6.	The proposed covering numerou Oracle A for City	General description of proposed ordinance including contract scope of work if applicable:  The proposed ordinance is intended to provide payment to Oracle America for PeopleSoft Enterprise maintenance and support covering the period of March 20, 2012 through March 19, 2013 for the amount of \$576,857.97. This software is utilized by numerous agencies throughout the City and County for data collection and management. The benefit of having support from Oracle America is that the City is entitled to new patches, fixes, enhancements, and releases for the products as well as the ability for City and County of Denver Technology Services employees to place phone calls and log service tickets to report PeopleSoft problems and request resolution from Oracle America. This support will need to be renewed annually.
