**a. Scope of Work**

Extending the current Comcast franchise agreement for a three month period, through September 30, 2013 with three one-month extensions with the approval of the Mayor. This will allow sufficient time for the new franchise to go through the City Council ordinance process. The current franchise is set to expire June 30, 2013 and there is not sufficient time to complete the contract approval process.

Yes, because a similar extension occurred in December 2012 and City Council approved that ordinance without concern. Finance Committee Chair Jeanne Faatz has indicated she would prefer this to be on Consent Agenda. The only thing changing in the contract is the term.
