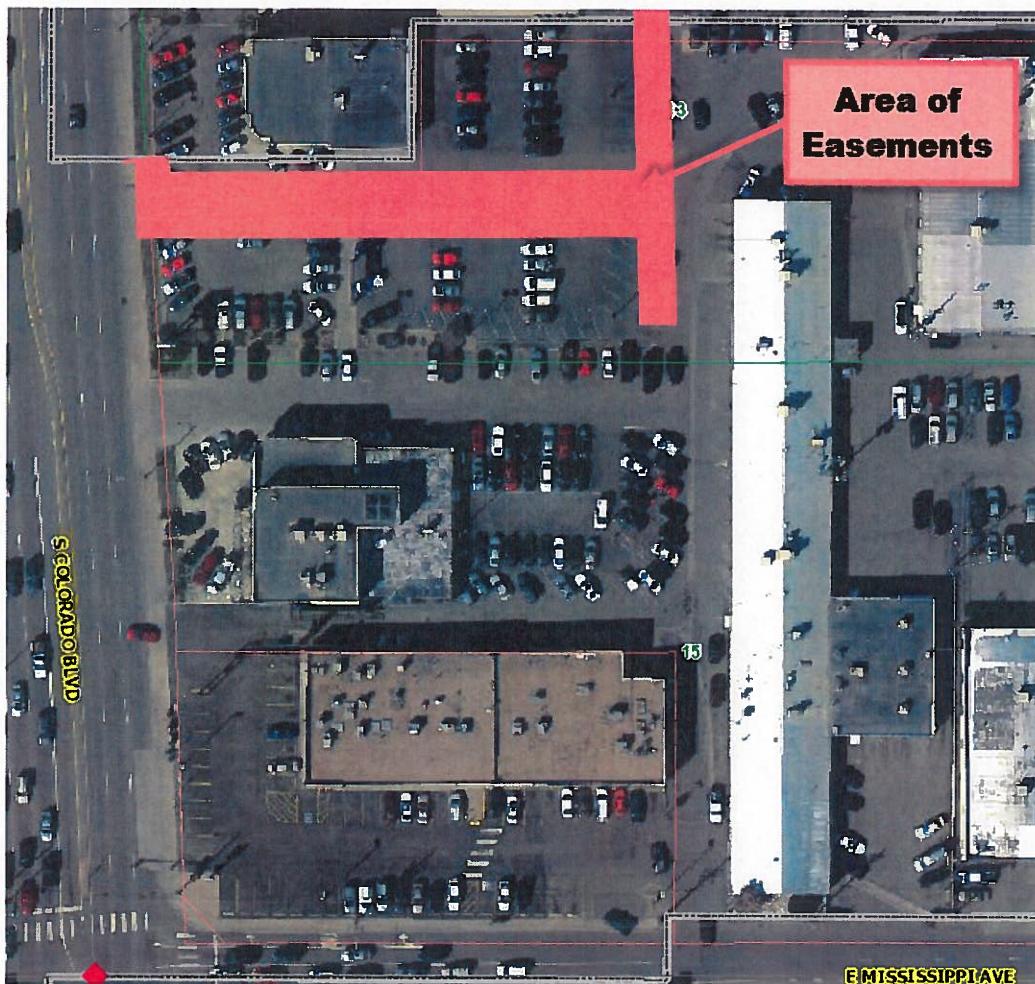

INSERT PARCEL DESCRIPTION 2016-RELINQ-0000001-001 HERE
