

# TINSLEY ORE

My Objective is to bring my vast array of talents and knowledge to any organization I am working with. I have not only professional experience with outreach, inclusivity, and marketing, I have lived experience working with and for disabilities both professionally and personally. I will always work to promote Access to inclusive community features, programs, marketing, and program design.

## EXPERIENCE

**FEBURARY 2023-**

**EXECUTIVE BOARD MEMBER - GREEN VALLEY RANCH CITAZENS ADVISORY BOARD**

I work with city officials and staff to bring attention to needed or wanted projects and concerns of the FNE. I survey community members for data support of those projects. I work to market and advertise city programs, resources, and find creative ways to fund solutions for what my community wants/ needs.

**MARCH 2022-NOVEMBER/DECEMBER 2022**

**DELAGATE AND CO-CHAIR, CITY OF DENVER PARTICIPATORY BUDGET COMMITTEE PILOT YEAR**

I did a vast array of tasks. Research, facilitation, and the Designing of Project E, Cost effective Inclusive Playground Improvement Project. Which involved the design of a proposal for improving two parks in my area to make them more inclusive for all. I have also been a partner with the city doing stakeholder interviews for Denver's new Inclusivity initiative that all my suggestions helped create.

**JULY 2018- DECEMBER 2019**

**INTAKE CASE MANAGER, DEVELOPMENTAL PATHWAYS**

I helped create innovative marketing materials and forms to make them more inclusive, did initial and state assessments for eligibility for Medicaid waivers. Helped to create a Crisis Intake Manager position dedicated to the Crisis Management team.

**SEPTEMER 2017-MAY 2018**

**AGINGIG AND DISABILITY RESOURCE CENTER INTERN, ADRC OF RACINE COUNTY.**

I participated in an array of projects. I worked with Long Term Care eligibility and did Meals on Wheels assessments for eligibility. I also created marketing material for Meals on Wheels Racine to make Marketing more inclusive to the elderly and disabled population that they still use today! I also planned and implemented a celebration for the 200+ volunteers to show appreciation for their hard work.

**JANUARY 2015- SEPTEMBER 2017**

**PREVOCATIONAL TRAINER AND JOB COACH, RACINE COUNTY OPPORTUNITY CENTER**

Created process and assessments for Job readiness, did one on one job coaching with consumers, did state evaluations for job readiness services as needed, case notation and training.

## **EDUCATION**

**MAY 2018**

**BACHLORS OF SOCIAL WORK, CARTHAGE COLLEGE**

Extensive community engagement training, case notation, research, and development. My advanced standing BSW had extensive course work in community, equity, inclusion, and equality. I made the deans list as well as graduated in the top percentile with a GPA of 3.4-3.9 through my course studies.

**MAY 2013**

**HUMAN SERVICE ASSOCIATES, SCHOOL**

I graduated with honors and learned about community level work. Client engagement and extensive training on equity and cultural backgrounds to help lay the groundwork for collaborating with all people regardless of their story.

## **SKILLS**

- I am extremely creative. An outside the box thinker.
- I am an idea maker and implementer.
- I have a passion, dedication, and knack to assist underserved populations to fill the gaps of my community in creative and cost-effective ways.
- I have Strengths as a Program manager, facilitator, and Marketing designer.
- I have experience working with all populations particularly in underserved communities.
- I have extensive grassroots community engagement experience.
- I am great at always asking the RIGHT questions.
- I am a Macro thinker with a Micro mentality

## **ACTIVITIES**

I have a unique skill set. I have grown up with two parents who were engaged constantly in outreach and heavily political activities. I have outstanding soft skills that have brought me to volunteer with District 11 in Denver with Community engagement processes that they will be implementing. I also am a Community Cabinet member for the City of Denver District 11. I have monthly meetings with the Marketing Director of District 11 to promote community outreach, make flyers and facilitate connections.

I also am continually active in the Inclusive Parks Initiative that the City of Denver and the state of Colorado will include for state and local park recommendations. I have done massive amounts of research and outreach regarding inclusive park improvements. I also help with Marketing on various

projects such as promoting 311 Denver's Customer Service. I will continue to Actively do activities that relate to my personal mission of creating a more inclusive and equitable community for my children and my entire community.
