All capitalized terms used herein and not defined shall have the same meanings as in the Bond Purchase Agreement.

In rendering the following opinions, we have examined a copy of the Ordinance, the Official Statement, dated _____ __, 2011, relating to the Series 2011B-D Bonds (the "Official Statement"), a certified transcript of the record of proceedings of the City Council, the Manager's Resolution taken preliminary to and in authorization of the Series 2011B-D Bonds, the Escrow Agreement, the Paying Agent Agreement, the Continuing Disclosure Undertaking, the Pricing Certificate, and such other documents, proceedings and matters of law as we have considered an appropriate basis on which to render such opinions. \$ _____
Airport System Revenue Bonds, Series 2011B-D

Ladies and Gentlemen:

As City Attorney of the City and County of Denver, Colorado (the "City"), I have acted as counsel to the City in connection with the issuance, sale and delivery of \$ _____ aggregate principal amount of City and County of Denver, Colorado, for and on behalf of its Department of Aviation, Airport System Revenue Bonds, Series 2011B-D. For purposes of this opinion, capitalized terms used herein and not defined have the meanings assigned to them in the Bond Purchase Agreement, dated September __, 2011, between J.P. Morgan Securities LLC, as Representative of the Underwriters, and the City (the "Bond Purchase Agreement").

I have examined the documents referred to in the Bond Purchase Agreement and such other documents and records of the City and any other papers as I have deemed relevant and necessary as the basis of the opinions hereinafter set forth. Based upon the foregoing, I am of the opinion that:

1. The City has been duly and validly created as a home-rule city existing under the laws of the State of Colorado, with full power and authority (a) to enter into and perform its obligations under the Bond Purchase Agreement, the Escrow Agreement, the Continuing Disclosure Undertaking, the Pricing Certificate, the Basic Airport Leases, the United Stipulated Order, the Intergovernmental Agreement and the Concession Agreements; and (b) to adopt and perform its obligations under the Ordinance and authorize, issue, sell and deliver the Series 2011B-D Bonds under the Ordinance.

2. The officials of the City named in the Official Statement have been duly elected or appointed and are as of the date hereof legally qualified to serve in their respective positions.

3. The Ordinance, which authorizes the issuance of the Series 2011B-D Bonds and authorizes or ratifies the execution of the Bond Purchase Agreement, the Paying Agent Agreement, the Escrow Agreement and the Continuing Disclosure Undertaking, has been duly adopted by, and the Basic Airport Leases, the United Stipulated Order, the Intergovernmental Agreement, the Pricing Certificate, the Bond Purchase Agreement, the Paying Agent Agreement, the Escrow Agreement and the Continuing Disclosure Undertaking have been duly authorized, executed and delivered by, the City, and assuming due authorization, execution and delivery by the other parties thereto, such instruments constitute legal, valid and binding obligations of the City enforceable in accordance with their respective terms (except as may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies).

4. To the best of my knowledge, the execution and delivery of the Ordinance, the Pricing Certificate, the Basic Airport Leases, the United Stipulated Order, the Intergovernmental Agreement, the Concession Agreements, the Bond Purchase Agreement, the Paying Agent Agreement, the Escrow Agreement and the Continuing Disclosure Undertaking by the City and compliance with the provisions thereof will not conflict with or constitute a breach or default under any applicable law, administrative regulation, court order or consent decree of Colorado or of the United States of America or of any department, division, agency or instrumentality of either or any ordinance, agreement, note, resolution, indenture or other instrument to which the City is a party or by which it is bound.

5. All approvals, consents and orders of any governmental entity, authority, board, agency or commission having jurisdiction that would constitute conditions precedent to the performance by the City of its obligations under the Ordinance, the Pricing Certificate, the Series 2011B-D Bonds, the Basic Airport Leases, the United Stipulated Order, the Intergovernmental Agreement, the Concession Agreements, the Bond Purchase Agreement, the Paying Agent Agreement, the Escrow Agreement or the Continuing Disclosure Undertaking and that can reasonably be obtained at this time have been obtained.

6. To the best of my knowledge, the use of the Airport complies with all applicable federal, State and local laws or ordinances (including rules and regulations) relating to zoning, building, the environment and safety. All permits, licenses or other requirements that are necessary for the operation of the Airport have been obtained.

7. The City has title to or legal possession of the site for the Airport, together with such easements and rights of way as are necessary for access and utility service.

8. Except as disclosed in the Official Statement, no legal proceedings of which the City has received written notice are pending or threatened: (a) contesting or affecting the validity or authority for the issuance of the Series 2011B-D Bonds or seeking to restrain or enjoin the issuance or delivery of the Series 2011B-D Bonds; (b) contesting or affecting the operation of the Airport or the validity or enforceability of the Ordinance, the Pricing Certificate, the Basic Airport Leases, the United Stipulated Order, the Frontier Stipulated Order, the Intergovernmental Agreement, the Bond Purchase Agreement, the Paying Agent Agreement, the Escrow Agreement or the Continuing Disclosure Undertaking; (c) contesting or affecting the validity of the Concession Agreements; (d) seeking to restrain or enjoin the collection of revenues pledged under the Ordinance that, if determined adversely to the City, would have a material impact on

the City's collection of the income or revenues pledged under the Ordinance, or the pledge thereof (e) contesting the completeness or accuracy of the Official Statement; or (f) contesting the power of the officials of the City or their authority with respect to the Ordinance, the Pricing Certificate, the Series 2011B-D Bonds, the Official Statement, the Bond Purchase Agreement, the Paying Agent Agreement, the Escrow Agreement or the Continuing Disclosure Undertaking.

9. With respect to the Section entitled "LITIGATION" in the Official Statement, all information therein is complete and accurate.

10. Based on my examination and the participation of the representatives of my office at conferences at which the Official Statement was discussed, I have no reason to believe that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except for the Appendices thereto and the section entitled "TAX MATTERS" and other financial and statistical information and data included in the Official Statement, as to which no opinion is expressed).
