

ORDINANCE/RESOLUTION REQUEST

Please email requests to the Mayor's Legislative Team
at MileHighOrdinance@DenverGov.org by **3:00pm on Monday**.

****All fields must be completed.****
Incomplete request forms will be returned to sender which may cause a delay in processing.

Date of Request: _____

Please mark one: Bill Request or Resolution Request

1. Has your agency submitted this request in the last 12 months?

Yes No

If yes, please explain:

2. **Title:** *(Include a concise, one sentence description – please include name of company or contractor and contract control number - that clearly indicates the type of request: grant acceptance, contract execution, amendment, municipal code change, supplemental request, etc.)*

An ordinance to accept the FY2010 Department of Justice Community Oriented Policing Services (COPS) Technology grant #2010CKWX0473 in the amount of \$500,000 awarded to the Denver Police Department.

3. **Requesting Agency:**

Public Safety - Denver Police Department

4. **Contact Person:** *(With actual knowledge of proposed ordinance/resolution.)*

- **Name:** Mel Thompson
- **Phone:** 720-913-6020
- **Email:** Melvin.Thompson@denvergov.org

5. **Contact Person:** *(With actual knowledge of proposed ordinance/resolution who will present the item at Mayor-Council and who will be available for first and second reading, if necessary.)*

- **Name:** Jerry Maestas
- **Phone:** 720-913-6326
- **Email:** Gerald.Maestas @denvergov.org

6. **General description of proposed ordinance including contract scope of work if applicable:**

- Grant will provide funding for the full implementation of the COPLINK program in Denver. The COPLINK solution suite, now operational in over 550 jurisdictions nationally, is a data warehousing solution available through the Knowledge Computing Corporation (KCC). This internet based system has been adopted as the statewide method to share information between law enforcement agencies in Colorado and is in varying stages of implementation regionally.
 - Funds will be allocated for professional services contracts with City of Aurora, Versaterm, and KCC – in support of the technological piece.
 - Funds will be allocated for a contracted professional System Analyst position, for the full duration of this grant. This individual will assist in system operations support and analysis of the data.

*****Please complete the following fields:*** *(Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field.)*

- a. **Contract Control Number:**
- b. **Duration:** Term of the grant is 12/16/2009 – 12/15/2012
- c. **Location:**
- d. **Affected Council District:**

To be completed by Mayor's Legislative Team:

SIRE Tracking Number: _____

Date Entered: _____

e. Benefits:

Grant provides funding for law enforcement initiatives targeting at increasing public safety. The software solution enables analytical, search, and reporting capabilities for large amounts of criminal and case data that will help all participating agencies to better locate information, communicate findings, and collaborate in fighting criminal activity. COPLINK synthesizes the information from multiple data sources (e.g. several record management systems) onto one internet screen for easy viewing and analysis, resulting in quicker investigations and improved officer efficiency.

f. Costs:

In 2008, Technology Services completed a full project cost analysis on COPLINK in which all soft, hard, and contingent costs were included. The overall project will cost near \$1.8 million, and ongoing costs of the project will range from \$150,000 - \$220,000 annually starting in late 2013. Indirect costs are not allowable in this grant and are therefore not included in the budget.

There is no match required for this grant.

7. Is there any controversy surrounding this ordinance? (Groups or individuals who may have concerns about it?) Please explain.

No
