The Consultant will provide data and development services as requested by the Project Manager and approved by separate Task Orders, on projects designated by the Manager or the Project Manager from time to time as described in the attached *Exhibit A* (“Scope of Services”) in accordance with schedules and budgets to be mutually agreed upon. This Agreement is not exclusive for all On-Call GIS services. As such, task orders will be awarded in one of two manners: (1) direct award to Consultant, or (2) competitive bid between consultants.

B. The Consultant shall faithfully perform the work required under this Agreement in accordance with the standard of care, skill, training, diligence and judgment provided by competent professionals who perform work of a similar nature to the work described in this Agreement. Consultant shall maintain the appropriate licenses throughout the life of this Contract.

4. COMPENSATION AND PAYMENT; MAXIMUM CONTRACT LIABILITY:

A. The City agrees to pay the Consultant for the performance and completion of all of the Work required under each authorized Task Order, in accordance with the Contract Documents. Notwithstanding any other provision of the Agreement, the City’s maximum payment obligation will not exceed \$4,000,000.00 (Four Million Dollars) (the “Maximum Contract Amount”). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by Consultant beyond that specifically described in *Exhibit A*. Any services performed beyond those in *Exhibit A* are performed at Consultant’s risk and without authorization under the Agreement.

B. The City’s payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by the Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

C. Subject to the Maximum Contract Liability set forth at section 4.A. of this Agreement, Consultant’s fee shall be paid in the following manner:

(1) Hourly Billing Rates: The Consultant shall be paid a fee for its services at the hourly billing rate for the classification of the person performing such services, as outlined in *Exhibit B*.

(2) Expenses: All reimbursable travel shall have the prior written approval of the Project Manager, and be related to and in furtherance of the purposes of Consultant's engagement. Vehicle rental costs are allowed when efficiency and economy are served, taking into consideration the elements of time and distance. Use of such vehicle for personal travel shall not be reimbursed. Sleeping accommodation costs are limited to a reasonable amount, taking into account costs of alternate facilities in the location and other relevant factors. Reimbursement for meals and incidentals is limited to the per diem allowed by the City's fiscal accountability rules. Non-business and strictly personal expenses shall not be reimbursed, and hourly rates will not be paid for any period of time a trip is extended for personal convenience.

D. The City shall process all invoices for payment received from the Consultant on a timely basis in accordance with Denver's Prompt Payment Ordinance, Section 20-107 *et seq.* of the Denver Revised Municipal Code.

E. All payments under this Agreement shall be paid from the City and County of Denver Airport Revenue Fund and from no other fund or source. The City is under no obligation to make payments to or to make any future appropriations or allocations to said fund.

5. TERM: The term of this Agreement shall commence on the date set forth on the execution page below and shall terminate on March 1, 2018 unless terminated earlier in accordance with this Agreement. The Consultant agrees to begin the performance of the work required under this Contract within ten (10) days after being notified to commence work by the Project Manager and agrees to fully complete the work in its entirety within the time frame established for each Task Order. The entire contract shall be complete no later than 3 (three) years from the date of execution of this Contract. This period of performance is also referred to as Contract Time. The Consultant is not authorized to commence work prior to its receipt of the Notice to Proceed. Should for any reason the Term expire prior to the completion by Consultant of a task, then in the Manager's sole discretion, this Agreement shall remain in full force and effect to permit completion of any work that was commenced prior to the date that otherwise would have been the termination date.

6. DEFENSE AND INDEMNIFICATION:

A. Consultant hereby agrees to defend, indemnify, and hold harmless City, its appointed and elected officials, agents and employees against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Consultant or its subcontractors either

passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Consultant's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Consultant's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

C. Consultant will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Consultant under the terms of this indemnification obligation. The Consultant shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

7. INSURANCE:

A. The Consultant shall obtain and keep in force during the entire term of this Agreement, including any warranty periods, all of the minimum insurance coverage forms and amounts set forth in *Exhibit C*, which is incorporated into this Agreement by this reference. The Consultant shall submit to the City fully completed and executed ACORD form which specifies the issuing company or companies, policy numbers and policy periods for each required form of coverage.

B. All certificates and any required endorsements must be received and approved by the City before any work commences. Each insurance policy required by this Agreement must be in effect at or prior to commencement of work under this Agreement and remain in effect for the duration of the project, including any warranty periods. Failure to maintain the insurance policies as required by this Agreement or to provide evidence of renewal is a material breach of the Agreement. All subcontractors' work shall also be subject to the minimum requirements identified in *Exhibit C*. All subcontractors' certificates and endorsements must be received and approved by the Consultant before work commences. The City reserves the right to request copies of these certificates at any time.

C. All certificates required by this Agreement shall be sent directly to Denver International Airport, Risk Management, Airport Office Building, Room 8810, 8500 Peña

Boulevard, Denver, Colorado 80249. The City Project/Agreement number and project description shall be noted on the certificate of insurance. The City reserves the right to require complete, certified copies of all insurance policies required by this Agreement at any time.

D. The City's acceptance of any submitted insurance certificate is subject to the approval of the City's Risk Management Administrator. All coverage requirements specified in the certificate shall be enforced unless waived or otherwise modified in writing by the City's Risk Management Administrator.

E. The Consultant shall comply with all conditions and requirements set forth in the insurance certificate for each required form of coverage during all periods in which coverage is in effect.

F. The insurance coverage forms specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Consultant under the terms of this Agreement, including the Indemnification provisions herein. The Consultant shall maintain, at its own expense, any additional kinds and amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

8. COLORADO GOVERNMENTAL IMMUNITY ACT: The parties hereto understand and agree that the City and County of Denver, its officers, officials and employees, are relying on, and do not waive or intend to waive by any provisions of this Agreement, the monetary limitations or any other rights, immunities and protections provided by the Colorado Governmental Immunity Act, §§ 24-10-101 to 120, C.R.S., or otherwise available to the City and County of Denver, its officers, officials and employees.

Such consent may be granted or denied at the sole and absolute discretion of said Manager.

COLORADO OPEN RECORDS ACT: The Consultant acknowledges that the City is subject to the provisions of the Colorado Open Records Act, Colorado Revised Statutes §24-72-201 et seq., and the Consultant agrees that it will fully cooperate with the City in the event of a request or lawsuit arising under such act for the disclosure of any materials or information which the Consultant asserts is confidential and exempt from disclosure. Any other provision of this Agreement notwithstanding, including exhibits, attachments and other documents incorporated into this Agreement by reference, all materials, records and information provided by the Consultant to the City shall be considered confidential by the City only to the extent provided in the Open Records Act, and the Consultant agrees that any disclosure of information by the City consistent with the provisions of the Open Records Act shall result in no liability of the City.

14. STATUS OF CONSULTANT AS INDEPENDENT CONTRACTOR: It is understood and agreed by and between the parties hereto that the status of the Consultant shall be that of an independent contractor retained on a contractual basis to perform professional or technical services for limited periods of time as described in Section 9.1.1.(E)(x) of the Charter of the City, and it is not intended nor shall it be construed that the Consultant, its employees or subcontractors are employees or officers of the City under Chapter 18 of the Revised Municipal Code or for any purpose whatsoever.

15. TERMINATION:

A. The City has the right to terminate this Agreement without cause on thirty (30) days written notice to the Consultant and with cause on ten (10) days written notice to the Consultant. However, nothing herein shall be construed as giving the Consultant the right to perform services under this Agreement beyond the time when such services become unsatisfactory to the Manager.

B. If this Agreement is terminated by the Consultant, or if this Agreement is terminated by the City for cause, the Consultant shall be compensated for, and such compensation shall be limited to, (1) the sum of the amounts contained in invoices which it has submitted and which have been approved by the City, (2) the reasonable value to the City of the work which the Consultant performed prior to the date of the termination notice, but which had not yet been approved for payment, and (3) the cost of any work which the Manager approves in writing which he determines is needed to accomplish an orderly termination of the work. If this Agreement is terminated for the convenience of the City and without the fault of the Consultant, the Consultant shall also be compensated for any reasonable costs it has actually incurred in performing services hereunder prior to the date of the termination.

C. If this Agreement is terminated, the City shall take possession of all materials, equipment, tools and facilities owned by the City which the Consultant is using by whatever method it deems expedient, and the Consultant shall deliver to the City all drafts or other documents it has completed or partially completed under this Agreement, together with all other items, materials and documents which have been paid for by the City, and these documents and materials shall be the property of the City. This paragraph specifically excludes any software licenses, and the rights granted to the City there under, shall, upon termination, cease and the software programs shall be deinstalled and returned to Consultant or destroyed.

D. Upon termination of this Agreement by the City, the Consultant shall have no claim of any kind whatsoever against the City by reason of such termination or by reason of any act incidental thereto, except for compensation for work satisfactorily performed as described herein.

E. The Consultant has the right to terminate this contract with or without cause by giving not less than thirty (30) days prior written notice to the City.
