Gemma Lockhart

Tel: 720-979-6569

e-mail gemma.lockhart@gmail.com

Personal:

Marital status: single; Excellent health. Proficient in spoken and written Lakota. I am a reliable worker, creative, loyal and hard working.

Seeking:

General individual development or company development of Open Road Pictures, a multi-media enterprise based in Boulder and Littleton, Colorado.

Goals:

Create excellence in leadership & citizenship of groups through the power of a story; Lead a dynamic team that works to capture people's attention, ignite imaginations, stir hearts and get results.

Education:

Graduated Dartmouth College, Hanover, NH, 1979, with degree in English and Creative Writing.

Employment History:

1991-Present. Producer, Open Road Pictures, Boulder, CO, and Rapid City SD. Produced "A Lakota Christmas", TV special; Winds of Time, series on health in association with Johns Hopkins University; and numerous other television shows.

1990-1992 and 2006: Newspaper Columnist. Syndicated at various times in *The Rapid City Journal*, Rapid City, SD; *The Argus Leader*, Sioux Falls, SD; *The Brookings Register*, Brookings, SD; Two Guest Editorials in *USA Today*.

2004 (8/04-10/04): College Instructor. Oglala Lakota College, Kyle, SD. Developed and Launched a media communications program for students in TV production.

2001 - 2002 (approx. six months) Teton Coalition, Rapid City, SD. Directed, hired a team of five and launched a Native American initiative for home ownership.

1990 *The Lakota Times*; News Reporter.

1989-1990. Minority Affairs Producer, South Dakota Public Television, Vermillion, SD. Produced programming on Native Americans, women and people with disabilities. Increased Nielsen ratings to share of 3 from 0 in Primetime slot.

1986-1989. Producer and Consultant, Rapid City, SD. Produced videos for University of South Dakota Medical School and Rural America Initiatives.

1985-1986. Teacher at Oglala Lakota College, Kyle, SD. Taught video production and directed Media Communications Program.

1982-1985. Assistant program officer at Phelps-Stokes Fund, Washington, DC. Administrative manager for African-American students attending South Dakota School of Mines and Technology.

1974-1982 (When home from Dartmouth College studies). TV News Reporter at KOTA-TV, Rapid City, SD. Video shooting, editing and script writing. Various reports were picked up by NBC Evening News about prairie drought, grasshopper plague and old time harvest with draft horse teams.

Note: In keeping with my cultural responsibility to care for elders, children and less fortunate people, after moving to Colorado in 2005, I have sometimes worked for agencies that serve these populations. They include Community Intersections, Denver, CO; and TC Community and Dignity Care, Boulder, CO; Measured Progress, Longmont, CO, and Colorado Partnerships.

Community Involvement:

Served on boards of:

The Rural Ethnic Institute, a non-profit educational organization to celebrate cultural differences on the Northern Plains; Specialized in a TV series about issues in the West from Indian and non-Indian views.

The Woman's Connection, a non-profit networking group for women in South Dakota.

Western South Dakota Child Protection Council, a non-profit alliance dedicated to the elimination of child abuse and neglect in Western South Dakota.

Youth & Family Services of Rapid City, a non-profit service organization to ensure that all children grow up with hope for their future.

Dartmouth Alumni Council; serves as the official communication conduit between alumni and the College, representing the array of Dartmouth alumni and alumni organizations around the world.

Dartmouth Alumni Magazine Editorial Board, an editorially independent magazine for Dartmouth College alumni.

The American Indian Advisory Group to *Rapid City Journal*, American Indian community members advising editorial and news staff of the The Rapid City Journal newspaper to help in achieving relevant and best quality coverage.

Colorado Women's Leadership Circles of Influence, 2014-2016, A state-wide woman's leadership organization to encourage, invite and identify women in every county of Colorado into leadership chairs of decision-making including elected, community boards, commissions and volunteer positions. Board member.

Light of the World Catholic Church – Adoration Ministry, 2013 – 2015, a 24/7 community prayer meditation and presence in Littleton, Colorado.

Denver American Indian Commission – 2014 & 2015; a Commission to enhance communications between the Denver American Indian Community and the City and County of Denver, to advocate for social and cultural awareness and to promote economic and political equality.

Personal Achievements:

Presidential Scholar 1975 and Returning Presidential Scholar 1984;
Selected scholars are honored by the President of the United States.

Rapid City Journalists Award for Excellence in building understanding between Indian and non-Indian television viewers.

Honored in 1993 as a Woman Leader by Grey Eagle Lakota Elders.

Honored in 2011 with selection of "The River House," a documentary short to screen at the 36th annual American Indian Film Festival in San Francisco, CA.

Personal Interests and Hobbies:

Horses, endurance riding; Working with children to foster a relation with nature; Music, play guitar and write songs; Hiking.

Qualifications/Skills

- Strong developer with extensive experience using Microsoft .NET technologies
- Comfortable working individually or in a team environment
- .NET and PHP CMS implementation and customization experience
- Excellent written and verbal presentation skills
- Tremendous ability to learn new skills quickly and utilize them effectively

Professional Experience

Owner

02/2013 – Present

Elevated Presence, Denver CO

Owner of a small software consultancy specializing in custom software development and project guidance for several local clients. Managed the implementation of a route optimization solution for a medium-size logistics firm responsible for the door-to-door delivery and installation of appliances for a major big-box retailer. The system processes delivery address via the Bing Batch Geocoding Service, calls the Bing Routing Service for direction and map data, and then runs a custom algorithm to determine the most efficient routes and truck load configurations for three warehouses comprising approximately one thousand stops per day. The application is made up of a web front-end built with ASP.NET MVC using Bootstrap templates in Razor with custom Bing map controls, multiple job processing custom Windows services, and leverages Enterprise Library to connect to a SQL Server 2012 database. Currently acting as technical backstop for a client that needed a new custom software platform for gathering customer satisfaction data for analytics and measurement. Guided vendor selection and verification, requirements gathering, and project management through the initial concept phase through delivery. Currently assisting the client with minor maintenance and feature enhancements to the PHP, MySQL solution.

Software Developer

01/2010 – 01/2013

Beaconfire Consulting, Arlington VA

Responsible for implementing and customizing open-source and proprietary content management systems for clients. CMS feature development, user interface and experience (theme) implementation, and technical support for the implementation of a customer and partner information portal based on Sitecore, eZ Publish, Kentico, RedDot and various other content management frameworks.

Developer / API Engineer

06/2007 – 11/2009

Network for Good, Bethesda, MD

Developed a donation processing platform with customizable landing pages, account management, payment gateway integration, billing, tracking, and customer service portal using best-practice work with ASP.NET, Windows services, SOA, NHibernate, build configuration management (CruiseControl.NET & MSBuild), SQL Server 2005, advanced UI features using jQuery, and virtualization using Hyper-V. Implemented best practices within process and software including unit tests, continuous integration, and pair-programming. Performed customer data migration from a legacy system consisting of multiple data sources (SQL Anywhere, SQL Server 2000, and MySQL). Acted as system and network administrator, installing and configuring local and production environments. Maintained local network and hardware with responsibilities including security, backups, account management, router configuration, ASA monitoring, and desktop IT support. Maintained and configured Microsoft Exchange 2003 Server. Configured and maintained Drupal CMS using Ubuntu Server, PHP 5, and MySQL. Responsible for architecting and implementing web services for partners, complete with implementation guides, security requirements, and code samples on a variety of platforms, while continuing support and development of base platform and IT infrastructure.

.NET Developer

07/2006 – 06/2007

Verizon Multimedia (Contracted by AQUENT), Arlington, VA

Architected, designed, and implemented several ASP.NET web applications utilizing SOA and SQL Server backend. Created, maintained, and optimized stored procedures, queries, and functions. Built DTS/SSIS

packages for data migration and business intelligence solutions. Provided implementation and process support (documents, timelines, use cases, etc.) for several large-scale projects.

Consultant

06/2005 – 07/2006

Software Architects, Englewood, CO

LexisNexis Direct Marketing Solutions (ClickData.com), Golden, CO

10/2005 – 07/2006

Developed various ASP.NET web projects, many with CMS, RSS, and payment gateway integration. Converted legacy DTS packages into SSIS modules. Designed and implemented a series of web services and windows services to execute the SSIS modules. Provided enhancements to legacy ASP web applications and C#/COM+ components. Implemented continuous integration environment with integrated deployment

Level(3) Communications, Broomfield, CO

06/2005 – 10/2005

Consulted on a workflow tracking application used for provisioning VOIP telephone numbers. Implemented feature and change requests using ASP.NET, C#, Visual Studio.NET 2003, Oracle, and NHibernate. Participated in Rational Unified Process (RUP) training while on assignment.

World Bank, Washington, DC

06/2004 – 07/2004

ISGIS Summer Intern

Created RSS feed modules for the ImageBank, an enterprise-Java document search interface.

Microsoft / AAPD Federal IT Internship, Washington, DC

06/2003 – 08/2003

Consultant – Federal Railroad Administration – Office of Civil Rights

Selected from a nation-wide pool of candidates to join in a Microsoft/AAPD joint venture internship. Participated in Section 508 training for designing accessible web sites. Developed a new Intranet presence for the office and assisted in the deployment of the agency's new Internet site. Performed MS Access database development.
