5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

This is an amendment request for the contract language. On pg. 3 (item 1.d) the contract states that DBS will submit reimbursement requests at 80% of the project costs and DBS will pay 20%. This is true for the Bicycles Task, but not for the Bike Stations Task. Per the Funding Schedule in Exhibit 3 of the contract, DBS only owes 8% and the grant funds will pay the 92% for the Bike Stations Task. This is also shown in the Exhibit C pg 1 of the CDOT/Denver Contract. The amendment needs to clarify the language on pg. 3 (item 1.d) to match the funding schedule breakdown.
