5. General description or background of proposed request. Attach executive summary if more space needed:

The Project will facilitate pedestrian safety improvements along the Mississippi Avenue Corridor, running from Eliot Street to Quivas Steet. Improvements will be made via application of the road diet strategy, removing one through lane in each direction, maintaining existing two-way left-turn lane(s) and auxiliary turn lanes at intersections. Improvements will also include widening pavement width (for parking, bus pull-outs and/or future bike-lane connectivity), raised-curb medians, re-alignment of crosswalks, addition of curb bulb-outs as well as modifications to ADA ramps along neighborhood sidewalks in Council District 7. The Project will require the negotiated purchase or condemnation of all or any portion of any property as needed. This includes easement interests, access rights, and improvements. This ordinance also grants the right to negotiate and execute all agreements and the authority to process all necessary payments.

Safer Main Streets – Mississippi Avenue Vision Zero Project has a total of four (4) temporary easements. These parcels include the following:

- NEC of Zuni St. and W. Mississippi Ave. (TE-01)
 - Goldrick Elementary School
- NWC of Zuni St. and W. Mississippi Ave. (TE-02)
 - Residential – Single Family
- SWC of Zuni St. and W. Mississippi Ave. (TE-03)
