## 5. General description or background of proposed request. Attach executive summary if more space needed:

These funds will be allocated to NEWSED CDC for the purposes of identifying Minority & Women Business Enterprises (MWBE) who need financial support in the form of a grant due to the loss of business brought on by COVID-19 and its related affects. The funds may also be used to support small businesses in their efforts to attain Minority Women Business Enterprise (MWBE) status with the City of Denver.

NEWSED already has a pipeline of MWBE businesses that are struggling. In addition, there are mechanisms in place at NEWSED that allow the money to get to the right organizations/businesses in a more efficient and more effective manner than our sometimes difficulty and cumbersome city contracting process.
