- **Email:** angel.casias@denvergov.org

6. **General description/background of proposed ordinance including contract scope of work if applicable:**

This request is to approve a construction contract to improve the drainage conditions in the approximate areas between Arkins Court and Mountain Cement along 33rd Street. This is the first segment of this project to construct a 5-year storm sewer system and its associated facilities. Other segments will complete the storm system past Downing Street to Lafayette Street along 33rd Street.

****Please complete the following fields:** (Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field – please do not leave blank.)
