**Subject:** Updated Legal Description for 2015I-00136

Good evening!

I've received the revised legal description for 2015I-000136, the Sliver Parcel. This should align with the adjacent zone district and revised parcel geometry created by the Assessor's office—there was a small area of overlap in the original legal description along the eastern boundary.

I'll need to send the PB staff report next Tuesday, so please let me know if Survey can approve the legal by then—thanks!

-Ryan
