5. General description or background of proposed request. Attach executive summary if more space needed:

The Colorado Coalition for the Homeless Bridge Housing Program provides temporary housing to households with an identified housing resource. This program provides crucial support to these households in a critical time, and ensures that they are able to successfully move from literal homelessness to permanent housing. Bridge Housing not only frees up capacity in our emergency shelter programs as these households who are close to housing are able to move out of those spaces, but also provides these households with individualized housing navigation and case management support to complete the last pieces in obtaining housing.

6. **City Attorney assigned to this request (if applicable):** John Varty
