Section 6. Subject to the approval of the voters as provided in Section 7 of this

ARTICLE XII. PARKS, TRAILS, AND OPEN SPACE PROGRAM

Sec. 39-223. Legislative Declaration. (a) The City Council finds, determines, and declares:

(1) Since its founding, the city and county of Denver (“the city”) has endeavored to build a city in a park through a continued and consistent prioritization of parks, trails, open space, parkways, green medians, street and park trees, greenways and waterways, and a system of city and mountain parks;

(2) The current gap in funding for acquiring additional land for parks, trails, and open spaces; developing and improving new and existing parks, Denver’s mountain parks, open spaces, and trails; restoring and protecting waterways, rivers, **canals** and streams; purchasing, planting and caring of trees in parks and in the public right of way; and operating and maintaining any additional acquisitions and new capital improvements to the City’s parks, mountain parks, and open space systems is insurmountable without an additional revenue stream;

(3) The City faces increased pressure from population growth, development, and densification and park amenities—from new parks, like dog parks, to improvements in the mountain parks, and to protection and restoration of urban waterways—are lagging due to a lack of funding;

(4) The City now ranks at the bottom of the list compared to peer cities on park acres per resident and the percentage of residents who can get to a park with a 10-minute walk, and, according to The Trust for Public Land’s recently released 2018 ParkScore® ranking of park systems in the 100 largest U.S. cities, the City fell to ranking number 26 from number 20 in one year;

(5) Dedicated, additional funding for parks will help achieve these goals and ensure that future generations will be able to enjoy Denver parks and open space.

(b) Therefore, the city council has determined that the question of whether the City shall be authorized to impose a 0.25 percent sales tax for the purposes and in the manner set forth in this ordinance should be submitted to the registered electors of the City at the special municipal election to be conducted in coordination with the state general election on November 6, 2018.
