**Consent Items**

Below is an item that is on the Committee's consent agenda today. Routine, non-controversial ordinance requests that do not involve substantive policy changes are placed on Committee agendas as consent items with the approval of Committee chairs. Council members receive advance notice of consent items and may request that an item be scheduled for Committee discussion instead. If no Council member does so by the Committee's normal convening time, the requests will be considered approved by the Committee and eligible for filing.

[18-0319](#) A bill for an ordinance to correct two typographical errors found in Section 18-42(d) of the Revised Municipal Code. Corrects errors in the previously approved Council Bill 18-0156 revising the process for changing the City Classification and Pay Plan.
