August 12, 2024

Councilmembers,

I move to amend **CB24-0972** as follows:

1. On page 6, line 20, after "homebuyer" add "and homeowner"
2. On page 6, line 21, strike "persons seeking to purchase homes" and replace with " programs to support home purchases, for households"

PURPOSE OF THE AMENDMENT

To ensure that individuals who already own a home and make up to 120% can access assistance programs that help them remain in place.
