5. General description or background of proposed request. Attach executive summary if more space needed:

This ordinance request seeks approval to amend the Denver Museum of Nature and Science (DMNS) Parking Garage agreement to update the payment schedule for DMNS's share of the Series 2010B COP lease payments, which were refunded in December 2020 by the Series 2020A1 COPs. The 2010B COPs, issued in the original principal amount of \$36 million were associated with the funding of projects that included the parking garages at the Denver Museum of Nature and Science and the Denver Zoo. The COP refunding deferred lease payments in 2020 and 2021 to be paid in later years, which provided essential payment relief and flexibility for the General Fund, the Denver Museum of Nature and Science and the Zoo (the lease payment funding sources), during the challenging economic times as a result of COVID. The December financing also included the refunding of Series 2010A COPs for interest cost savings.

The amendment to the DMNS payment schedule includes an increase of \$48,800 for the additional interest and cost of issuance expenses incurred as a result of the COP payment deferral. These costs have been prorated throughout the remaining payment term (original total value \$15,107,448, revised total value \$15,156,248). There are no other changes to the terms of the Parking Garage Agreement.

6. City Attorney assigned to this request (if applicable): Laurie Heydman

7. City Council District: 10

To be completed by Mayor's Legislative Team:

Resolution/Bill Number: BR21 0283
