(b) Permittee shall be responsible for obtaining all necessary permits and shall pay all costs for installation and construction of items permitted herein.

Should the relocation or replacement of any drainage facilities for water and sewage of the City and County of Denver become necessary as determined by the City's Executive Director of DOTI ("Executive Director"), in the Executive Director's sole and absolute discretion, Permittee shall pay all cost and expense of the portion of the water and/or sewer facilities affected by the Encroachment(s). The failure to comply with any such provision shall be a proper basis for revocation of the Encroachment(s).

(n) The right to revoke the Permit at any time for any reason and require the removal of the Encroachment(s) is expressly reserved to the City.

(o) By Permittee's use of this Permit and the Encroachment Area, Permittee agrees to the following:

i. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Permittee or its subcontractors either passive or active, irrespective of fault, including City's negligence whether active or passive.

ii. Permittee's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether claimant has filed suit on the Claim. Permittee's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

iii. Permittee will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

iv. Insurance coverage requirements specified in this Encroachment Permit shall in no way lessen or limit the liability of Permittee under the terms of this indemnification obligation. Permittee shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

v. This defense and indemnification obligation shall survive the expiration or termination of this Permit.

(p) Pursuant to Chapter 49 of the DRMC, DOTI is authorized to remove or to order the removal of any article, vehicle, object or thing whatsoever encroaching into any street, alley, Sidewalk, or other public way or place.

(q) No third party, person or agency, except for an authorized Special District, may place the Encroachment(s) in front of a property without written permission of the adjacent property owner.

(r) Permittee's use of the ROW for placement of the Encroachment(s) does not create a property right or ownership interest of any kind in the Encroachment Area to the Permittee.
