POSTING IS REQUIRED

Classification Notice No. 1390

To: Agency Heads and Employees
From: Nita Henry, Executive Director
Date: August 15, 2013
Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by changing the pay for the Professional Occupations Intern II at pay grade 407-J from \$15.35 to \$15.53.

In April 2013, the Career Service Board approved the 2013 Pay Survey Recommendations. Included in those recommendations, were pay rate changes for the Professional Occupations Intern II. Since the approval, it has been noted that the incorrect pay rate was used in the posting. The recommendations should have made no change to their pay rate. This posting is to return the pay rate of the Professional Occupations Intern II to the rate in effect prior to the 2013 Pay Survey.

Synopsis:

In April 2013, the Career Service Board approved the 2013 Pay Survey Recommendations. Included in those recommendations, were pay rate changes for the Professional Occupations Intern II. Since the approval, it has been noted that the incorrect pay rate was used in the posting. The recommendations should have made no change to their pay rate. This posting is to return the pay rate of the Professional Occupations Intern II to the rate in effect prior to the 2013 Pay Survey.

Pay Rationale:

All Intern pay rates are set using internal equity to existing classifications. The pay for the Professional Occupations Intern II is set based a percentage of the range minimum of the Staff Human Resources Professional, 615-A. This is a single hourly rate classification. The change is to increase the pay rate to the pay rate in effect prior to the 2013 Pay Survey recommendations, at \$15.53 per hour. This is a, \$0.18 per hour increase to the hourly rate.

Employee Impact:

This will affect 16 employees.

Budget Impact:

Since this class is used on call with specific intern program criteria, it is difficult to budget, however, this has an \$0.18 per hour increase. If all 16 incumbents worked 20 hours annually, that would amount to \$187.20 per year.

Organizational Data:

Impacted employees are across the City, specifically at the Department of Environmental Health, Department of Human Services, Denver International Airport, and Department of Safety.

Effective Date Rule:

It is requested that to make this change retroactive to the effective date of the 2013 Pay Survey, July 1, 2013.
