3 (b) Permittee shall be responsible for obtaining all other permits and shall pay all costs
4 that are necessary for installation and construction of items permitted herein.

5 (c) If the Permittee intends to install any underground facilities in or near a public road,
6 street, alley, right-of-way or utility easement, the Permittee shall join the Statewide Notification
7 Association of Owners and Operators of Underground Facilities by contacting the Utility

11 (d) Permittee is fully responsible for any and all damages incurred to facilities of the

13 Denver due to activities authorized by the permit. Should the relocation or replacement of any
14 drainage facilities for water and sewage of the City and County of Denver become necessary as

24 expense. Permittee agrees to defend, indemnify and save the City harmless and to repair or pay
25 for the repair of any and all damages to said sanitary sewer, or those damages resulting from the
26 failure of the sewer to properly function as a result of the permitted structure.

27 (e) Permittee shall comply with all requirements of affected utility companies and pay for
28 all costs of removal, relocation, replacement or rearrangement of utility company facilities.
29 Existing telephone facilities shall not be utilized, obstructed or disturbed.

30 (f) All construction in, under, on or over the Encroachment Area shall be accomplished
31 in accordance with the Building Code of the City and County of Denver. Plans and Specifications
32 governing the construction of the Encroachments shall be approved by the Manager of Public

2 the Manager of Public Works.

3 (g) The sidewalk and street/alley over the Encroachment Area shall be capable of
4 withstanding an HS-20 loading in accordance with the latest AASHTO Specifications. The
5 installations within the Encroachment Area shall be constructed so that the paved section of the
6 street/alley can be widened without requiring additional structural modifications. The sidewalk
7 shall be constructed so that it can be removed and replaced without affecting structures within the
8 Encroachment Area.

9 (h) Permittee shall pay all costs of construction and maintenance of the Encroachments.

12 condition under the supervision of the City Engineer.

13 (i) Permittee shall remove and replace any and all street/alley paving, sidewalks, and
14 curb and gutter, both inside the Encroachment Area and in the rights-of-way adjacent thereto, that
15 become broken, damaged or unsightly during the course of construction. In the future, Permittee
16 shall also remove, replace or repair any street/alley paving, sidewalks, and curb and gutter that

18 caused by the activity of the Permittee within the Encroachment Area. All repair work shall be
19 accomplished without cost to the City and under the supervision of the City Engineer.

20 (j) The City reserves the right to make an inspection of the Encroachments contained
21 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

22 (k) This revocable permit shall not operate or be construed to abridge, limit or restrict
23 the City and County of Denver in exercising its right to make full use of the Encroachment Area
24 and adjacent rights-of-way as public thoroughfares nor shall it operate to restrict the utility
25 companies in exercising their rights to construct, remove, operate and maintain their facilities
26 within the Encroachment Area and adjacent rights-of-way.

27 (l) During the existence of the Encroachments and this permit, Permittee, its
28 successors and assigns, at its expense, and without cost to the City and County of Denver, shall
29 procure and maintain a single limit comprehensive general liability insurance policy with a limit of
30 not less than \$500,000.00. All coverages are to be arranged on an occurrence basis and include
31 coverage for those hazards normally identified as X.C.U. during construction. The insurance
32 coverage required herein constitutes a minimum requirement and such enumeration shall in no
33 way be deemed to limit or lessen the liability of the Permittee, its successors or assigns, under the

1 terms of this permit. All insurance coverage required herein shall be written in a form and by a
2 company or companies approved by the Risk Manager of the City and County of Denver and
3 authorized to do business in the State of Colorado. A certified copy of all such insurance policies
4 shall be filed with the Manager of Public Works, and each such policy shall contain a statement
5 therein or endorsement thereon that it will not be canceled or materially changed without written
6 notice, by registered mail, to the Manager of Public Works at least thirty (30) days prior to the
7 effective date of the cancellation or material change. All such insurance policies shall be
8 specifically endorsed to include all liability assumed by the Permittee hereunder and shall name
9 the City and County of Denver as an additional insured.

10 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination
11 in Employment, Housing and Commercial Space, Public Accommodations, Educational
12 Institutions and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised
13 Municipal Code of the City and County of Denver. The failure to comply with any such provision
14 shall be a proper basis for revocation of this permit.

15 (n) The right to revoke this permit is expressly reserved to the City and County of
16 Denver.

17 (o) Permittee shall agree to indemnify and always save the City and County of Denver
18 harmless from all costs, claims or damages arising, either directly or indirectly, out of the rights
19 and privileges granted by this permit.

20 **Section 3.** That the Permit hereby granted shall be revocable at any time that the
21 Council of the City and County of Denver shall determine that the public convenience and
22 necessity or the public health, safety or general welfare require such revocation, and the right to
23 revoke the same is hereby expressly reserved to the City and County of Denver; provided
24 however, at a reasonable time prior to Council action upon such revocation or proposed
25 revocation, opportunity shall be afforded to Permittee, its successors and assigns, to be present at
26 a hearing to be conducted by the Council upon such matters and thereat to present its views and
27 opinions thereof and to present for consideration action or actions alternative to the revocation of
28 such Permit.
