CITY COUNCIL ORDINANCE REQUEST SUMMARY

Public Art CEP Concourse A-West Site

Purpose and Use of Agreement(s)

A community-based selection panel made up of community representatives, civic leaders, arts and cultural professionals has selected artist Benjamin Ball of Los Angeles, CA, to create a large-scale suspended sculpture to be placed within the circulation spaces of the newly constructed Concourse A-West expansion at Denver International Airport (DEN). The project is part of the City's Public Art Program and procured through 1%-For-Art funds as part of the Concourse Expansion Program at DEN.

The artwork will be created from stainless-steel ball chain and enamel paint titled, *Dance the Sky Softly*. The installation will be approx. be 512' L x 50' W x 16' H and is inspired by the light, form and colors of the Colorado Rockies. Series of catenary curves of ball chain will cascade throughout the ceilings creating moiré patterns that oscillate in color to create cloud like forms.

Contract(s) Description

Public art contract for the design, fabrication and installation of an original suspended sculpture within the Concourse A-West expansion at DEN with artist Benjamin Ball, 3-year term with the option of (2) 1-year extensions, maximum contract amount of \$2,499,474.00

Vendor(s)

Ball-Nogues Design Studio, LLC - PLANE-202264219

DSBO Goals

This project is covered under D.R.M.C. Chapter 28 Article V. In accordance with the D.R.M.C., DSBO has conducted an analysis examining the scope of work for this project, cost estimate and the existing availability of certified firms to perform the specified services as stated in the business utilization request form. DSBO has established that no DSBO program will apply.
