The proposed map amendment will allow an additional housing unit on the site of an existing home where infrastructure and services such as water, stormwater, and streets already exist. This allows Denver to grow responsibly and promotes land conservation. <p>Blueprint Denver The proposed map amendment is consistent with the applicable neighborhood context, places, street type, and strategies in <i>Blueprint Denver</i>, including:</p> <ul style="list-style-type: none"> • Policy 4, Strategy E - Diversify housing choice through the expansion of accessory dwelling units throughout all residential areas. <p>Neighborhood/ Small Area Plan (list all, if applicable): <u>East Area Plan</u></p>

Hi again,

Someone from zoning was already assigned to my property. She was the one who said my property meets all the zoning change requirements, but they also mentioned I should contact Amanda's office before I submit the application because I could not talk to her office after the submission. I have to document that her office has been made aware of my submission.

Is there anything else you need to know from me before I submit it? Katy

Hello,

I made a request with the city to rezone my property at 1200 Eudora Street to potentially add an accessory dwelling unit. I do not have plans on how I am going to change the property yet, but since rezoning takes some time, I thought I would start that process. I am not always in Denver and I would like to change the property so someone is living on it all the time, even when I am not there. Nothing will be happening to the property in the near term. Subject: rezoning request

Message Body:

Hello,

I have requested to rezone my lot at 1200 Eudora Street to potentially add an accessory dwelling unit. I don't have a plan yet as to how it will be configured on the property. I am not always in Denver and I would like to do some work to the property so someone will be living there all the time, even when I am not. Nothing will be happening on the lot in the near future, but it takes a while to rezone so I thought I would start the process. The Denver zoning department asked me to reach out to you.
