(b) Permittee shall be responsible for obtaining all other permits and shall pay all costs that are necessary for installation and construction of items permitted herein.

(c) If the Permittee intends to install any underground facilities in or near a public road, street, alley, right-of-way or utility easement, the Permittee shall join the Statewide Notification Association of Owners and Operators of Underground Facilities by contacting the Utility Notification Center of Colorado, 12600 West Colfax Avenue, Suite B-310, Lakewood, Colorado 80215, at 303-232-1991. 3 activities authorized by the permit. Should the relocation or replacement of any drainage facilities for
4 water and sewage of the City and County of Denver become necessary as determined by the
5 Manager of Public Works, in the Manager's sole and absolute discretion, Permittee shall pay all cost
6 and expense of the portion of the sewer affected by the permitted structure. The extent of the
7 affected portion to be replaced or relocated by Permittee shall be determined by the Manager of
8 Public Works. Any and all replacement or repair of facilities of the Water Department and/or drainage
9 facilities for water and sewage of the City and County of Denver attributed to the Permittee shall be
10 made by the Water Department and/or the City and County of Denver at the sole expense of the

17 (e) Permittee shall comply with all requirements of affected utility companies and pay for all
18 costs of removal, relocation, replacement or rearrangement of utility company facilities. Existing
19 telephone facilities shall not be utilized, obstructed or disturbed.

20 (f) All construction in, under, on or over the Encroachment Area shall be accomplished in
21 accordance with the Building Code of the City and County of Denver. Plans and Specifications
22 governing the construction of the Encroachments shall be approved by the Manager of Public Works

27 withstanding an HS-20 loading in accordance with the latest AASHTO Specifications. The
28 installations within the Encroachment Area shall be constructed so that the paved section of the
29 street/alley can be widened without requiring additional structural modifications. The sidewalk shall
30 be constructed so that it can be removed and replaced without affecting structures within the
31 Encroachment Area.

32 (h) Permittee shall pay all costs of construction and maintenance of the Encroachments.

5 broken, damaged or unsightly during the course of construction. In the future, Permittee shall also

8 the Permittee within the Encroachment Area. All repair work shall be accomplished without cost to
9 the City and under the supervision of the City Engineer.

10 (j) The City reserves the right to make an inspection of the Encroachments contained
11 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

12 (k) This revocable permit shall not operate or be construed to abridge, limit or restrict the
13 City and County of Denver in exercising its right to make full use of the Encroachment Area and
14 adjacent rights-of-way as public thoroughfares nor shall it operate to restrict the utility companies in
15 exercising their rights to construct, remove, operate and maintain their facilities within the
16 Encroachment Area and adjacent rights-of-way.

17 (l) During the existence of the Encroachments and this permit, Permittee, its successors

21 those hazards normally identified as X.C.U. during construction. The insurance coverage required

23 or lessen the liability of the Permittee, its successors or assigns, under the terms of this permit. All
24 insurance coverage required herein shall be written in a form and by a company or companies
25 approved by the Risk Manager of the City and County of Denver and authorized to do business in the

30 All such insurance policies shall be specifically endorsed to include all liability assumed by the
31 Permittee hereunder and shall name the City and County of Denver as an additional insured.

32 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in
33 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions and

1 Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of the
2 City and County of Denver. The failure to comply with any such provision shall be a proper basis for
3 revocation of this permit.

4 (n) The right to revoke this permit is expressly reserved to the City and County of Denver.

5 (o) Permittee shall agree to indemnify and always save the City and County of Denver
6 harmless from all costs, claims or damages arising, either directly or indirectly, out of the rights and

9 the City and County of Denver shall determine that the public convenience and necessity or the public
10 health, safety or general welfare require such revocation, and the right to revoke the same is hereby
11 expressly reserved to the City and County of Denver; provided however, at a reasonable time prior to
12 Council action upon such revocation or proposed revocation, opportunity shall be afforded to
