46 **Section 2.** That the Council finds and determines that property interests in these properties
47 are needed and required for the following public uses and public purposes:

48 The 48th Avenue Outfall, when complete, will provide better drainage in the Globeville

1 neighborhood with the potential to create a community connection to the South Platte River, expand
2 access to green space, and further the community's goal of a more walkable neighborhood. The
3 overall project alignment starts at Lincoln Street and 48th Avenue, continues along 48th Avenue to
4 a new stormwater outfall into the South Platte River.

5 This Project will require negotiated purchase or condemnation of all or any portion of any
6 property as needed and is located in District 9. This includes easement interests, access rights, and
7 improvements. This ordinance also grants the right to negotiate and execute all agreements and to
8 process all necessary payments.

9 **Section 3.** That Council authorizes the Mayor, including his duly authorized representatives,
10 in accordance with applicable federal, state, and City laws and rules and regulations adopted
11 pursuant thereto, to acquire the needed property interests, including, but not limited to, fee title,
12 permanent easements, temporary easements, fixtures, licenses, permits, improvements (including
13 without limitation, general outdoor advertising devices, buildings, and access points) and any other
14 rights, interests, and appurtenances thereto. Such authority includes the taking of all actions
15 necessary to do so without further action by City Council, including but not limited to: conducting
16 negotiations, executing all related agreements, making all necessary payments, taking any and all
17 actions required by law before instituting condemnation proceedings, allowing the temporary use of
18 City-owned land and conveying all or a portion of any City-owned land, including remnants, by
19 quitclaim deed, permanent or temporary easements, leases, licenses and permits.

20 **Section 4.** That if the interested parties do not agree upon the compensation to be paid for
21 the needed property interests, the owner or owners of the property are incapable of consenting, the
22 name or residence of any owner is unknown, or any of the owners are non-residents of the State,
23 then the City Attorney of the City and County of Denver, upon the Mayor's direction, is authorized
24 and empowered to exercise the City and County of Denver's eminent domain powers by instituting
25 and, as necessary, prosecuting to conclusion proceedings under Article 1, Title 38, Colorado
26 Revised Statutes, to acquire needed property interests upon, through, over, under and along the
27 above-described property as necessary for the purposes set forth in Section 2 above.

28 **Section 5.** That the Council finds and determines that the County of Denver's Department of
29 Transportation and Infrastructure or federal and state agencies may find the need to alter the nature
30 of the property interests or the legal descriptions of the properties referred to in this Ordinance and
31 may continue to do so in order to meet the needs of the Project. Council authorizes the Mayor,
32 including his duly authorized representatives, in accordance with applicable federal, state, and City
33 laws and rules and regulations adopted pursuant thereto, to acquire the property as the property

1 interests and legal descriptions are altered in accordance with the means authorized in this
2 Ordinance.

3 **Section 6.** That the Council authorizes the City to use the power of eminent domain to act
4 as the local authority to repurpose existing City right-of-way with improvements to prioritize the
5 movement of people for safety and economic benefits.

6 **Section 7.** That the City Council hereby finds and determines that the Project is necessary
7 for the health, safety, and welfare of the public.
