5. General description or background of proposed request. Attach executive summary if more space needed:

Requests budget appropriation of \$2,500,000 for the **Community Development Block Grant (CDBG)** from the U.S. Department of Housing and Urban Development. CDBG funding is managed by Denver Economic Development and Opportunity (DEDO) and is used for a variety of programs and services, the creation of jobs and providing and maintaining housing for low- and moderate-income families and persons. The request in funding is based on language set forth in Fiscal Rule 9.1. The requested appropriation amount is less than 50% of the average annual CDBG award provided in the past 5 years and is expected to cover the first 4-6 months of programs and projects. This establishment of budget will alleviate funding challenges due to the delayed timing of HUD's CDBG award, given the receipt of funding does not typically arrive until July or August of the program year. At that time, DEDO will request acceptance of the full FY 2022 award through City Council. For reference, the FY 2020 award amount was \$6,819,625.
