

**CONTRACT SERVICES AGREEMENT**  
**“On-Call Services”**

**THIS CONTRACT SERVICES AGREEMENT (“Agreement”)** is made and entered, effective as of the date set forth on the City’s signature page below (**“Effective Date”**), by and between the **CITY AND COUNTY OF DENVER**, a Colorado municipal corporation (the **“City”**) and **MARKIT! FORESTRY MANAGEMENT LLC**, a Colorado limited liability company, with an address of 2424 Garden of the Gods Road, Suite 290, Colorado Springs, CO 80919 (the **“Contractor”**), both of which parties may be individually referred to in this Agreement as a **“Party”** or jointly referred to as the **“Parties”**.

In consideration of the mutual agreements contained in this Agreement, and subject to the terms and conditions stated in this Agreement, the Parties agree as follows:

**1. WORK TO BE PERFORMED:**

**A. Services:** The Contractor shall furnish all labor, tools, supplies, equipment, materials and everything necessary for and required to do, perform and complete all of the work described in the **Scope of Work**, attached hereto as **Exhibit A** (the **“Work”**). Contractor shall perform Work in a highly skilled manner consistent with the performance standards and technical requirements set forth in **Exhibit A**. The Contractor shall commence in the time specified following the issuance by the City of a Work Order/Task Order for a Project. The Contractor shall complete the Project within the time period specified in the Work Order/Task Order for the Project. The Contractor shall diligently prosecute the Work to completion using its best efforts, highly skilled work effort and attention. The Contractor shall be solely responsible for all means, methods and techniques of performance, protection of property and safety. The Contractor shall be responsible to the City for the acts and omissions of the Contractor’s employees and any other persons performing any of the work or furnishing materials.

**B. Oversight:** The Contractor shall conduct the Work under the general direction of and in coordination with the Executive Director of the Department of Parks and Recreation or other designated representative (the **“Executive Director”**) and the Department employee(s) assigned to manage the Work (the **“Department”**) and make every reasonable effort to fully coordinate the Work with any City agency or any person or firm under contract with the City doing work which affects the Contractor’s Work. The Contractor agrees to allow the City to review any of the procedures used by it in doing the Work under this Agreement and to make

available for inspection all notes and other documents used in performing the Work.

C. Non-exclusivity: The Contractor acknowledges and agrees that this Agreement does not create an exclusive right to perform all Work for which the City may contract. The City may enter agreements with other contractors to perform the same or similar services and reserves the right to select, at the discretion of the Executive Director, the contractor which is the most cost effective, best suited, or most readily able to perform a specific Work Project.

D. Work Order/Task Order Notice: As the Department determines the need and availability of funding for each Work Project, the City will issue a written Work Order/Task Order to the Contractor detailing the nature and extent of services to be provided, the location of the Work Project, and the timeframes within the Work Project is to be performed, with a projected amount to be paid to the Contractor (the “**Work Project Amount**”) based on the Work items described in the Scope of Work in **Exhibit A** and the **Rate Sheet** set forth in **Exhibit B**, which is attached to this Agreement and incorporated herein by reference. The Contractor acknowledges and affirms that the City may rely upon **Exhibit B** in the preparation of Work Order/Task Order as provided herein. **Exhibit C** attached to this Agreement and incorporated herein by reference substantially reflects the form of the **Work Order/Task Order** to be issued by the City. The Contractor shall, within forty-eight (48) hours and in good faith, confirm the scope of services detailed therein and the associated Work Project Amount, all of which must be in accordance with the terms and conditions of this Agreement, and respond back in writing to the Department as to the Contractor’s ability to initiate and complete the Work Project in the timeframes specified in the Work Order/Task Order. The Contractor assumes all responsibility and risks, including any additional work or additional costs, for failure to confirm the completeness and accuracy of the Work Order/Task Order and the Work Project Amount. Confirmation includes, but is not restricted to, inspections of the Work Project site and inquiries with the Department as to any directions or specifications in the Work Order/Task Order which are not clear. If the Contractor fails to contact the Department within forty-eight (48) hours following receipt of the issued Work Order/Task Order and or fails to state unequivocally that the Contractor is ready and willing to perform the Work Project/Task Order in the manner and timeframes indicated on the Work Order/Task Order, the Department reserves the right to immediately withdraw the issued Work Order/Task Order. Upon the Contractor confirming the Work Order/Task Order, with or without changes or corrections, the Department will notify the Contractor to proceed on the assigned Work Project and

acknowledge or deny any corrections or changes to the Work Order/Task Order Notice or Work Project Amount requested by the Contractor. The Contractor shall promptly proceed to perform the assigned Work Project unless the Contractor rejects the Work Order/Task Order in writing within forty-eight (48) hours of receiving the Department's notice to proceed.

**E. Work Order/Task Order Change:** If, after the Department notifies the Contractor to proceed to perform Work Order/Task Order additions, deletions or modifications to the Work described in the Work Order/Task Order Notice, along with any associated changes in the Work Project Amount, are required by the Department or are requested by the Contractor and approved in advance by the Department, a **Work Order/Task Order Change**, in substantially the form as set forth in **Exhibit D** attached to this Agreement and incorporated herein by reference, may be issued in accordance to the same standards and procedures prescribed for Work Orders/Task Orders. The Contractor shall promptly and thoroughly review and respond to the proposed changes, in accordance with the same standards and procedures prescribed for Work Orders/Task Orders and notify the Department that the Contractor is ready and willing to perform the Work Project in the manner and timeframes as modified by the amended Work Order/Task Order Change.

**F. Inspection; Deficiency; Invoice:** The Contractor shall promptly notify the Department, by submittal of a complete and accurate invoice, as to the completion of the specified Work Project authorized by a Work Order/Task Order or an amended Work Order/Task Order so that confirmation or approval of the Work may be made by the Department. If the Work performed is determined by the Department to be deficient or incomplete or that the invoice is not complete or accurate, the Contractor shall correct or complete the Work, at no additional cost to the City, within the timeframe specified in a Notice of Deficiency issued by the Department and promptly notify the Department upon correction or completion of the Work or complete and correct the invoice. Upon determining that the Work has been satisfactorily performed and the invoice is complete and accurate, the Department shall submit the invoice for payment as specified under Section 4 of this Agreement.

**G. Time is of the Essence:** Work Projects are often time sensitive. The Contractor acknowledges and affirms that it is imperative that the Contractor exercise due diligence and actively and expeditiously undertake all measures necessary: 1) in timely reviewing and assessing an issued Work Order/Task Order or amended Work Order/Task Order; 2) in

inspecting the Work Project site(s); 3) in evaluating the Contractor's ability to initiate and complete the Work Project in the manner and within the timeframe specified in the Work Order/Task Order or amended Work Order/Task Order; 4) in confirming the Work Project Amount specified in the Work Order/Task Order or any changes to the Work Project Amount under an amended Work Order/Task Order; 5) in responding to the Department of Parks and Recreation as required under this Agreement; 6) in initiating, making good progress, and completing the Work Project, all within the timeframes specified in the Work Order/Task Order or amended Work Order/Task Order; and 7) in promptly and fully correcting or completing any Work noted in a Notice of Deficiency. Failure or refusal by the Contractor to confirm a Work Order/Task Order or amended Work Order/Task Order or to initiate, make good progress, or complete Work after receiving a notice to proceed from the Department within the timeframes specified in the Work Order/Task Order or the amended Work Order/Task Order may result, at the discretion of the Executive Director and with very short notice, in the withdrawal of the Work Order/Task Order or amended Work Order/Task Order. Flagrant or persistent problems with the Contractor performing obligations as specified herein may result in termination of this Agreement as provided in sub-section 5.B. below or, for failure to perform or substantially perform an issued Work Order/Task Order or amended Work Order/Task Order within specified timeframes or in accordance with the Work Order/Task Order or the amended Work Order/Task Order, in the pursuit of remedies under sub-section 5.D below. Except as approved by the Executive Director in advance and in writing, the Contractor shall not subcontract with another contractor to perform the Work or assign an issued Work Order/Task Order or amended Work Order/Task Order to another contractor.

**2. METHODS OF WORK:**

**A. Resources, Personnel, and Time Commitment:** The Work shall be promptly commenced and actively prosecuted with the optimum complement of workers and equipment in order to complete the Work in an effective and expeditious manner. This means that, barring unusual and exceptional circumstances, the Contractor shall proceed to do the Work Project during the time period specified in the Work Order/Task Order. The Contractor shall furnish all labor, tools, supplies, equipment, materials and everything necessary for and required to perform and complete the Work. The Work shall be undertaken by workers skilled, proficient, and experienced as required by this Agreement and shall be performed in an orderly and responsible manner in

accordance with recognized standards contained in this Agreement or provided to the Contractor by the City. If the Department reasonably believes that the Work is not proceeding satisfactorily or timely because the Contractor has not utilized an adequate number of qualified and skilled personnel or workers or provided sufficient tools, supplies, equipment, or materials, then the Department may require the Contractor, at no additional cost to the City, to utilize additional qualified and skilled personnel or workers or provide additional tools, supplies, equipment, or materials to perform the Work in a manner reasonably acceptable to the Department.

**B. Permits and Licenses:** Any Work specified under this Agreement which requires the employment of licensed or registered personnel shall be performed by licensed or registered personnel. To the extent that any permit or license is required by a City department or other governmental entity for any work on public property, said permit or license shall be obtained and paid for by the Contractor in advance of performing the Work and shall be complied with in the performance of the Work. The Contractor shall obtain and maintain, at its own expense, all other permits or licenses, including any prescribed governmental authorizations or approvals, required for the performance of the Work. The Contractor shall demonstrate, if requested, what actions the Contractor has taken to comply with the required permits, licenses, authorizations or approvals.

**C. Work Site Conditions:** Work sites and nearby locations shall be kept clean and neat. Equipment, vehicles, and materials no longer needed at the site shall be promptly removed from the site, and any such items lawfully stored for use on the site shall be so placed and secured as to protect the public health and safety. Any debris and other waste materials caused by the Contractor shall be regularly removed and properly disposed of. Disposal in solid waste containers provided by the City is prohibited unless written authorization is obtained.

**D. Damage to Property:** The Contractor shall assume full responsibility and expense for damage to public and private property by or as a result of its Work, including but not limited to structures, street improvements, pathways, irrigation systems, landscaping, water lines, sewers, and other utilities, both above and below ground, or caused as a result of the transportation or utilization of workers, equipment, or materials in connection with the Work. The Contractor shall provide, in a timely manner and in advance, written notice to: 1) the City department having charge of any property, right of way, or utility affected by the Work; 2) any utility having charge of any utility affected by the Work; and 3) any private property owner whose property or

improvements will be affected by the Work, and shall make all necessary arrangements with such City department, utility, or private property owner for the removal and replacement or the protection of such property. The Contractor shall arrange and obtain any utility locations required by law or necessary to protect utilities or underground facilities on public or private property and shall be liable for any failure to obtain or comply with such utility locations. If the Contractor or its employees, agents, or subcontractors destroy or damage any property, public or private, the Contractor shall promptly repair or replace such property, to the reasonable satisfaction of the Department, before the City will accept or pay for the Work performed. If the Contractor fails to make such repairs or replacement, the Executive Director may, at the Executive Director's discretion, undertake such repair or replacement and deduct the cost of the same from amounts payable to the Contractor under this Agreement.

**E. Safety:** The Contractor is responsible for the health and safety of every person on or at the Work site and shall take all necessary and appropriate precautions and actions to protect such persons from injury, death or loss. The Contractor shall be responsible for being fully familiar with and complying with all applicable City, state or federal laws, ordinances, rules and regulations, requirements and guidelines, including the Occupational Safety and Health Act and any regulations or directives adopted thereunder ("**Safety Laws**"). The Contractor shall promptly notify the City in writing of any violations of said Safety Laws, along with copies of any injury reports, and any citations, orders, or warnings issued by governmental agencies in the enforcement of said Safety Laws. The Contractor shall provide and properly locate all necessary protective devices and safety precautions, including warning signs, barricades, or other devices or precautions as required by Safety Laws or the City. For all operations requiring the placement and movement of equipment or materials, the Contractor shall observe and exercise, and shall direct its employees or agents to observe and exercise, all appropriate and prudent caution so as to avoid injury to persons or damage to property and to minimize annoyance to or undue interference with the movement of the public and the performance of City functions. All ladders, scaffolding, or other devices used to reach objects not otherwise accessible, shall be of sound construction, firm and stable and shall be maintained in good, operable condition. All such equipment shall be moved, placed, shifted, and removed from work areas in such a manner as to provide maximum safety to persons and property and cause the least possible interference with the normal usage of such areas by the public and City personnel.

**F. Prohibition on Use of CCA-Treated Wood Products:** The use of any wood products pressure-treated with chromated copper arsenate (**CCA**) is prohibited. Examples of CCA-treated wood products include wood used in play structures, decks, picnic tables, landscaping timbers, fencing, patios, walkways and boardwalks.

**G. Environmental Sustainability:** The Contractor shall demonstrate commitment to and experience in environmental sustainability and public health protection practices applicable to its line of services including, but not limited to, construction waste recycling and energy efficiency. Contractor shall work to reduce landfill waste by recycling and/or salvaging recyclable materials. Where applicable, vendor shall procure and install fixtures and equipment that reduce energy use.

**3. TERM:** The term of the Agreement shall commence on the Effective Date and shall terminate three (3) years thereafter, unless terminated earlier as provided in this Agreement or unless extended as provided in this section (“**Term**”). If the time needed to complete any Work Order/Task Order or amended Work Order/Task Order extends beyond the Term specified above, this Agreement shall remain in full force and effect but only as to such Work Order/Task Order or amended Work Order/Task Order; however, the total amount paid to the Contractor shall not exceed the Maximum Contract Amount specified in sub-section 4.A below.

**4. COMPENSATION AND PAYMENT:**

**A. Maximum Contract Amount:** The Maximum Contract Amount to be paid by the City to the Contractor shall in no event exceed the sum of **ONE MILLION DOLLARS AND NO CENTS (\$1,000,000.00)**, unless this Agreement is modified to increase said amount by a duly authorized and written amendment to this Agreement executed by the Parties in the same manner as this Agreement. The Maximum Contract Amount stated herein is not intended, and shall not be construed, as a promise or guarantee to the Contractor that Work Orders/Task Orders or amended Work Orders/Task Orders with Work Project Amounts totaling or approximating the Maximum Contract Amount will be issued to the Contractor. Issued Work Orders/Task Orders and amended Work Orders/Task Orders shall not, individually or cumulatively, authorize the performance of Work for which the Work Project Amount(s) exceed the Maximum Contract Amount. It shall be the responsibility of the Contractor to verify that the total Work Project Amount(s) do not exceed the Maximum Contract Amount of this Agreement.

**B. Conditions of Payment:** Requests for payment, or progress payments, if

applicable or appropriate, must be submitted by the Contractor to the Department fully documenting and itemizing the Work rendered and all equipment, supplies, materials, labor, and other authorized and actually incurred costs, all in accordance with **Exhibit A** and **Exhibit B**. Submittal of an approved invoice by the Contractor, as specified in sub-section 1.F. above, shall be a condition precedent to any obligation for the City to make payment for Work performed by the Contractor. The request for payment shall affirmatively represent that: i) Work specified in the Work Order/Task Order or the amended Work Order/Task Order has been performed and completed or partially completed and any Deficiency Notice has been satisfied; ii) no claims, liens, or amounts owed to employees, suppliers, or materialmen are outstanding and all requirements and conditions of section 12 below have been fully complied with; iii) all rights, title and interests to the materials or improvements provided or installed as the result of this Work have transferred to the City; and iv) no interest or encumbrance of any kind associated with the Work will be asserted, has been acquired, or will be made by the Contractor or any other person or entity. If the request for payment does not contain these representations, the request for payment is hereby deemed to contain them. The request for payment must be approved by the Executive Director in writing in order to be eligible for compensation under this Agreement. Any payment may be reduced by any costs of any repair or replacement of property as specified in sub-section 2.D above or correction of Work performed by the City. In addition, the City may withhold from payment an amount sufficient to cover any claims, as prescribed by section 38-26-107, C.R.S.

**C. Subject to Appropriation; No Multiple Year Obligation:** It is understood and agreed that any payment obligation of the City hereunder, whether direct or contingent, shall extend only to funds appropriated by the Denver City Council for the purpose of this Agreement, encumbered for the purpose of the Agreement and paid into the Treasury of the City. The Contractor acknowledges that (i) the City does not by this Agreement, irrevocably pledge present cash reserves for payments in future fiscal years, and (ii) this Agreement is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

**D. Amendments:** The Contractor acknowledges that the City is not obligated to execute an amendment to this Agreement and that any work performed by Contractor beyond that specifically described or allowed under this Agreement or without a fully and properly executed amendment to this Agreement is performed at Contractor's risk and without authorization under this Agreement.

E. Prompt Payment: All invoicing and payments are subject to the City's Prompt Payment Ordinance, Denver Revised Municipal Code ("D.R.M.C.") §§ 20-107 through 20-118.

5. **TERMINATION AND REMEDIES:**

A. Termination for Convenience of the City: The Executive Director, upon giving twenty (20) calendar days written notice (unless a longer period is given), may terminate this Agreement, in whole or part, at the City's sole convenience. To the extent that the Contractor has initiated or completed Work on an issued Work Order/Task Order or amended Work Order/Task Order for which the Contractor has not yet been compensated in accordance with this Agreement, the Work required under the Work Order/Task Order or amended Work Order/Task Order shall be completed and such compensation for all such authorized Work shall be paid to the Contractor in accordance with this Agreement. The Contractor shall have no claim of any kind whatsoever against the City for any termination without cause, except for compensation as described herein.

B. Termination, With Cause, by the City: The occurrence of any one or more of the following shall constitute a breach of this Agreement ("**Breach**"), for which the Executive Director may, at the Executive Director's option, either terminate this Agreement or withdraw a Work Order/Task Order or an amended Work Order/Task Order, with cause, upon written notice to the Contractor:

1) The Contractor fails or refuses, within three (3) calendar days of being notified, to expeditiously and actively undertake or substantially or timely perform its responsibilities and obligations or fails or refuses to make adequate progress in performing its responsibilities and obligations under this Agreement or under any Work Order/Task Order or amended Work Order/Task Order issued under this Agreement, including the due diligence obligations set forth in section 1 of this Agreement or the Work methods under section 2 of this Agreement, provided that the failure or refusal to undertake, make good progress, or complete the Work is not due to matters beyond the Contractor's control such as weather disaster or persistent bad weather, floods, or other acts of God, civil unrest, acts of the public enemy, national calamity, a strike at a manufacturer or supplier for the Work Project, or widespread unavailability of necessary materials or supplies;

2) There is substantial evidence that it has been or will be impossible

for the Contractor to perform the Work required due to matters within the Contractor's control such as voluntary bankruptcy, strikes, boycotts, and labor disputes involving the Contractor's employees or closure or suspension of operations by regulatory order of a governmental entity or an order of a court due to violations or infractions by the Contractor or the Contractor's employees;

3) The Contractor has persistently or flagrantly failed to perform the Work or failed to timely perform the Work or to comply with the specifications and requirements as set forth in this Agreement or in the Scope of Work in **Exhibit A** to this Agreement;

4) The Contractor has submitted requests for payment under section 4 of this Agreement that are fraudulent or persistently or flagrantly erroneous or misleading;

5) The Contractor has made an assignment or transfer of, or subcontracts, its responsibilities and obligations under this Agreement without obtaining the Executive Director's written consent or not in conformance with this Agreement;

6) The Contractor fails to obtain, renew, replace, or maintain the insurance coverage required by this Agreement or causes or is at fault for damage to property or injury to persons that is not covered or not adequately covered by insurance and the Contractor fails to remedy the situation to the satisfaction of the Executive Director;

7) The Contractor fails to obtain or properly and timely maintain any financial assurances required by this Agreement;

8) Any lien is filed against City property because of any act or omission of the Contractor and is not timely discharged, unless the Contractor furnishes to the City such bond or other financial assurance reasonably acceptable to the Executive Director to protect the interests of the City;

9) The Contractor has failed to obtain or maintain any required permit or license or has utilized personnel or workers not licensed or registered as required by law;

10) The Contractor has flagrantly or persistently failed or refused to comply with any applicable Safety Laws or fails or refuses to rectify any condition or situation in violation of applicable Safety Laws;

11) The Contractor has failed to deliver title or warranties or has failed to honor warranties as required by this Agreement;

12) The Contractor fails, within three (3) calendar days of being notified, to comply with, or fails to compel its subcontractors to comply with, the prevailing wage

requirements or other City ordinances applicable to the type and nature of Work being performed under this Agreement;

13) The Contractor has failed or has refused to obtain or maintain any environmental permit or approval or has failed or has refused to comply with Environmental Requirements, as specified in this Agreement or the Scope of Work; or

14) The Contractor or any of its officers or employees are convicted, plead nolo contendere, enter into a formal agreement in which they admit guilt, enter a plea of guilty, or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature, in connection with the Contractor's business.

C. Compensation: Upon termination of this Agreement or withdrawal of a Work Order/Task Order or amended Work Order/Task Order by the Department, with cause, under sub-section 5.B above, the Contractor shall be compensated for the Work that the Executive Director determines to have been satisfactorily completed, except that the City shall be entitled to keep any unpaid amount owing to the Contractor to the extent that said amount or some portion of said amount is needed to compensate the City for: 1) the costs of releasing any liens or covering any subcontractor or supplier claims related to the Contractor's Work; 2) the costs of paying a new contractor for those services necessary to complete or rectify the Contractor's Work; or 3) the costs to repair or replace any damaged or lost property caused by the Breach. The Contractor shall have no claim of any kind whatsoever against the City for any termination with cause, except for compensation for the Work satisfactorily performed as described herein.

D. Remedies: For any termination of this Agreement, with cause, the City shall have the right to any or all of the following remedies through the courts or other means of legal recourse available to the City: a) cancellation of the Agreement; b) actual damages or costs caused by the Breach of the Contractor; and c) recovery of costs incurred by the City as a result of the Breach of the Contractor, to the extent not covered in sub-section 5.B. above. In any legal action brought by the Contractor, the Contractor shall not be entitled to recover any more than the full amount, not previously paid, of any Work Order/Task Order or amended Work Order/Task Order performed in whole or part by the Contractor. The City and the Contractor understand and agree that the rights of specific performance and to incidental, consequential, or punitive damages have been hereby expressly waived and released by both Parties.

6. **RIGHTS AND REMEDIES NOT WAIVED:** In no event shall any action or inaction, including any payments to the Contractor, by the City constitute or be construed to be a waiver by the City of any breach of covenant or default which may then exist on the part of the Contractor, and the City's action or inaction when any such breach or default shall exist shall not impair or prejudice any right or remedy available to the City with respect to such breach or default. No assent, expressed or implied, to any breach or default shall be deemed or taken to be a waiver of any other breach or default.

7. **INDEPENDENT CONTRACTOR:** It is understood and agreed that the status of the Contractor shall be that of an independent contractor and an entity or person retained on a contractual basis to perform contracted services for limited periods of time, and it is not intended, nor shall it be construed, that the Contractor or the Contractor's employees, agents, or subcontractors are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code or for any purpose whatsoever. The Contractor is responsible for the operational management, errors and omissions of the Contractor's employees, agents, and subcontractors. Without limiting the foregoing, the Contractor understands and acknowledges that the Contractor and the Contractor's employees, agents and subcontractors: a) are not entitled to workers' compensation benefits through the City; b) are not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by the Contractor or some other entity besides the City; and c) are obligated to pay federal and state taxes on any monies earned pursuant to this Agreement. Furthermore, it is understood and agreed that nothing in this Agreement is intended, or shall be construed, to constitute a joint venture between the Parties.

8. **INSURANCE:**

A. **General Conditions:** The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City

contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

**B. Proof of Insurance:** The Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. Contractor certifies that the **Certificate of Insurance** attached as **Exhibit E**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

**C. Additional Insureds:** For Commercial General Liability, Auto Liability, Contractors Pollution Liability (if required) and Excess Liability/Umbrella (if required), Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured

**D. Waiver of Subrogation:** For all coverages required by this Agreement, with the exception of Professional Liability, Contractor's insurer shall waive subrogation rights against the City.

**E. Subcontractors and Subconsultants:** The Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain

coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided

**F.** Workers' Compensation/Employer's Liability Insurance: The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

**G.** Commercial General Liability: The Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate.

**H.** Business Automobile Liability: The Contractor shall maintain Business Automobile Liability, or its equivalent, with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement. If transporting wastes, hazardous material, or regulated substances, Contractor shall carry a pollution coverage endorsement and an MCS 90 endorsement on their policy. Transportation coverage under the Contractors Pollution Liability policy shall be an acceptable replacement for a pollution endorsement to the Business Automobile Liability policy.

**I.** Professional Liability (Errors & Omissions): Contractor shall maintain minimum limits of \$1,000,000 per claim and \$1,000,000 policy aggregate limit. The policy shall be kept in force, or a Tail policy placed, for three (3) years for all contracts except construction contracts for which the policy or Tail shall be kept in place for eight (8) years.

**J.** Contractor's Pollution Liability: Contractor shall maintain minimum limits of \$1,000,000 per occurrence and \$2,000,000 policy aggregate. Policy to include bodily injury; property damage including loss of use of damaged property; defense costs including costs and expenses incurred in the investigation, defense or settlement of claims; and clean up costs. Policy shall include a severability of interest or separation of insured provision (no insured vs. insured exclusion) and a provision that coverage is primary and non-contributory with any other coverage or self-insurance maintained by the City.

**K.** Additional Provisions:

(a) For claims-made coverage:

(i) The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier

(b) Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force

**9. DEFENSE AND INDEMNIFICATION:**

**A.** The Contractor hereby agrees to defend, indemnify, and hold harmless the City, its appointed and elected officials, agents and employees against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“**Claims**”), unless and until such Claims have been specifically determined by the trier of fact to be due to the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Contractor or its subcontractors or sub-consultants either passive or active, irrespective of fault, including the City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

**B.** The Contractor’s duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether an action has been filed in court on the Claim. The Contractor’s duty to defend and indemnify the City shall arise even if the City is the only party sued and/or it is alleged that the City’s negligence or willful misconduct was the sole cause of the alleged damages.

**C.** The Contractor will defend any and all Claims which may be brought or threatened against the City and will pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City shall be in addition to any other legal remedies available to City and shall not be considered the City’s exclusive remedy.

**D.** Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

**E.** This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

**10. COLORADO GOVERNMENTAL IMMUNITY ACT:** The Parties hereto understand and agree that the City is relying upon, and has not waived, the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, § 24-10-101 *et seq.*, C.R.S.

**11. PERMITS, LICENSES, TAXES, CHARGES AND PENALTIES:** The Contractor agrees to pay promptly all taxes, excises, license fees, and permit fees of whatever nature applicable to its operations or activities under this Agreement, and to take out and keep current all required licenses or permits (federal, state, or local) required for the conduct of its business hereunder, and further agrees not to permit any of said taxes, excises or license or permit fees to become delinquent. The City shall not be liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts which the City may be required to pay under § 20-107 to § 20-115, D.R.M.C. The City is a tax exempt entity.

**12. LIENS AND OTHER ENCUMBRANCES:** The Contractor shall not permit any mechanic's or materialman's liens or any other liens to be imposed and remain for more than ninety (90) days upon any City-owned property, or any part thereof, by reason of any worker labor performed or materials or equipment furnished by any person or legal entity to or on behalf of the Contractor, either pursuant to C.R.S. § 38-26-107 or by any other authority. The Contractor shall promptly pay when due all bills, debts and obligations incurred in connection with this Agreement and shall not permit the same to become delinquent. The Contractor shall not permit any lien, mortgage, judgment, execution or adjudication of bankruptcy which will in any way impair the rights of the City under this Agreement. The Contractor will indemnify and save harmless the City for the extent of any and all payments, interests, and penalties resulting from failure to comply with this section. The Contractor's obligations set out in this section 12 shall survive the expiration or termination of this Agreement.

**13. ENVIRONMENTAL COMPLIANCE:** The Contractor shall obtain all

necessary federal, state, and local environmental permits and comply with all applicable federal, state, and local environmental permit requirements relating to the Work. The Contractor shall comply with all applicable federal, state, and local environmental guidelines, rules, regulations, statutes, laws, and orders (collectively, “**Environmental Requirements**”), including but not limited to Environmental Requirements regarding the storage, use, transportation, and disposal of Hazardous Materials and regarding releases or threatened releases of Hazardous Materials to the environment. The term “Hazardous Materials” shall mean asbestos, asbestos-containing materials, and asbestos- contaminated soils, special wastes, polychlorinated biphenyls (PCBs), any petroleum products, natural gas, radioactive source material, pesticides, any hazardous waste as defined at 42 U.S.C. § 6903(5) of the Solid Waste Disposal Act, any hazardous substance as defined at 42 U.S.C. § 9601(14) of the Comprehensive Environmental Response, Compensation and Liability Act, chemical substance as defined at 15 U.S.C. § 2602(2) of the Toxic Substances Control Act, state statute counterparts to these federal statutes, any guidelines issued and rules or regulations promulgated pursuant to federal or state statutes, and any other applicable federal or state statute.

**14. WARRANTIES; CORRECTION OF WORK; TITLE:** The Contractor warrants and guarantees that all parts, materials, components, equipment, systems and other items incorporated into the Work (“**Items**”) shall be new, unless otherwise specified, and suitable for the purpose used, and shall be of good quality, free from faults and defects, and in keeping with common industry standards and that said Items shall be properly installed or incorporated into the Work in accordance with manufacturer’s specifications and standard practices for said Items, and all of this shall be in conformance with the specifications and requirements of this Agreement. The Contractor’s warranty shall be effective for a one-year period following the completion of all of the Work and shall be extended for one year following any repair, replacement or corrective action required under the warranty. The Contractor, when requested, shall furnish the Department with satisfactory evidence of the kind and quality of Items proposed to be incorporated into the Work. At any time while this Agreement is in effect or during the warranty period, the Contractor shall, at no cost to the City, promptly investigate, repair, replace, or otherwise correct any of its workmanship and/or Items in the Work which contain fault(s) or defect(s), whether such failure(s) are observed by

the Department or the Contractor, and promptly repair, replace, otherwise correct any damage to any personal or real property owned by the City or another person resulting from said fault(s) or defect(s) or from the repair, replacement, or correction of the fault(s) or defect(s). The Contractor warrants that the Contractor has full title to all Items incorporated into the Work, that the transfer of such title to the City is rightful and free and clear from all security interests, liens, claims, or encumbrances whatsoever, and that the Contractor will defend such title against all persons claiming the whole or part of any Item, at no cost to the City.

**15. EXAMINATION OF RECORDS AND AUDITS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at the City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under this Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

**16. ASSIGNMENT AND SUBCONTRACT:** Unless otherwise expressly provided in this Agreement, the Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without first obtaining the prior written consent of the Executive Director. Any assignment or subcontract approved by the Executive Director may require new or extended surety and insurance being provided by the Contractor or the Contractor's assignee or subcontractor, as specified in the Executive Director's written consent. Any assignment or subcontract without the Executive Director's written consent shall be ineffective and void, and will be cause for termination of this Agreement by the City. The Executive Director has the sole and absolute discretion whether to consent to any assignment or

subcontract or whether to terminate the Agreement because of unauthorized assignment or subcontract. In the event of any unauthorized assignment or subcontract: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and assignee or subcontractor.

**17. NO THIRD PARTY BENEFICIARY:** Enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties. Nothing contained in this Agreement shall give or allow any such claim or right of action by any third person. Any person other than the City or the Contractor receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

**18. NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor has no authority to bind the City on any contractual matters. Final approval of all contractual matters which purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

**19. INTEGRATION AND AMENDMENTS:** This Agreement, including the exhibits and attachments hereto (each of which is specifically incorporated herein), is intended as the complete integration of all understandings between the Parties. No prior or contemporaneous addition, deletion, or other modification hereto shall have any force or effect, unless embodied in this Agreement in writing. No subsequent novation, renewal, addition, deletion, or other amendment shall have any force of effect unless embodied in a written amendment to this Agreement executed by the Parties in the same manner as this Agreement. Any oral representation by any officer or employee of the City at variance with terms and conditions of this Agreement or any written amendment to this Agreement shall not have any force or effect nor bind the City.

**20. SEVERABILITY:** If any provision of this Agreement or any portion thereof is held by a court of competent jurisdiction to be invalid, illegal, unenforceable, or in conflict with any law, except for the provisions of the Agreement requiring prior appropriation of funds and limiting the total amount payable by the City, the validity of the remaining portions or provisions shall not be affected, if the intent of the Parties can be fulfilled.

**21. CONFLICT OF INTEREST:**

**A.** No employee of the City shall have any personal or beneficial interest in the services or property described in this Agreement, and the Contractor shall not hire, or contract for services with, any employee or officer of the City which would be in violation of the City's

Code of Ethics, D.R.M.C. § 2-51 *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

**B.** The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest, which shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

**22. NOTICES AND WORK ORDERS/TASK ORDERS:** All notices required by the terms of this Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requests, or mailed via United States mails, postage prepaid, if to the Contractor, at the address first above written, and if to the City, at:

By Contractor to: Executive Director of Parks and Recreation  
201 West Colfax Avenue, Dept. 601  
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The Parties may designate substitute addresses as to where or as to whom notices are to be provided. However, these substitutions will not become effective until actual receipt of written notification.

Work Orders/Task Orders and amended Work Orders/Task Orders and related communications and responses may be delivered by means of facsimile transmission or email.

**23. DISPUTES:** All disputes of whatsoever nature between the City and the Contractor regarding this Agreement shall be resolved by administrative hearings pursuant to the procedure established by D.R.M.C., § 56-106(b) *et seq.* For the purposes of that procedure, the City official rendering a final determination shall be the Executive Director.

**24. GOVERNING LAW; VENUE; AND CONSTRUCTION DEFECTS:**

**A. Governing Law:** This Agreement shall be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter and Revised Municipal Code of the City and County of Denver, and the ordinances, regulations and Executive Orders enacted and/or promulgated pursuant thereto, including any amendments. The

Charter and Revised Municipal Code of the City and County of Denver, as the same may be amended from time to time, are hereby expressly incorporated into this Agreement as if fully set out herein by this reference.

**B. Compliance with Law:** The Contractor shall perform or cause to be performed all services and work under this Agreement in full compliance with all applicable laws, ordinances, codes, rules, regulations and executive orders of the United States of America, the State of Colorado, and the City and County of Denver.

**C. Venue:** Venue for any legal action relating to this Agreement shall lie in the District Court in and for the City and County of Denver.

**D. Construction Defects:** The Contractor expressly waives all rights and limitations of liability it may have under Part 8 of Article 20 of Title 13 of the Colorado Revised Statutes regarding defects in the Work performed under this Agreement.

**25. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under this Agreement, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity or gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

**26. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS:** The Contractor shall cooperate and comply with the provisions of Executive Order 94 concerning the use, possession or sale of alcohol or drugs. Violation of this provision or refusal to cooperate with implementation of the policy can result in the City barring the Contractor from City facilities or participating in City operations.

**27. PREVAILING WAGES:**

**A.** Contractor shall comply with, and agrees to be bound by, all requirements, conditions and City determinations regarding the Payment of Prevailing Wages Ordinance, Sections 20-76 through 20-79, D.R.M.C. including, but not limited to, the requirement that every covered worker working on a City owned or leased building or on City-owned land shall be paid no less than the prevailing wages and fringe benefits in effect on the date the bid or request for proposal was advertised. In the event a request for bids, or a request for proposal, was not

advertised, Contractor shall pay every covered worker no less than the prevailing wages and fringe benefits in effect on the date funds for the contract were encumbered. A copy of the applicable **Prevailing Wage Rate Schedule** is attached as **Exhibit F** and incorporated herein by reference.

**B.** Date bid or request for qualifications/proposals was advertised: May 3, 2023.

**C.** Prevailing wage and fringe rates will adjust on, and only on, the anniversary of the actual date of bid or proposal issuance, if applicable. Unless expressly provided for in this Contract, Contractor will receive no additional compensation for increases in prevailing wages or fringe benefits.

**D.** Contractor shall provide the Auditor with a list of all subcontractors providing any services under the contract.

**E.** Contractor shall provide the Auditor with electronically certified payroll records for all covered workers employed under the contract.

**F.** Contractor shall prominently post at the work site the current prevailing wage and fringe benefit rates. The posting must inform workers that any complaints regarding the payment of prevailing wages or fringe benefits may be submitted to the Denver Auditor by calling 720-913-5000 or emailing [auditor@denvergov.org](mailto:auditor@denvergov.org).

**G.** If Contractor fails to pay workers as required by the Prevailing Wage Ordinance, Contractor will not be paid until documentation of payment satisfactory to the Auditor has been provided. The City may, by written notice, suspend or terminate work if Contractor fails to pay required wages and fringe benefits.

**28. PAYMENT OF CITY MINIMUM WAGE:** The Contractor shall comply with, and agrees to be bound by, all requirements, conditions, and City determinations regarding the City's Minimum Wage Ordinance, Sections 20-82 through 20-84 D.R.M.C., including, but not limited to, the requirement that every covered worker shall be paid no less than the City Minimum Wage in accordance with the foregoing D.R.M.C. Sections. By executing this Agreement, the Contractor expressly acknowledges that the Contractor is aware of the requirements of the City's Minimum Wage Ordinance and that any failure by the Contractor, or any other individual or entity acting subject to this Agreement, to strictly comply with the foregoing D.R.M.C. Sections shall result in the penalties and other remedies authorized therein.

**29. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties acknowledge that each of them and their respective counsel have had the opportunity to review this Agreement and that this Agreement shall not be construed against any Party merely because this Agreement or any of its provisions have been prepared by a particular Party.

**30. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement shall control.

**31. SURVIVAL OF CERTAIN PROVISIONS:** The terms and conditions of this Agreement, together with the exhibits and attachments hereto, which, by reasonable implication, contemplate continued performance or compliance beyond the expiration or earlier termination of this Agreement, shall survive such expiration or termination and shall continue to be enforceable as provided herein. Without limiting the generality of the foregoing, the Contractor's obligations to provide the insurance and to indemnify the City shall survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period. In addition, all obligations for financial assurances, warranties, and title prescribed in this Agreement shall survive as provided in this Agreement.

**32. INUREMENT:** The rights and obligations of the Parties herein set forth shall inure to the benefit of and be binding upon the Parties hereto and their respective successors and assigns permitted under this Agreement.

**33. TIME IS OF THE ESSENCE:** The Parties agree that in the performance of the terms, conditions, and requirements of this Agreement, time is of the essence.

**34. SECTION HEADINGS:** The captions and headings set forth herein are for convenience of reference only and shall not be construed so as to define or limit the terms and provisions hereof.

**35. LEGAL AUTHORITY:** The Contractor assures and guarantees that the Contractor possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement. The person or persons signing and executing this Agreement on behalf of the Contractor, hereby warrants and guarantees that he/she or they have been fully authorized by the Contractor to execute this Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions herein set forth. The City shall have the right, at its option, to either temporarily suspend or permanently terminate this Agreement, if there is a dispute as to the legal authority

of either the Contractor or the person(s) signing the Agreement to enter into this Agreement.

**36. CITY EXECUTION OF AGREEMENT:** This Agreement shall not be or become effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver and, if required by Charter, approved by City Council.

**37. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:** The Contractor consents to the use of electronic signatures by the City. This Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of this Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of this Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

## **EXHIBIT A Scope of Work**

### **A. DESCRIPTION OF SERVICES:**

The contractor shall perform work that assists with reducing wildfire risk and meeting Denver Mountain Parks' overall forest and ecosystem health objectives. There are approximately 30 parks within the Denver Mountain Park system that are anticipated to need forest health services and forest planning services. It is expected that forest health and forest planning services may occur throughout the year, depending on seasonal weather conditions, but it's anticipated most work will take place between April and November each year.

#### **Group A – Forest Health Services**

Vegetation treatment services will include timber stand improvements and forest fuel reduction. Work may also include forest logging operations, cutting and thinning of both live and dead material, skidding and removal of material, as well as slash treatments. The contractor shall furnish all labor, supervision, equipment, transportation, operating supplies (except those designated as City furnished), and incidentals to perform all work necessary.

Forest health services are required to comply with payment of Prevailing Wage rates.

#### **Group B – Forest Planning Services**

Work includes professional services for developing forest management plans for Denver Mountain Park properties to address a variety of management issues, including forest fuels and wildfire mitigation, prescribed fire management, vegetation management, wildlife habitat enhancement, forest ecosystem restoration, trail use, erosion control, invasive species management recreation, and natural areas management. Work may also include site assessment, site inventory, timber cruising, data collection, GIS (Geographic Information Systems) development and quantification of timber and forest fuels, site monitoring, attending meetings and facilitating plan development, and restoration planning.

Forest planning services are NOT subject to payment of Prevailing Wage rates.

### **B. PERSONNEL:**

1. All workers assigned by the contractor for servicing a City job shall be adequately and properly trained to perform their work properly and safely.
2. A qualified supervisor or foreman shall be available when work is being performed at a site. At least one (1) member of the on-site team must be fluent in English and able to answer questions or concerns from the City Project Manager and/or their authorized representative.

### **C. EQUIPMENT & SAFETY:**

1. The contractor's business name shall be labeled on vehicles and equipment while at work sites.
2. The contractor shall be responsible for knowledge of and conforming to the requirements and guidelines set forth by the Occupational Safety and Health Act (OSHA) and any regulations or directives adopted thereunder and follow all Safety Data Sheets (SDS) requirements.
3. The contractor shall promptly report any injury to person or damage to any amenity, vehicle, horticulture, structure, or items located at any work site to the City Project Manager. The contractor shall make prompt arrangements to make necessary restitution or needed repairs.

**D. COMMUNICATION AND PROGRESS UPDATES:**

1. The contractor shall communicate with the City Project Manager regarding the schedule of work orders and provide routine updates (preferably via email) on progress, including completed work orders.
2. The contractor shall conduct virtual or in-person meetings with the City Project Manager as needed to review work and discuss progress or any issues.
3. Services started by the contractor(s) on any unit of their contract must be continuously and actively prosecuted with an optimum complement of workmen and equipment to expedite completion in the shortest possible time. The contractor(s) shall organize to do this work eight (8) hours per day from Monday to Friday each week, and on weekends as applicable, excluding legal holidays.
4. All work shall be completed by workers proficient and experienced in the trades required and in an orderly and responsible manner, in accordance with recognized standards and the plans and specifications.
5. Work areas shall be kept clean and neat. Materials, scrap and equipment not having further use at the site shall be promptly removed from the job site. Disposal of contractor's waste materials in the City's containers is prohibited unless prior permission has been granted by the City.

Superseded General Decision Number: CO20210002

State: Colorado

Construction Type: Heavy

Counties: Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso, Jefferson, Larimer, Mesa, Pueblo and Weld Counties in Colorado.

HEAVY CONSTRUCTION PROJECTS

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:         	. Executive Order 14026 generally applies to the contract.  . The contractor must pay all covered workers at least \$15.00 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2022.
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:       	. Executive Order 13658 generally applies to the contract.  . The contractor must pay all covered workers at least \$11.25 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2022.

The applicable Executive Order minimum wage rate will be

adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <https://www.dol.gov/agencies/whd/government-contracts>.

**Entry Support Mechanic**

The Entry Support Mechanic (ESM) applies basic mechanical knowledge to perform maintenance and operational tasks on a conveyance system. Under supervision of a Machinery Maintenance Mechanic (MMM) or Control Systems Technician (CRO), the ESM performs cleaning, routine inspections, preventive, corrective and emergency maintenance based on an established maintenance program. The ESM clears jams and faults and may physically move items during failures.

**Machinery Maintenance Mechanic**

The Machinery Maintenance Mechanic (MMM) applies advanced mechanical knowledge to perform maintenance and operational tasks on a conveyance system. Performs cleaning of all parts of the system, routine inspections, preventive maintenance, corrective maintenance, and emergency maintenance within the system based on an established maintenance program. The MMM shall inspect all equipment for proper operation and performance including but not limited to conveyors, lifts, diverters and automatic tag readers. The MMM troubleshoots, repairs, replaces, and rebuilds conveyor components including but not limited to; motors, gearboxes, bearings, rollers, sheaves, hydraulic systems, conveyor belting, clutch brakes, tools, independent carrier systems, and other complex devices using basic hand tools, power tools, welders and specialized tools. The MMM may assist the Control Systems Technician (CST) with clearing electrical faults and electrical repairs. The MMM reads and interprets manufacturers' maintenance manuals, service bulletins, technical data, engineering data, and other specifications to determine feasibility and method of repairing or replacing malfunctioning or damaged components. The MMM clears jams and faults in the system and may physically move items during failures. The MMM will operate a Central Monitoring Facility/Control Room, these duties include; using multiple computer systems for monitoring the system and running reports, communicating faults in the system using a radio and telephone, and communicating with stakeholders. The MMM performs on-site training of ESM.

**Controls System Technician**

The Control Systems Technician (CST) applies advanced technical knowledge to perform maintenance and operational tasks on a conveyance system. Performs all duties assigned to an MMM in addition to the following routine inspections, preventive maintenance, corrective maintenance, and emergency maintenance of complex components within the system based on an established maintenance program. The CST is responsible for resolving difficult controls, electrical and mechanical problems. The CST troubleshoots, repairs, replaces, and rebuilds complex electro-mechanical systems and conveyor components including but not limited to; programmable logic controllers, input and output modules, electrical switches, variable frequency drives, 110V AC and 24V DC controls devices, automatic tag readers, electrical control panels, 110V - 480V AC components and motors, gearboxes, bearings, rollers, sheaves, hydraulic systems, conveyor belting, clutch brakes, tools, independent carrier systems, and other complex devices using basic hand tools, power tools, welders and specialized mechanical and electrical tools. The CST reads and interprets manufacturers' maintenance manuals, service bulletins, technical data, engineering data, and other specifications to determine feasibility and method of repairing or replacing malfunctioning or damaged components. The CST clears mechanical, electrical and controls faults, jams and may physically move items during failures. The CST performs on-site training and competency evaluations of MMM and ESM.

Note: Incumbents must possess an Electrician's license when work warrants.

**Custodian I**

Any employee performing general clean-up duties using equipment that does not require special training: i.e., dust mopping, damp mopping, vacuuming, emptying trash, spray cleaning, washing toilets, sinks, walls, cleaning chairs, etc.

**Custodian II**

Any employee performing specialized cleaning duties requiring technical training and the use of heavy and technical equipment, i.e., heavy machine operators, floor strippers and waxers, carpet shampooers, spray buffing, re-lamping, mopping behind machines, high ladder work, chemical stripping and finishing of stainless steel.

**DIA OIL & GAS****Effective Date:** 03-17-22

Last Revision: 03-18-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Derrick Hand/Roustabout	\$17.11	\$6.57
Electrician	\$26.44	\$7.65
Mechanic	\$28.24	\$7.86
Pipefitter	\$28.56	\$7.90
Rig/Drill Operator	\$24.71	\$7.45
Truck Driver	\$25.53	\$7.55

**Heavy Equipment Mechanic (Mechanic)**

The Heavy Equipment Mechanic analyzes malfunctions and repairs, rebuilds and maintains power equipment, such as cranes, power shovels, scrapers, paving machines, motor graders, trench-digging machines, conveyors, bulldozers, dredges, pumps, compressors and pneumatic tools. This worker operates and inspects machines or equipment to diagnose defects, dismantles and reassembles equipment, using hoists and hand tools, examines parts for damage or excessive wear, using micrometers and gauges, replaces defective engines and subassemblies, such as transmissions, and tests overhauled equipment to insure operating efficiency. The mechanic welds broken parts and structural members, may direct workers engaged in cleaning parts and assisting with assembly and disassembly of equipment, and may repair, adjust and maintain mining machinery, such as stripping and loading shovels, drilling and cutting machines, and continuous mining machines.

**Pipefitter**

The Pipefitter, Maintenance installs or repairs water, steam, gas or other types of pipe and pipefitting. Work involves most of the following: laying out work and measuring to locate position of pipe from drawings or other written specifications, cutting various sizes of pipe to correct lengths with chisel and hammer, oxyacetylene torch or pipe-cutting machines, threading pipe with stocks and dies. This person is responsible for bending pipe by hand-driven or power-driven machines, assembling pipe with couplings and fastening pipe to hangers, making standard shop computations relating to pressures, flow and size of pipe required; and making standard tests to determine whether finished pipes meet specifications. In general, the work of the Maintenance Pipefitter requires rounded training and experience usually acquired through a formal apprenticeship or equivalent training and experience.

**Well Driller (Rig/Drill Operator)**

This incumbent sets up and operates portable drilling rig (machine and related equipment) to drill wells, extends stabilizing jackscrews to support and level drilling rig, moves levers to control power-driven winch that raises and extends telescoping mast. This person bolts trusses and guy wires to raise mast and anchors them to machine frame and stakes, and assembles drilling tools, using hand tools or power tools. The Well Driller moves levers and pedals to raise tools into vertical drilling position and lowers well casing (pipe that shores up walls of well) into well bore, using winch, moves levers and pedals and turns hand wells to control reciprocating action of machine and to drive or extract well casing.

**Laborer (Derrick Hand/Roustabout)**

The Laborer performs tasks that require mainly physical abilities and effort involving little or no specialized skill or prior work experience. The following tasks are typical of this occupation: The Laborer loads and unloads trucks, and other conveyances, moves supplies and materials to proper location by wheelbarrow or hand truck; stacks materials for storage or binning, collects refuse and salvageable materials, and digs, fills, and tamps earth excavations, The Laborer levels ground using pick, shovel, tamper and rake, shovels concrete and snow; cleans culverts and ditches, cuts tree and brush; operates power lawnmowers, moves and arranges heavy pieces of office and household furniture, equipment, and appliance, moves heavy pieces of automotive, medical engineering, and other types of machinery and equipment, spreads sand and salt on icy roads and walkways, and picks up leaves and trash.

**Truckdriver**

Straight truck, over 4 tons, usually 10 wheels. The Truckdriver drives a truck to transport materials, merchandise, equipment, or workers between various types of establishments such as: manufacturing plants, freight depots, warehouses, wholesale and retail establishments, or between retail establishments and customers' houses or places of business. This driver may also load or unload truck with or without helpers, make minor mechanical repairs, and keep truck in good working order.

**ELEVATOR MECHANIC**

Effective 1-18-2018, the Elevator Mechanic classification will utilize the base pay and fringe benefits for the Elevator Mechanic classification under the Davis Bacon [Building Wage Determination](#).

**FINISHER & JOURNEYMAN**

TILE, MARBLE AND TERRAZZO

**Effective Date:** 05-19-22

Last Revision: 05-20-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Tile Finisher	\$24.13	\$8.91
Tile Setter	\$30.08	\$8.91

Effective May 1, 2008, Local Union 7 of Colorado combined three classes of Finishers, Floor Grinders, and Base Grinders into Finisher using one pay schedule.

Tile Setter: Applies to workers who apply tile to floors, walls, ceilings, stair treads, promenade roof decks, garden walks, swimming pools and all places where tiles may be used to form a finished surface for practical use, sanitary finish or decorative purpose.

**FIRE EXTINGUISHER REPAIRER**

**Effective Date:** 7-21-2022

Last Revision: 08-19-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Fire Extinguisher Repairer	\$21.14	\$7.24

The Fire Extinguisher Repairer performs the following duties: repairs and tests fire extinguishers in repair shops and in establishments, such as factories, homes, garages, and office buildings, using hand tools and hydrostatic test equipment, this repairer dismantles extinguisher and examines tubing, horns, head gaskets, cutter disks, and other parts for defects, and replaces worn or damaged parts. Using hand tools, this repairer cleans extinguishers and recharges them with materials, (such as soda water and sulfuric acid, carbon tetrachloride, nitrogen or patented solutions); tests extinguishers for conformity with legal specifications using hydrostatic test equipment and may install cabinets and brackets to hold extinguishers.

**FUEL HANDLER SERIES****Effective Date: 10-20-22**

Last Revision: 10-21-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Fuel Facility Operator	\$23.41	\$7.50
Lead Fuel Facility Operator	\$24.48	\$7.62
Fuel Distribution System Mechanic	\$30.74	\$8.35
Lead Fuel Distribution System Mechanic	\$32.14	\$8.51

Plus 10% shift differential for hours worked between 6:00 p.m. and 6:00 a.m.

**Fuel Facility Operator**

Receives, stores, transfers, and issues fuel. Performs various testing procedures and documentation on fuel samples. Gauges tanks for water, temperature and fuel levels. Performs temperature and gravity testing for correct weight of fuel. Checks pumping systems for correct operating pressure or unusual noises. Inspects fuel receiving, storage, and distribution facilities to detect leakage, corrosion, faulty fittings, and malfunction of mechanical units, meters, and gauges such as distribution lines, float gauges, piping valves, pumps, and roof sumps. Operates a 24-hour control center; operates various computer equipment to determine potential equipment failure, leak and cathodic protection systems, pump failure, and emergency fuel shutoff systems. Monitors quality of fuel and drains excess condensation from fuel sumps and underground fuel pits. Inspects fuel tank farm for such items as leaks, low pressure, and unauthorized personnel. Performs general housekeeping and grounds maintenance for terminal, pipeline and dock areas, including fuel pits and valve vault cleaning and pump out activities. May connect lines, grounding wires, and loading and off-loading arms of hoses to pipelines. May assist Fuel Distribution System Mechanics by preparing work areas. Maintains record of inspections, observations and test results

**Lead Fuel Facility Operator**

Under the supervision of Facility Manager, or Operations Manager, maintains the purity of the fuel to be dispensed for all airline customers. Assist the Operations Manager with daily schedules, delegation of work duties, special projects, training, and performance of Fuel Facility Operators.

**Fuel Distribution System Mechanic**

Maintains and repairs fuel storage and distribution systems, equipment and filtration systems, and differential pressure valves. Corrects leakage, corrosion, faulty fittings, and malfunction of mechanical units, meters, and gauges such as distribution lines, float gauges, piping valves, pumps, and roof sumps. Inspects electrical wiring, switches, and controls for safe-operating condition, grounding, and adjustment; may make minor repairs. Lubricates and repacks valves. Lubricates pumps, replaces gaskets, and corrects pumping equipment misalignment. May clean strainers and filters, service water separators, and check meters for correct delivery and calibration. Overhauls system components such as pressure regulating valves and excess valves. Disassembles, adjusts, aligns, and calibrates gauges and meters or replaces them. Removes and installs equipment such as filters and piping to modify system or repair and replace system component. Cleans fuel tanks and distribution lines. Removes corrosion and repaints surfaces. Overhauls vacuum and pressure vents, floating roof seals, hangers, and roof sumps. Some positions maintain fuel-servicing equipment such as hydrant and tanker trucks. Maintains record of inspections and repairs and other related paperwork as required.

**Lead Fuel Distribution System Mechanic**

Performs lead duties such as making and approving work assignments and conducting on-the-job training as well as performing the various tasks performed by the Mechanic classification.

**FURNITURE MOVERS**

Moving, Storage and Cartage Workers

**Effective Date:** 10-20-22

Last Revision: 09-16-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Laborer/Helper	\$18.38	\$6.92

**GLYCOL FACILITY****Effective Date:** 03-17-22

Last Revision: 05-20-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
De-icing Facility Operator	\$29.08	\$7.96
Maintenance Mechanic	\$28.57	\$7.90
Glycol Plant Specialist	\$17.36	\$6.60

**De-icing Facility Operator**

The De-icing Facility Operator is responsible for the safe and efficient daily operation of all aircraft de-icing fluid equipment to include: mechanical vapor recompression (concentrators), distillation, polishing, distribution, and collection systems as well as daily routine chores to include: operating and controlling all facility machines and equipment associates with the aircraft deicing fluid system (ADS). Operate electrical motors, pumps and valves to regulate flow, add specific amounts of chemicals such as hydrochloric acid or sodium hydroxide to fluid(s) for adjustment as required, turn valves, change filters/activated carbon, and clean tanks as needed to optimize productivity. Monitor panel boards/HMI/PLC's, adjust control flow rates, repairs, and lubricate machinery and equipment using hand powered tools. Test fluids to determine quality controlling methods. Record data as necessary and maintain good housekeeping of the facility.

**Maintenance Mechanic**

The position of the Machinery Maintenance Mechanic will be primarily responsible for the routine maintenance and repairs of all facility equipment. Responsible for repairs to machinery and mechanical equipment, examine machines and mechanic equipment to diagnose source of trouble, dismantling or partly dismantling machines and performing repairs that mainly involve the use of hand tools in scraping and fitting parts, replacing broken or defective parts with items obtained from stock, ordering replacement parts, sending parts to a machine shop or equivalent for major repairs, preparing specific written specifications for repairs, SOP's for minor repairs, reassembly of machines and mechanical equipment, and making any necessary adjustments to all equipment for operational optimization.

**Glycol Plant Specialist/Material Handling Laborer**

The Material Handling Laborer is responsible for the safe and efficient daily documentation/recording of all ADF processors, distillation and polishing systems, as well as the distribution and collection system. Performing physical tasks to transport and/or store materials or fluids. Duties involve one or more of the following: manually loading or unloading trucks, tankers, tanks, totes, drums, pallets, unpacking, placing items on storage bins or proper locations. Utilizing hand carts, forklift, or wheelbarrow. Completing daily fluid inventory, to include tank measuring and completing fluid accountability records. Responsible for the overall facility housekeeping and general cleanliness. Escort vehicles and tankers in and out of the facility, change out filters as required on all systems, take samples and test for quality control and document the findings.

**PARKING ELECTRONICS TECHNICIAN****Effective Date: 10-20-22**

Last Revision: 09-16-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Parking Electronics Technician	\$26.84	\$7.90

Plus 10% shift differential for regularly scheduled hours worked between 6:00 p.m. and 6:00 a.m.

This classification of work installs, modifies, troubleshoots, repairs and maintains revenue control equipment at manned and unmanned parking entrance and exit gates. Replaces consumable items such as tickets, printer ribbons, and light bulbs. Replaces modules and related equipment as needed to repair existing equipment, modify applications, or resolve unusual problems. Troubleshoots, tests, diagnoses, calibrates, and performs field repairs. Performs preventive maintenance such as inspection, testing, cleaning, lubricating, adjusting and replacing of serviceable parts to prevent equipment failure for electromechanical control to minimize repair problems and meet manufacturers' specifications.

**PEST CONTROLLER****Effective Date: 7-21-2022**

Last Revision: 08-19-21

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Pest Controller	\$22.45	\$7.39

The Pest Controller sprays chemical solutions or toxic gases and sets mechanical traps to kill pests that infest buildings and surrounding areas, fumigates rooms and buildings using toxic gases, sprays chemical solutions or dusts powders in rooms and work areas, places poisonous paste or bait and mechanical traps where pests are present; may clean areas that harbor pests, using rakes, brooms, shovels, and mops preparatory to fumigating; and may be required to hold State license

**QUALITY CONTROL & ASSURANCE TECHNICIAN****Effective Date: 03-18-21**

Last Revision: 04-16-20

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Quality Control & Assurance Technician	\$25.35	\$7.47

The Quality Control & Assurance Technician provides support to Inland Technologies operations by independently performing standard analysis on samples related to the manufacture of spent de-icing fluid to a 99% recycled glycol product and waste water discharge. The Quality Control and Assurance Technician will continually look at ways to improve products and processes to exceed customer quality demands and decrease operational costs.

**SIGN ERECTOR****Effective Date: 01-21-21**

Last Revision: 03-15-18

<b><u>Classification</u></b>	<b><u>Base Wage/Hour</u></b>	<b><u>Fringes/Hour</u></b>
Sign Erector	\$21.09	\$6.31
