**With**  
**STERLING INFOSYSTEMS, INC.**

**THIS AGREEMENT** is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **STERLING INFOSYSTEMS, INC.**, a Delaware corporation whose address is One State Street, 24<sup>th</sup> Floor, New York, New York 10004 (the “Contractor”), jointly (“the Parties”).

The Parties agree as follows:

**1. COORDINATION AND LIAISON:** The Contractor shall fully coordinate all services under the Agreement with the Executive Director of the Office of Human Resources or the Executive Director’s Designee (“Executive Director”). The Executive Director shall be authorized to sign any documents necessary to implement the services contemplated herein, provided that such signature delegation may not expand liability or create a new liability for the City beyond those liabilities expressly contemplated herein.

**2. SERVICES TO BE PERFORMED:**

**a.** As the Executive Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth on **Exhibit A (including Exhibit A-1), Scope of Work**, to the City’s satisfaction.

**b.** The Contractor is ready, willing, and able to provide the services required by this Agreement.

**c.** The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement.

**3. TERM:** The Agreement will commence on **January 2, 2022** and will expire at 11:59 p.m. on **December 31, 2026** (the “Term”). The term of this Agreement may be extended by the City under the same terms and conditions by a written amendment to this Agreement. Subject to the Executive Director’s prior written authorization, the Contractor shall complete any

work in progress as of the expiration date and the Term of the Agreement will extend until the work is completed or earlier terminated by the Executive Director.

**4. COMPENSATION AND PAYMENT:**

a. [BLANK]

b. **Reimbursable Expenses:** There are no reimbursable expenses allowed under the Agreement. All of the Contractor's expenses are contained in the budget in **Exhibit A**.

c. **Invoicing:** Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement.

d. **Maximum Contract Amount:**

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed **ONE MILLION THREE HUNDRED THOUSAND DOLLARS AND NO CENTS (\$1,300,000.00)** (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

**5. STATUS OF CONTRACTOR:** The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or Directors of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

**6. TERMINATION:**

a. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon thirty (30) days prior written notice to the Contractor. However, nothing gives the Contractor the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Executive Director.

b. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

c. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

d. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools, and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE".

7. **EXAMINATION OF RECORDS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three

(3) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audit pursuant to this paragraph shall require Parties to make disclosures in violation of state or federal privacy laws. Parties shall at all times comply with D.R.M.C. 20-276.

**8. WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by either party constitute or be construed to be a waiver by that party of any breach of covenant or default that may then exist on the part of the other party. No payment, other action, or inaction by either party when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

**9. INSURANCE:**

**a. General Conditions:** Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. If such written notice is unavailable from the insurer, Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

**b. Proof of Insurance:** Contractor may not commence services or work

relating to this Agreement prior to placement of coverages required under this Agreement. Contractor certifies that the certificate of insurance attached as **Exhibit B**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

c. **Additional Insureds**: For Commercial General Liability, Business Auto Liability, Professional Liability, and Excess Liability/Umbrella (if required). Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

d. **Waiver of Subrogation**: For all coverages required under this Agreement, with the exception of Professional Liability and Cyber Liability, Contractor's insurer shall waive subrogation rights against the City.

e. **Subcontractors and Subconsultants**: Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.

f. **Workers' Compensation and Employer's Liability Insurance**: Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

g. **Commercial General Liability**: Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate.

**h. Automobile Liability:** Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all hired and non-owned vehicles used in performing services under this Agreement.

**i. Cyber Liability:** Contractor shall maintain Cyber Liability coverage with minimum limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security. If Claims Made, the policy shall be kept in force, or a Tail policy placed, for three (3) years.

**j. Professional Liability (Errors & Omissions):** Contractor shall maintain minimum limits of \$1,000,000 per claim and \$1,000,000 policy aggregate limit. The policy shall be kept in force, or a Tail policy placed, for three (3) years for all contracts.

**10. DEFENSE AND INDEMNIFICATION:**

**a.** Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

**b.** Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.

**c.** Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and

investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

d. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

e. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

**11. TAXES, CHARGES AND PENALTIES:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

**12. ASSIGNMENT; SUBCONTRACTING:** The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Executive Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void and will be cause for termination of this Agreement by the City. The Executive Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any subconsultant, subcontractor or assign.

**13. INUREMENT:** The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

**14. NO THIRD PARTY BENEFICIARY:** Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person

or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

**15. NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

**16. SEVERABILITY:** Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

**17. CONFLICT OF INTEREST:**

**a.** No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

**b.** The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

**18. NOTICES:** All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

Executive Director of the Office of Human Resources  
201 W. Colfax Avenue, Dept. 412  
Denver, Colorado 80202

With a copy of any such notice to:

Denver City Attorney's Office  
1437 Bannock St., Room 353  
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The Parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

**19. NO EMPLOYMENT OF WORKERS WITHOUT AUTHORIZATION TO PERFORM WORK UNDER THE AGREEMENT:**

**a.** This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the "Certification Ordinance").

**b.** The Contractor certifies that:

**(1)** At the time of its execution of this Agreement, it does not knowingly employ or contract with a worker without authorization who will perform work under this Agreement, nor will it knowingly employ or contract with a worker without authorization to perform work under this Agreement in the future.

**(2)** It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., and confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

**(3)** It will not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with a worker without authorization to perform work under this Agreement.

**(4)** It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under this Agreement, and it is required to comply with any and all federal requirements related to use of the

E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under this Agreement knowingly employs or contracts with a worker without authorization, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the worker without authorization, unless during the three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with a worker without authorization.

(6) It will comply with a reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

c. The Contractor is liable for any violations as provided in the Certification Ordinance. If the Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If this Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying the Contractor from submitting bids or proposals for future contracts with the City.

**20. DISPUTES:** All disputes between the City and Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director as defined in this Agreement.

**21. GOVERNING LAW; VENUE:** The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders,

or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

**22. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

**23. COMPLIANCE WITH ALL LAWS:** Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

**24. LEGAL AUTHORITY:** Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of Contractor represents and warrants that he has been fully authorized by Contractor to execute the Agreement on behalf of Contractor and to validly and legally bind Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either Contractor or the person signing the Agreement to enter into the Agreement.

**25. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any party merely because any provisions of the Agreement were prepared by a particular party.

**26. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of the Agreement, including Exhibit A-1: Scope of Work – Additional Terms (including the Supplemental Provisions, Data Processing Agreement, and Background Screening Requirement

Addendum) attached hereto and incorporated by reference herein, and the other exhibits, the language of the Agreement controls.

27. [BLANK]

28. **SURVIVAL OF CERTAIN PROVISIONS:** The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

29. **ADVERTISING AND PUBLIC DISCLOSURE:** The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Executive Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Executive Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

30. **CONFIDENTIAL INFORMATION:**

a. **City Information:** Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent Contractor would to protect its own proprietary or confidential data. "Proprietary Data" shall mean any materials or information which may be designated or marked "Proprietary" or "Confidential", or which would not be documents subject to disclosure pursuant to the Colorado Open Records

Act or City ordinance, and provided or made available to Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

**31. CITY EXECUTION OF AGREEMENT:** The Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

**32. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS:** The Agreement is the complete integration of all understandings between the Parties as to the subject matter of the Agreement. No prior, contemporaneous or subsequent addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City.

**33. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS:** Contractor shall cooperate and comply with the provisions of Executive Order 94 and its Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in contract personnel being barred from City facilities and from participating in City operations.

**34. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:** Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature under the Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

## ATTACHMENT 2 DATA PROCESSING AGREEMENT

### 1. Definitions

“**Agreement**” means the Contract to which this DPA is attached.

“**Applicable Law**” means enactments that apply to the Processing of Client PI, including without limitation laws and regulations about privacy, data protection, police and court records, employment, and consumer reporting.

“**Authority**” means a court, regulatory or supervisory body, law enforcement agency or other government entity.

“**BCRs**” means binding corporate rules, as defined in the GDPR, which have been approved by the relevant Authority and apply to the Processing of Client PI by Sterling or a Subprocessor.

“**CCPA**” means the California Consumer Privacy Act (Cal. Civ. Code § 1798.100 et seq.).

“**Client Personal Information**” or “**Client PI**” means information about identified or identifiable individuals (“**Personal Information**” or “**PI**”) Processed by Sterling under the Agreement.

“**Data Incident**” means a breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to, Client PI in the custody of Sterling or a Subprocessor.<sup>1</sup>

“**Data Subject**” means an identified or identifiable individual.

“**European Adequate Protection Area**” means: (a) European Jurisdictions; (b) countries, or sectors within a specified country, that the European Commission (or other relevant Authority in a European Jurisdiction) recognizes as having an adequate level of protection for PI.

“**European Jurisdiction**” means any one of: (a) the European Economic Area (“**EEA**”); (b) Switzerland; or (c) the United Kingdom.<sup>2</sup>

“**European Law**” means the laws applicable in European Jurisdictions, including without limitation the General Data Protection Regulation (EU) 2016/679 (“**GDPR**”).

“**FCRA**” means the Fair Credit Reporting Act (15 U.S.C. § 1681 et seq.).

“**GDPR Compensation Claim**” means a claim for compensation against a party under Article 82 GDPR and all compensation, legal fees and other expenses arising directly from that claim.

---

<sup>1</sup> The GDPR definition of “personal data breach” is used here, as it is commonly accepted in many jurisdictions and covers the circumstances that would trigger an incident response around the world.

<sup>2</sup> These jurisdictions are grouped together because they have very similar data protection regimes which generally require similar steps to be taken when data is exported from the jurisdiction. The term is used to ensure that data leaving any one of the three discrete areas (the EEA, Switzerland, or the UK) will be treated in accordance with the rules of the exporting jurisdiction.

<sup>3</sup> In many jurisdictions, Sterling is independently obligated, by law or by contract, to retain personal information for a certain period to allow for audits or the exercise of data subject rights. Where Sterling is a data processor in Europe, Sterling is generally only entitled to retain personal information to comply with European law (and not with a contract or foreign law), so this definition is limited accordingly.

“**SCCs**” means the standard contractual clauses issued under European Commission Decision 2010/87/EU, or the relevant clauses issued to replace them.

“**Services**” means background screening or other services performed by Sterling under the Agreement.

“**Subprocessor**” means an entity that Processes Client PI on behalf of Sterling.

“**Third-Party Request**” means a request, complaint, demand, notice or other communication Sterling receives from a Data Subject, Authority or other third party relating to Client’s obligations under, or compliance with, Applicable law, other than communications that are necessary to provide the Services.

## 2. Compliance

2.1. The terms of this DPA will apply as long as Sterling or a Subprocessor has Client PI in its custody.

2.2. Sterling shall not authorize any person to Process Client PI unless that person is subject to appropriate confidentiality obligations.

2.3. Except as otherwise stated in this DPA, Sterling is responsible for Sterling personnel’s and Subprocessors’ compliance, and liable for their non-compliance, with this DPA and Applicable Law.

2.4. On Client’s request and subject to any limitations set out in this DPA,<sup>4</sup> Sterling shall provide reasonable assistance to Client in meeting its data protection obligations under Applicable Law, taking into account the nature of the Processing and the information available to Sterling. This may include, without limitation, participation in security or data protection impact assessments, audits, and interactions with Data Subjects or Authorities.

2.5. Client shall not instruct Sterling to Process Client PI in violation of Applicable Law. If European Law applies, Sterling shall inform Client if Sterling believes any instruction from Client violates European Law.

2.6. Notwithstanding anything to the contrary in the Agreement or elsewhere, Sterling may deliver notice contemplated in this DPA by email or through its online platform.<sup>5</sup>

## 3. Roles of the Parties

3.1. For the purposes of European Law, the parties consider that Client is a controller and Sterling is a processor of Client PI, except as otherwise stated in this DPA or determined by an Authority.<sup>6</sup> For the purposes of federal or provincial privacy laws in Canada, the parties consider that Client has control of Client PI and Sterling has custody but not control of Client PI.

3.2. If Sterling is a responsible person or umbrella body for the purposes of criminal record disclosure carried out by the Disclosure and Barring Service, Disclosure Scotland or Access NI, then the parties consider that Sterling is a controller of Client PI Processed for these purposes.<sup>7</sup>

3.3. The parties acknowledge that Sterling’s performance, and Client’s use, of the Services are exempt from the CCPA to the extent they constitute the collection, maintenance, disclosure, sale, communication, or use of any personal information bearing on a consumer’s credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living by a ‘consumer reporting agency’

---

<sup>4</sup> See most notably section 10, which sets out certain limitations on audit rights.

<sup>5</sup> The notices contemplated in the DPA are limited to Subprocessor updates (which are based on subscription and cannot comply with a formal notice procedure), and incident notifications, which are urgent and must be sent by email to the current business contact(s) who are most likely to be able to respond.

<sup>6</sup> Under the GDPR, a controller “establishes the purposes and means” for processing. Sterling does not establish the purposes for processing; we simply process data at our client’s instruction. While our clients do generally delegate the detailed means of processing to Sterling, the essential means, namely: the selection of the service provider, the selection of the services, and the configuration of the services, is all done by our client. Several European data protection authorities have confirmed that this arrangement fits within the definition of a “processor”, but the validity of the agreement would not be affected (and the way data is processed would not change) if a different authority decided otherwise.

<sup>7</sup> This is unique to Sterling’s relationship with the criminal record disclosure authorities in the UK. Even if we are technically a ‘controller’ in these circumstances, the DPA still applies in its entirety and the way we process data remains the same. Note that these authorities are third-party controllers which set rules for access and use of information, and do not process data on behalf of Sterling or its clients.

or by a ‘user’ of a ‘consumer report’, as each of those terms is defined or used in the FCRA. If Sterling Processes Client PI relating to Data Subjects who are California consumers (as defined in the CCPA) outside the context of this exemption (“**Non-FCRA Client PI**”), then the parties acknowledge that Sterling acts as a service provider for the purposes of the CCPA.<sup>8</sup>

- 3.4. Except as otherwise stated in this DPA or required by Applicable Law, Sterling shall: (a) notify Client of all Third-Party Requests without undue delay; (b) provide information and assistance to Client as Client reasonably requests to allow Client to respond to Third-Party Requests; and (c) not respond directly to Third-Party Requests except as directed by Client or required by Applicable Law.

#### 4. Processing

- 4.1. This DPA applies to all Client PI that Sterling Processes. The types of Client PI that Sterling Processes that are subject to European Law, if applicable, are listed in Annex 2.<sup>9</sup>
- 4.2. The nature, purpose and subject matter of the Processing of Client PI are as documented in the Agreement.
- 4.3. The Data Subjects are Client’s prospective or current employees, volunteers, tenants, students, members, directors, registrants, contractual partners or others as documented in the Agreement or a credentialing application completed by Client.
- 4.4. The duration of the Processing is the duration of the Agreement and thereafter according to any further documented agreement between the parties.
- 4.5. Client acknowledges that the nature of the Services may require disclosure of Client PI to, and collection of Client PI from, third parties that are not Subprocessors, including without limitation Authorities or the Data Subject’s current and past employers or educational institutions. Client’s request for Services will be deemed to be Client’s instruction to Sterling to disclose Client PI to, and collect Client PI from, third parties that are not Subprocessors as necessary to perform those Services.<sup>10</sup>
- 4.6. Sterling shall not Process Client PI except as necessary to: (a) provide the Services as documented in the Agreement; (b) comply with Client’s otherwise documented instructions, subject to the terms of the Agreement; or (c) comply with Applicable Law, provided Sterling has notified Client in advance of that Processing unless that notification is prohibited by Applicable Law.
- 4.7. Notwithstanding anything to the contrary in this DPA or the Agreement, if Sterling Processes Non-FCRA Client PI, then Sterling shall neither: (a) sell non-FCRA Client PI to any party other than Client; nor (b) retain, use or disclose Non-FCRA Client PI for any purpose other than for the specific purpose of performing the Services, or as otherwise permitted by the CCPA, including retaining, using or disclosing the Non-FCRA Client PI for a commercial purpose other than providing the Services.<sup>11</sup>

#### 5. Subprocessing

- 5.1. Client hereby authorizes Sterling to use Subprocessors,<sup>12</sup> provided that: (a) Sterling shall maintain a complete and up-to-date list of Subprocessors at [www.sterlingcheck.com/subprocessors](http://www.sterlingcheck.com/subprocessors)<sup>13</sup> or another location as communicated by Sterling to Client from time to time; (b) Sterling shall sign a written agreement with each Subprocessor that imposes obligations on that Subprocessor that are no less stringent than those required of Sterling under Applicable Law, this DPA and Sterling’s BCRs; and (c) Sterling will not be relieved of any of its

---

<sup>8</sup> This exemption applies to all of Sterling’s background screening services. The relevant provision of the CCPA can be found at subdivision 1798.145(d).

<sup>9</sup> The list at Annex 2 is intended to be exhaustive but can be amended as needed to reflect the intended use of our services.

<sup>10</sup> This is a factual statement of the nature of Sterling’s services. Sterling acts as an intermediary between our client and third parties with which we have no relationship, but which have relationships with or otherwise may hold information about specific data subjects.

<sup>11</sup> This text comes directly from the CCPA and ensures that this contract is a valid “service provider” contract as set out in that law.

<sup>12</sup> Due to the large number of Subprocessors that Sterling uses, and the frequency with which they change, it is not possible to seek case-by-case approval for the use of Subprocessors.

<sup>13</sup> This site is password protected, but the password can be obtained at any time by emailing [privacy@sterlingcheck.com](mailto:privacy@sterlingcheck.com).

obligations under this DPA or its BCRs by engaging Subprocessors.

- 5.2. The following only apply when Sterling uses Subprocessors to Process Client PI that is subject to European Law: (a) if Client notifies Sterling of an objection to Processing by a Subprocessor, Sterling shall not permit further Processing of Client PI by that Subprocessor; (b) Client's objection to Processing by a Subprocessor will be deemed to be Client's waiver of Sterling's obligation to perform Services that Sterling would ordinarily perform using that Subprocessor;<sup>14</sup> (c) if Sterling adds or replaces a Subprocessor, Sterling shall notify Client (subject to Client's subscription to those notifications at the form co-located with the list of Subprocessors) of the addition or replacement at least 30 calendar days before the new Subprocessor begins Processing Client PI; and (d) notwithstanding the other provisions in this section, Sterling may add or replace a Subprocessor immediately upon notice to Client if it is necessary to ensure business continuity and recovery in case of emergency, except as prohibited by Applicable Law.

## 6. Cross-Border Data Transfers

- 6.1. Sterling and Client shall cooperate to ensure that appropriate notice to Data Subjects and safeguards or other legal mechanisms for cross-border data transfers are in place as required by Applicable Law.<sup>15</sup>
- 6.2. If Sterling Processes Client PI that is subject to European Law and transfers that Client PI to a Subprocessor outside the European Adequate Protection Area, then Sterling shall either: (a) ensure that BCRs apply to that transfer; or (b) sign SCCs with that Subprocessor for Client's benefit.<sup>16</sup>
- 6.3. If the nature of the Services require Sterling to transfer Client PI that is subject to European Law to a third party that is not a Subprocessor outside of the European Adequate Protection Area, then Sterling shall only transfer that Client PI upon Client's documented instruction. Client's request for Services that require such a transfer, for example to collect or verify information about a Data Subject's current or past residence, education or professional activities outside of the European Adequate Protection Area, will be deemed to be Client's documented instruction for that transfer. Unless Client determines that another mechanism or derogation under European Law applies, Sterling and Client shall cooperate to obtain the Data Subject's prior explicit and informed consent for transfers described in this section.<sup>17</sup>

## 7. Security Controls

- 7.1. Sterling shall implement, maintain and enforce Programs that contain appropriate administrative, technical and physical measures designed to protect the security, integrity, confidentiality and availability of Client PI and protect Client PI against a Data Incident, considering the likelihood and severity of a potential Data Incident. Sterling shall review and, if appropriate, update these measures periodically to comply with Applicable Law. Sterling shall regularly test these measures for effectiveness.
- 7.2. General information about the Programs at the Effective Date is in Annex 1. Sterling shall provide detailed

---

<sup>14</sup> In many instances, only one subprocessor can be used to conduct a service, especially when a local presence or specialized skill is required. For that reason, an objection to a subprocessor in many cases will render the services impossible to perform. As Sterling generally bills for services after they are rendered, the waiver of Sterling's obligation necessarily means that no payment obligation will arise.

<sup>15</sup> Where notice to a data subject is required for a cross-border transfer, Sterling cannot independently guarantee that this will be carried out, as we do not always have an interaction with the data subject. However, we will cooperate to achieve this by making sample notices available and providing necessary information to our client. Note that in many jurisdictions, including the United States, there are few or no formalities required for cross-border data transfers.

<sup>16</sup> Certain subprocessors (like Salesforce.com) have received regulatory approval for their own intra-group data transfer mechanism, known as BCRs. Sterling has also applied for BCR approval within its own corporate group. In all other cases where data is transferred to a subprocessor (either a Sterling affiliate or an unaffiliated third party) outside of a European jurisdiction and there is no applicable adequacy decision, Sterling will sign SCCs with that subprocessor.

<sup>17</sup> Sterling's services involve interactions with third parties with which we have no relationship, as they are associated with the data subject, not with Sterling. In such cases, there is no reasonable way to ensure there are safeguards for cross-border data transfers as set out in European data protection laws. This is usually the case when an applicant for work in Europe has past residence, work or education history outside of Europe. In these cases, our clients generally rely on the consent of the data subject for the transfer.

documentation of the Programs to Client on request and shall not materially degrade the level of protection set out in the Programs.

## 8. Data Incidents

- 8.1. Sterling shall implement and maintain a Data Incident response protocol and provide documentation of that protocol to Client on request.
- 8.2. In the event of a Data Incident, Sterling shall notify Client without undue delay, and in any event within a timeline that permits Client to comply with its legal obligations,<sup>18</sup> and take all reasonable steps to investigate and resolve the Data Incident and provide a comprehensive report to Client on that investigation and resolution.
- 8.3. If Applicable Law requires notification of a Data Incident to Authorities or Data Subjects, or provision of any remediation services including without limitation credit or identity monitoring, then Sterling shall, where permitted by Applicable Law, carry out that notification or provide those services if either of the following is true: (a) Client instructs Sterling to do so; or (b) Sterling notifies Client that it intends to do so, gives Client a reasonable opportunity to object, and Client does not object.<sup>19</sup>
- 8.4. Sterling shall bear the costs of investigation, notification and remediation services that Sterling carries out, procures or provides, except to the extent that the Data Incident is caused or aggravated by Client's act or omission.

## 9. Data Retention and Destruction

- 9.1. Client hereby instructs Sterling to retain Client PI as necessary to comply with its Retention Obligations. Sterling shall provide details of its Retention Obligations to Client on request.<sup>20</sup>
- 9.2. Once Retention Obligations are met, subject to the delay required to comply with section 9.4, Sterling shall delete Client PI upon the earlier of either: (a) Client's instruction; or (b) termination or expiration of the Agreement. On Client's request, Sterling shall certify in writing to Client that it has deleted Client PI.
- 9.3. Notwithstanding anything to the contrary in this DPA or the Agreement, the parties agree that Sterling does not intend, and makes no guarantee, to retain Client PI for more than seven years after the date Sterling received it. Client hereby authorizes Sterling to delete Client PI after that time has passed.<sup>21</sup>
- 9.4. Upon termination or expiration of the Agreement or before Sterling deletes Client PI, whichever is earlier, Sterling shall, either: (a) give Client a reasonable opportunity to retrieve Client PI from Sterling's systems; or (b) provide Client PI to Client in a machine-readable format, subject to additional charge at Sterling's discretion if permitted by law.

## 10. Audit and Inspection

- 10.1. On Client's request, Sterling shall make available to Client all information reasonably necessary to demonstrate Sterling's compliance with this DPA, the Programs and Applicable Law.
- 10.2. Client or another party of Client's choosing may conduct an audit of Sterling's compliance with this DPA, the Programs and Applicable Law, provided that: (a) Client shall not request more than one audit per calendar year, except as otherwise stated in this DPA; (b) Client shall give Sterling reasonable notice of an

---

<sup>18</sup> While we understand that some of our clients prefer to put in place a specific timeline for incident notification, in reality it is impossible to guarantee we will meet such a timeline due to the number of clients we have and the complexity of our business. For that reason, we can only commit to notification without undue delay (the standard set by the GDPR) and in any event we guarantee that any delay in notification on our side will not interfere with our client's ability to comply with the law.

<sup>19</sup> As a large-scale incident is likely to affect more than one of Sterling's clients, Sterling must be able to conduct a centralized incident response and notification effort. However, we engage our client before notifying individuals.

<sup>20</sup> Retention obligations are dependent on services ordered and can change; for that reason, they are not listed here. They generally exist in North America only and do not exceed six years.

<sup>21</sup> Sterling does not offer long-term data storage services. For that reason, we cap data retention at seven years.

audit, shall ensure that the audit is conducted at a mutually agreeable time, and shall ensure that the audit does not unreasonably interfere with Sterling's operations; and (c) access to Sterling's facilities and confidential information will be subject to Sterling's policies and reasonable confidentiality provisions.

- 10.3. If, during an audit, Client discovers non-compliance with this DPA, the Programs or Applicable Law, Client and Sterling shall work in good faith to agree on a remediation plan, which Sterling shall carry out.
- 10.4. Subject to the requirements and limitations in 10.2(b) and 10.2(c), Client may conduct: (a) one additional audit in each calendar year in response to each Data Incident; and (b) additional audits as may be reasonably necessary to comply with Applicable Law or the order of an Authority.
- 10.5. Each party shall bear its own expenses in conducting or participating in an audit.

## 11. Data Subjects' Rights

- 11.1. Client shall provide a notice or disclosure to, and, if necessary, collect consent or authorization from Data Subjects for the transfer of Client PI to Sterling and the Processing of Client PI by Sterling as required by Applicable Law.<sup>22</sup> Sterling may make available to Client its systems or sample text for these purposes. Client acknowledges that its use of Sterling's systems or sample text does not relieve Client of its responsibility for compliance with notice, disclosure, authorization and consent provisions in Applicable Law.
- 11.2. Sterling shall respond to Data Subjects who communicate with Sterling directly or are referred to Sterling by Client to: (a) inquire about PI in Sterling's custody; (b) inquire about Sterling's Processing of PI; or (c) exercise the Data Subject's rights to access or rectify PI in Sterling's custody. Sterling shall respond to these communications in accordance with Applicable Law. Sterling shall inform Client of the existence, content, and handling of these communications on Client's request.

## 12. GDPR Liability<sup>23</sup>

- 12.1. Notwithstanding any limitation of liability provisions in the Agreement,<sup>24</sup> each party shall indemnify the other party against a GDPR Compensation Claim in accordance with the indemnifying party's part of responsibility for the damage giving rise to the GDPR Compensation Claim,<sup>25</sup> subject to the following: (a) the party seeking indemnification must notify the indemnifying party without undue delay upon becoming aware that a GDPR Compensation Claim has been or may be made; (b) the party seeking indemnification must take all reasonable measures to minimize the risk, and amount, of a GDPR Compensation Claim; and (c) the party seeking indemnification must reasonably cooperate with the indemnifying party to defend against or otherwise respond to the GDPR Compensation Claim in a mutually acceptable way.
- 12.2. If either party is held liable, individually or jointly with a third party, for a GDPR Fine, then that party shall ensure that fine is paid and shall not seek, and will not be entitled to recover, indemnity from the other party, notwithstanding any provision to the contrary in the Agreement or this DPA.<sup>26</sup>

---

<sup>22</sup> While Sterling can assist in some cases with the administrative service of providing notice or collecting consent, use of those administrative services is optional and the legal obligation to provide notice and collect consent remains with our client.

<sup>23</sup> Liability in case of data incident expenses is covered at section 8.4. Liability under articles 82 and 83 of the GDPR is unique, and is treated so here. All other liability related to privacy or data protection is covered under the Agreement.

<sup>24</sup> European regulators recommend against any contractual provision which would have the effect of limiting liability towards a data subject.

<sup>25</sup> Article 82 of the GDPR states that multiple parties involved in data processing may be held jointly and severally liable to the data subject, regardless of fault; it is then incumbent on the parties to work out responsibility among themselves.

<sup>26</sup> Fines under Article 83 of the GDPR can only be issued against a party based on its own infringement of the law. Sterling cannot assume responsibility for its client's infringement of the law, nor do we ask for our clients to assume responsibility for ours.

any information Sterling furnished, and to get an additional free report from Sterling if the person asks for it within 60 days.

- 1.7. **Continuing Certification.** End User certifies that each and every time it requests a Screening Report regardless of ordering mechanism, it is at the time that the order is placed reaffirming its certifications herein, including without limitation, Section 1.4 above.
- 1.8. **Required Certification Updates.** If Sterling determines, in Sterling's sole discretion, that regulatory or industry changes require updates to the Employer Certification in this Section 1, Sterling retains the right to request and require additional documentation and certifications from End User. End User understands that any failure to cooperate with reasonable requests for such documentation and certifications may constitute grounds for immediate suspension of the Services and termination of the Agreement.

## 2. State Certifications.

- 2.1. **California Certification.** End User hereby certifies that, under the Investigative Consumer Reporting Agencies Act ("ICRAA"), California Civil Code Sections 1786 et seq., and the Consumer Credit Reporting Agencies Act ("CCRAA"), California Civil Code Sections 1785.1 et seq., to the extent End User is located in the State of California, and/or End User's request for and/or use of Screening Reports pertains to a California resident or worker, End User will do the following:
  - 2.1.1. Request and use Screening Reports solely for permissible purpose(s) identified under California Civil Code Sections 1785.11 and 1786.12.
  - 2.1.2. Pursuant to the ICRAA (Cal. Civ. Code § 1786.16(a)(2)(B)), when, at any time, a Screening Report is sought for employment purposes other than suspicion of wrongdoing or misconduct by the consumer who is the subject of the investigation, provide a clear and conspicuous disclosure in writing to the consumer, which solely discloses: (i) that an investigative Screening Report may be obtained; (ii) the permissible purpose of the investigative Screening Report; (iii) that information on the consumer's character, general reputation, personal characteristics and mode of living may be disclosed; (iv) the name, address, and telephone number of Sterling; and (v) the nature and scope of the investigation requested, including a summary of the provisions of California Civil Code Section 1786.22.
  - 2.1.3. Pursuant to the ICRAA (Cal. Civ. Code § 1786.16(a)(2)(C)), when, at any time, a Screening Report is sought for employment purposes other than suspicion of wrongdoing or misconduct by the consumer who is the subject of the investigation, only request a Screening Report if the applicable consumer has authorized in writing the procurement of the Screening Report.
  - 2.1.4. Pursuant to the ICRAA (Cal. Civ. Code § 1786.16(b)(1)), provide the consumer a means by which he/she may indicate on a written form, by means of a box to check, that the consumer wishes to receive a copy of any Screening Report that is prepared.
  - 2.1.5. Pursuant to the ICRAA (Cal. Civ. Code § 1786.16(b)(1)), if the consumer wishes to receive a copy of the Screening Report, send (or contract with another entity to send) a copy of the Screening Report to the consumer within three business days of the date that the Screening Report is provided to End User. The copy of the Screening Report shall contain the name, address, and telephone number of the person who issued the report and how to contact him/her.
  - 2.1.6. Pursuant to the ICRAA (Cal. Civ. Code § 1786.16(b)(2)), under all applicable circumstances, comply with California Civil Code Sections 1785.20 and 1786.40 if the taking of adverse action is a consideration, which shall include, but may not be limited to, advising the consumer against whom an adverse action has been taken that the adverse action was based in whole or in part upon information contained in the Screening Report, informing the consumer in writing of Sterling's name, address, and telephone number, and provide the consumer with a written notice of his/her rights under the ICRAA and the CCRAA.
- 2.2. **Vermont Certification.** In addition to the *Notice to Users*, if End User is a user of Vermont Screening Reports, End User certifies that it will comply with the applicable provisions of Vermont law, including, without limitation, Section 2480e of the Vermont Fair Credit Reporting Statute. End User further certifies that it has received a copy of Section 2480e of the Vermont Fair Credit Reporting Statute, attached hereto as Exhibit A-3.

End User further agrees that:

- 3.1. It will use each Screening Report only for a one-time use.

End User also confirms that it will not use Social Security Number trace information or the Death Master File search, in any way that would violate the privacy obligations or any other terms and provisions of the Gramm–Leach–Bliley Act (15 U.S.C 6801 et seq.) or the Federal Drivers Privacy Protection Act (18.U.S.C. Section 2721 et seq.) or any other similar U.S. state or local statute, rule or regulation.

  - 4.2.3. Certifies that no MVRs shall be ordered without first obtaining the written consent of the data subject to obtain "driving records," evidence of which shall be transmitted to Sterling in the form of the data subject's signed release authorization form. ## EXHIBIT A-1

All users of consumer reports must comply with all applicable regulations. Information about applicable regulations currently in effect can be found at the Consumer Financial Protection Bureau's website, [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore). This Exhibit A-1 is a NOTICE under the FCRA, but does not function to add any terms to the Contract between the parties.

**NOTICE TO USERS OF CONSUMER REPORTS:  
OBLIGATIONS OF USERS UNDER THE FCRA**

The Fair Credit Reporting Act (FCRA), 15 U.S.C. §1681-1681y, requires that this notice be provided to inform users of consumer reports of their legal obligations. State law may impose additional requirements. The text of the FCRA is set forth in full at the Consumer Financial Protection Bureau's (CFPB) website at [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore). At the end of this document is a list of United States Code citations for the FCRA. Other information about user duties is also available at CFPB's website. **Users must consult the relevant provisions of the FCRA for details about their obligations under the FCRA.**

The first section of this summary sets forth the responsibilities imposed by the FCRA on all users of consumer reports. The subsequent sections discuss the duties of users of reports that contain specific types of information, or that are used for certain purposes, and the legal consequences of violations. If you are a furnisher of information to a consumer reporting agency (CRA), you have additional obligations and will receive a separate notice from the CRA describing your duties as a furnisher.

## **I. OBLIGATIONS OF ALL USERS OF CONSUMER REPORTS**

### **A. Users Must Have a Permissible Purpose**

Congress has limited the use of consumer reports to protect consumers' privacy. All users must have a permissible purpose under the FCRA to obtain a consumer report. Section 604 contains a list of the permissible purposes under the law. These are:

- As ordered by a court or a federal grand jury subpoena. [Section 604\(a\)\(1\)](#)
- As instructed by the consumer in writing. [Section 604\(a\)\(2\)](#)
- For the extension of credit as a result of an application from a consumer, or the review or collection of a consumer's account. [Section 604\(a\)\(3\)\(A\)](#)
- For employment purposes, including hiring and promotion decisions, where the consumer has given written permission. [Sections 604\(a\)\(3\)\(B\) and 604\(b\)](#)
- For the underwriting of insurance as a result of an application from a consumer. [Section 604\(a\)\(3\)\(C\)](#)
- When there is a legitimate business need, in connection with a business transaction that is initiated by the consumer. [Section 604\(a\)\(3\)\(F\)\(i\)](#)
- To review a consumer's account to determine whether the consumer continues to meet the terms of the account. [Section 604\(a\)\(3\)\(F\)\(ii\)](#)
- To determine a consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status. [Section 604\(a\)\(3\)\(D\)](#)
- For use by a potential investor or servicer, or current insurer, in a valuation or assessment of the credit or prepayment risks associated with an existing credit obligation. [Section 604\(a\)\(3\)\(E\)](#)
- For use by state and local officials in connection with the determination of child support payments, or modifications and enforcement thereof. [Sections 604\(a\)\(4\) and 604\(a\)\(5\)](#)

In addition, creditors and insurers may obtain certain consumer report information for the purpose of making "prescreened" unsolicited offers of credit or insurance. [Section 604\(c\)](#). The particular obligations of users of "prescreened" information are described in Section VII below.

### **B. Users Must Provide Certifications**

Section 604(f) prohibits any person from obtaining a consumer report from a consumer reporting agency (CRA) unless the person has certified to the CRA the permissible purpose(s) for which the report is being obtained and certifies that the report will not be used for any other purpose.

### **C. Users Must Notify Consumers When Adverse Actions Are Taken**

The term "adverse action" is defined very broadly by Section 603. "Adverse actions" include all business, credit, and employment actions affecting consumers that can be considered to have a negative impact as defined by Section 603(k) of the FCRA – such as denying or canceling credit or insurance, or denying employment or promotion. No adverse action occurs in a credit transaction where the creditor makes a counteroffer that is accepted by the consumer.

#### **1. Adverse Actions Based on Information Obtained From a CRA**

If a user takes any type of adverse action as defined by the FCRA that is based at least in part on information contained in a consumer report, Section 615(a) requires the user to notify the consumer. The notification may be done in writing, orally, or by electronic means. It must include the following:

- The name, address, and telephone number of the CRA (including a toll-free telephone number, if it is a nationwide CRA) that provided the report.
- A statement that the CRA did not make the adverse decision and is not able to explain why the decision was made.
- A statement setting forth the consumer's right to obtain a free disclosure of the consumer's file from the CRA if the consumer makes a request within 60 days.
- A statement setting forth the consumer's right to dispute directly with the CRA the accuracy or completeness of any information provided by the CRA.

#### **2. Adverse Actions Based on Information Obtained From Third Parties Who Are Not Consumer Reporting Agencies**

If a person denies (or increases the charge for) credit for personal, family, or household purposes based either wholly or partly upon information from a person other than a CRA, and the information is the type of consumer information covered by the FCRA, Section 615(b)(1) requires that the user clearly and accurately disclose to the consumer his or her right to be told the nature of the information that was relied upon if the consumer makes a written request within 60 days of notification. The user must provide the disclosure within a reasonable period of time following the consumer's written request.

### **3. Adverse Actions Based on Information Obtained From Affiliates**

If a person takes an adverse action involving insurance, employment, or a credit transaction initiated by the consumer, based on information of the type covered by the FCRA, and this information was obtained from an entity affiliated with the user of the information by common ownership or control, Section 615(b)(2) requires the user to notify the consumer of the adverse action. The notice must inform the consumer that he or she may obtain a disclosure of the nature of the information relied upon by making a written request within 60 days of receiving the adverse action notice. If the consumer makes such a request, the user must disclose the nature of the information not later than 30 days after receiving the request. If consumer report information is shared among affiliates and then used for an adverse action, the user must make an adverse action disclosure as set forth in I.C.1 above.

#### **D. Users Have Obligations When Fraud and Active Duty Military Alerts are in Files**

When a consumer has placed a fraud alert, including one relating to identify theft, or an active duty military alert with a nationwide consumer reporting agency as defined in Section 603(p) and resellers, Section 605A(h) imposes limitations on users of reports obtained from the consumer reporting agency in certain circumstances, including the establishment of a new credit plan and the issuance of additional credit cards. For initial fraud alerts and active duty alerts, the user must have reasonable policies and procedures in place to form a belief that the user knows the identity of the applicant or contact the consumer at a telephone number specified by the consumer; in the case of extended fraud alerts, the user must contact the consumer in accordance with the contact information provided in the consumer's alert.

#### **E. Users Have Obligations When Notified of an Address Discrepancy**

Section 605(h) requires nationwide CRAs, as defined in Section 603(p), to notify users that request reports when the address for a consumer provided by the user in requesting the report is substantially different from the addresses in the consumer's file. When this occurs, users must comply with regulations specifying the procedures to be followed. Federal regulations are available at [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).

#### **F. Users Have Obligations When Disposing of Records**

Section 628 requires that all users of consumer report information have in place procedures to properly dispose of records containing this information. Federal regulations have been issued that cover disposal.

## **II. CREDITORS MUST MAKE ADDITIONAL DISCLOSURES**

If a person uses a consumer report in connection with an application for, or a grant, extension, or provision of, credit to a consumer on material terms that are materially less favorable than the most favorable terms available to a substantial proportion of consumers from or through that person, based in whole or in part on a consumer report, the person must provide a risk-based pricing notice to the consumer in accordance with regulations prescribed by the CFPB.

Section 609(g) requires a disclosure by all persons that make or arrange loans secured by residential real property (one to four units) and that use credit scores. These persons must provide credit scores and other information about credit scores to applicants, including the disclosure set forth in Section 609(g)(1)(D) ("Notice to the Home Loan Applicant").

## **III. OBLIGATIONS OF USERS WHEN CONSUMER REPORTS ARE OBTAINED FOR EMPLOYMENT PURPOSES**

### **A. Employment Other Than in the Trucking Industry**

If the information from a CRA is used for employment purposes, the user has specific duties, which are set forth in Section 604(b) of the FCRA. The user must:

- Make a clear and conspicuous written disclosure to the consumer before the report is obtained, in a document that consists solely of the disclosure, that a consumer report may be obtained.
- Obtain from the consumer prior written authorization. Authorization to access reports during the term of employment may be obtained at the time of employment.
- Certify to the CRA that the above steps have been followed, that the information being obtained will not be used in violation of any federal or state equal opportunity law or regulation, and that, if any adverse action is to be taken based on the consumer report, a copy of the report and a summary of the consumer's rights will be provided to the consumer.
- **Before** taking an adverse action, the user must provide a copy of the report to the consumer as well as the summary of consumer's rights (The user should receive this summary from the CRA.) A Section 615(a) adverse action notice should be sent after the adverse action is taken.

An adverse action notice also is required in employment situations if credit information (other than transactions and experience data) obtained from an affiliate is used to deny employment. [Section 615\(b\)\(2\)](#).

The procedures for investigative consumer reports and employee misconduct investigations are set forth below.

### **B. Employment in the Trucking Industry**

Special rules apply for truck drivers where the only interaction between the consumer and the potential employer is by mail, telephone, or computer. In this case, the consumer may provide consent orally or electronically, and an adverse action may be made orally, in writing, or electronically. The consumer may obtain a copy of any report relied upon by the trucking company by contacting the company.

## **IV. OBLIGATIONS WHEN INVESTIGATIVE CONSUMER REPORTS ARE USED**

Investigative consumer reports are a special type of consumer report in which information about a consumer's character, general reputation, personal characteristics, and mode of living is obtained through personal interviews by an entity or person that is a consumer reporting agency. Consumers who are the subjects of such reports are given special rights under the FCRA. If a user intends to obtain an investigative consumer report, Section 606 requires the following:

- The user must disclose to the consumer that an investigative consumer report may be obtained. This must be done in a written disclosure that is mailed, or otherwise delivered, to the consumer at some time before or not later than three days after the date on which the report was first

requested. The disclosure must include a statement informing the consumer of his or her right to request additional disclosures of the nature and scope of the investigation as described below, and the summary of consumer rights required by Section 609 of the FCRA. (The summary of consumer rights will be provided by the CRA that conducts the investigation.)

- The user must certify to the CRA that the disclosures set forth above have been made and that the user will make the disclosure described below.
- Upon the written request of a consumer made within a reasonable period of time after the disclosures required above, the user must make a complete disclosure of the nature and scope of the investigation. This must be made in a written statement that is mailed or otherwise delivered, to the consumer no later than five days after the date on which the request was received from the consumer or the report was first requested, whichever is later in time.

## **V. SPECIAL PROCEDURES FOR EMPLOYEE INVESTIGATIONS**

Section 603(x) provides special procedures for investigations of suspected misconduct by an employee or for compliance with Federal, state or local laws and regulations or the rules of a self-regulatory organization, and compliance with written policies of the employer. These investigations are not treated as consumer reports so long as the employer or its agent complies with the procedures set forth in Section 603(x), and a summary describing the nature and scope of the inquiry is made to the employee if an adverse action is taken based on the investigation.

## **VI. OBLIGATIONS OF USERS OF MEDICAL INFORMATION**

Section 604(g) limits the use of medical information obtained from consumer reporting agencies (other than payment information that appears in a coded form that does not identify the medical provider). If the information is to be used for an insurance transaction, the consumer must give consent to the user of the report or the information must be coded. If the report is to be used for employment purposes – or in connection with a credit transaction (except as provided in federal regulations) – the consumer must provide specific written consent and the medical information must be relevant. Any user who receives medical information shall not disclose the information to any other person (except where necessary to carry out the purpose for which the information was disclosed, or a permitted by statute, regulation, or order).

## **VII. OBLIGATIONS OF USERS OF “PRESCREENED” LISTS**

The FCRA permits creditors and insurers to obtain limited consumer report information for use in connection with unsolicited offers of credit or insurance under certain circumstances. Sections 603(1), 604(c), 604(e), and 615(d). This practice is known as “prescreening” and typically involves obtaining from a CRA a list of consumers who meet certain preestablished criteria. If any person intends to use prescreened lists, that person must (1) before the offer is made, establish the criteria that will be relied upon to make the offer and grant credit or insurance, and (2) maintain such criteria on file for a three-year period beginning on the date on which the offer is made to each consumer. In addition, any user must provide with each written solicitation a clear and conspicuous statement that:

- Information contained in a consumer’s CRA file was used in connection with the transaction.
- The consumer received the offer because he or she satisfied the criteria for credit worthiness or insurability used to screen for the offer.
- Credit or insurance may not be extended if, after the consumer responds, it is determined that the consumer does not meet the criteria used for screening or any applicable criteria bearing on credit worthiness or insurability, or the consumer does not furnish required collateral.
- The consumer may prohibit the use of information in his or her file in connection with future prescreened offers of credit or insurance by contacting the notification system established by the CRA that provided the report. The statement must include the address and toll-free telephone number of the appropriate notification system.

In addition, the CFPB has established the format, type size, and manner of the disclosure required by Section 615(d), with which users must comply. The relevant regulation is 12 CFR 1022.54.

## **VIII. OBLIGATIONS OF RESELLERS**

### **A. Disclosure and Certification Requirements**

Section 607(e) requires any person who obtains a consumer report for resale to take the following steps:

- Disclose the identity of the end-user to the source CRA.
- Identify to the source CRA each permissible purpose for which the report will be furnished to the end-user.
- Establish and follow reasonable procedures to ensure that reports are resold only for permissible purposes, including procedures to obtain:
  - (1) the identify of all end-users;
  - (2) certifications from all users of each purpose for which reports will be used; and
  - (3) certifications that reports will not be used for any purpose other than the purpose(s) specified to the reseller. Resellers must make reasonable efforts to verify this information before selling the report.

### **B. Reinvestigations by Resellers**

Under Section 611(f), if a consumer disputes the accuracy or completeness of information in a report prepared by a reseller, the reseller must determine whether this is a result of an action or omission on its part and, if so, correct or delete the information. If not, the reseller must send the dispute to the source CRA for reinvestigation. When any CRA notifies the reseller of the results of an investigation, the reseller must immediately convey the information to the consumer.

### **C. Fraud Alerts and Resellers**

Section 605A(f) requires resellers who receive fraud alerts or active duty alerts from another consumer reporting agency to include these in their reports.

## **IX. LIABILITY FOR VIOLATIONS OF THE FCRA**

Failure to comply with the FCRA can result in state government or federal government enforcement actions, as well as private lawsuits. Sections 616, 617, and 621. In addition, any person who knowingly and willfully obtains a consumer report under false pretenses may face criminal prosecution. Section 619.

## EXHIBIT A-2

Para información en español, visite [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) o escriba a la Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

This Exhibit A-2 is a SUMMARY of rights under the FCRA, and does not function to add any terms to the Contract between the parties.

### A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under FCRA. **For more information, including information about additional rights, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a

valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.

- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- The following FCRA right applies with respect to nationwide consumer reporting agencies:

#### **CONSUMERS HAVE THE RIGHT TO OBTAIN A SECURITY FREEZE**

**You have a right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization.** The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).

**States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:**
