- OED has been targeting property in Globeville/Washington Street for 3 years (JumpStart 2016/2017, Housing An Inclusive Denver (Section 5, Rec #2)
  - Priority due to involuntary displacement (or limited opportunities)
    - Resident housing choices,
    - Neighborhood retail and small business, and
    - Adv/Craft manufacturing and product development
- Similar to OED's 2017 catalytic purchase of 8315 and 7900 East Colfax
- Requirements: Reasonable price and property size, transit access, proximity to jobs, access to parks, river, and schools, and frontage.
  - Near NWC redevelopment (leverage city and state/CSU \$1B investment in NWC, creating new business opportunities)
  - North of Brighton Blvd, future redevelopment site

# Catalytic Site

- **Required Uses: Affordable Housing (CDBG funds require 50% of housing be affordable) and mixed-use development (retail and flex space) (CDBG requirement of job creation (51% of funded job requirement must be low/mod individuals))**
- **Estimated scale of development (200,000 sqft plus)**
  - **50,000 sqft of commercial space (primary jobs in flex space and neighborhood servicing retail/commercial space)**
  - **200 units of housing, with an estimated 100 affordable**
    - **Focus on 2-3 bedroom units at this site.**
    - **Housing will likely rental, but OED continues to push for affordable/workforce for-sale.**
- **Site can be competitive for 4% or 9% LIHTC, due to need in area (limited proximity - nearest developments are: 48/Race (Elyria/Swansea), Odyssey Housing (women homeless), and Habitat (Globeville and Clayton)).**

# Developer RFP

- OED will follow a similar approach as 8315 E Colfax (open and competitive, *highest value*) to obtain a qualified, for-profit or non-profit, partner(s) to develop a successful affordable housing/mixed use project (may be 1 or more bldgs.)
- Timing for the RFP will be in 2019 (likely summer), with anticipated construction in late 2020.
- OED may either subsidize the final land acquisition price or provide subsidy/financing support for the housing unit development and/or commercial space/businesses.
- Selection process (through the RFP) will include:
  - Experience and success developing affordable housing and mixed-use developments
  - Demonstrate success leveraging public finance and/or working with public sector partners
  - Experience in developing in a community inclusive manner and building environmentally sustainable projects
