1.4 Closing Instructions. Tenant and Landlord (each sometimes referred to herein individually as a "Party" and collectively as the "Parties") hereby employ Title Company to act as closing agent for the transaction contemplated by this Agreement.

1.5 Project. Pursuant to the terms of this Agreement, the Parties intend to enter into negotiations with respect to the terms of the Ground Lease (described below) by which Tenant will lease the Property, described in Exhibit A and located at 4995 Washington Street ("Property") from

Landlord at Closing and construct on the Property a mixed-use project ("Project") with residential portions restricted to affordability in accordance with certain financing requirements, including Section 42 of the Internal Revenue Code regarding Low Income Housing Tax Credit. Construction on the Project must begin no later than January 2, 2025.

1.6 Effective Date. The date this fully executed Site Control Agreement is delivered by the City and received by Tenant.

## Article 2: Diligence and Feasibility Period

2.1 Property Information. Within twenty (20) days after the Effective Date, Landlord will deliver to the Tenant all documents known to the Director of Real Estate, without a duty of inquiry, in its possession or control related to the Property, including, but not limited to, all surveys, geotechnical reports and environmental reports (collectively, "Landlord Documents"). Within twenty (20) days after the Effective Date, Tenant shall also cause, at Tenant's sole cost and expense, the Title Company to deliver to the Tenant a leasehold title insurance commitment ("Title Commitment") from Title Company in an amount reasonably determined by Tenant, and copies of all documents referenced in the Title Commitment, in the name of Tenant or its assigns.

2.2 Diligence and Feasibility Period.

(a) *Property Inspection*. During the Diligence and Feasibility Period, Tenant, its agents, employees and contractors, shall have the right to enter upon the Property at all reasonable times ONLY for the purpose of doing any work or investigation as may be required by Tenant in its discretion to determine the feasibility of the Property for land entitlements, design and construction. **It is understood that any work or action undertaken by Tenant on the Property that is not for the purpose of determining the feasibility of the Property for project purposes constitutes a trespass and is beyond the scope of this Agreement, unless otherwise agreed to by both parties in writing.** Tenant will promptly repair and restore any damage or injury to the Property caused by such investigations and shall not permit any liens or encumbrances to arise against the Property in connection with or as a result of such inspections, studies or investigations.

The foregoing inspections may include a Phase 1 environmental inspection of the Property (but a Phase 2 environmental inspection will not be permitted without the Landlord's prior written consent), and any other inspection or sampling of soils, water, air and other materials, including invasive inspections such as soil boring, asbestos and lead based paint inspections. Tenant shall provide a written request to Landlord, at the notice address set forth in Section 1.1 above, regarding Phase 2 inspection or any other inspection not permitted herein, and the Landlord will reply to Tenant within ten (10) business days. Landlord and Tenant will then enter into a License Agreement, a template of which is attached as Exhibit C herein. The Director of Real Estate has the sole and exclusive authority to grant the License and to negotiate the Scope of Work described in the License.

(b) *Landlord Document Review*. During the Diligence and Feasibility Period, Tenant shall have the right to review the Landlord Documents, at no cost to Landlord.

(c) *Survey.* During the Diligence and Feasibility Period, Tenant, at Tenant's sole cost and expense shall obtain a new survey of the Property ("Survey"), at no cost to Landlord.

(d) *Option to Lease:* Tenant shall have the exclusive option on the conditions stated herein ("Option") during the Diligence and Feasibility Period to enter into a Ground Lease with Landlord. During the Diligence and Feasibility Period, Landlord agrees to negotiate the Ground Lease to include revisions reasonably requested by Tenant's investors and lenders. Landlord acknowledges that Tenant has agreed to pay a nonrefundable option fee of \$50,000 hereunder as consideration for the Option.

(e) *Ground Lease.* During the Diligence and Feasibility Period, Tenant and Landlord shall negotiate in their respective sole discretion the terms of a ground lease by which Tenant will lease the Property from the Landlord ("Ground Lease"). The Ground Lease must be approved by the City Council prior to its execution by Landlord. During the Diligence and Feasibility Period and the Entitlement and Financing Period, the Parties shall also negotiate a form of "Memorandum of Ground Lease" to be recorded against the Property at Closing. At a minimum, the Ground Lease shall contain the terms described in the attached Exhibit B.

(f) *Site Plan Approval.* During Diligence and Feasibility Period, the Tenant shall use commercially reasonable efforts to obtain a non-appealable site development plan and building permits for the Project acceptable to the Tenant and Landlord in their respective sole discretion ("Approvals").

(g) *Financing.* During the Diligence and Feasibility Period, the Tenant shall use its best efforts to secure construction financing and permanent financing along with an award of low-income housing tax credits under Section 42 of the Code ("Tax Credits") and other financing for the payments due under the Ground Lease and for the design and construction of the Project on terms acceptable to Tenant ("Financing/Tax Credits") and including funding from HOST and Division of Housing.

2.3 Termination. In the event that the Tenant has not by June 30, 2023 received an award for Tax Credits or has not made substantial progress towards securing an award of Tax Credits and other financing for the Project, including determining acceptable terms and conditions for the syndication of the Tax Credits and acceptable Financing/Tax Credits, either Party may, at either Party's option, terminate this Agreement. If, however, Tenant has made substantial progress as described above this Agreement will terminate on December 31, 2024. Notwithstanding the termination date, if Landlord and Tenant enter into a Ground Lease, construction must commence on or before January 2, 2025. Additionally, should either Party terminate this Agreement, the Option to Lease shall simultaneously terminate. This does not affect Landlord's ability to terminate this Agreement for cause.

### Article 3: Operations and Risk of Loss

3.1 Ongoing Operations. During the pendency of this Agreement, Landlord shall carry on its business and activities relating to the Property substantially in the same manner as it did before the Effective Date, except as otherwise provided herein.

#### Article 4: Closing

4.2 Deliveries in Escrow. On or before the Closing Date, Landlord and Tenant shall each deliver into escrow to Title Company the following:

(b) Additional Documents. Any additional documents that Title Company or a Party may reasonably require for the proper consummation of the transaction contemplated by this Agreement.

4.3 Closing Statements. At Closing, Landlord and Tenant shall deposit with Title Company executed closing statements consistent with this Agreement in the form required by Title Company.

4.4 Title Policy. As a condition to Tenant's obligation to close, Title Company shall deliver to Tenant at Closing a Leasehold Policy of Title Insurance, or a binding commitment to issue same ("Title Policy"), issued by Title Company as of the date and time of the execution of the Ground Lease, in an amount reasonably determined by Tenant, insuring Tenant as the holder of a good and marketable leasehold interest in the Property, subject only to the Permitted Exceptions. Landlord shall execute at Closing an affidavit(s) in such form as Title Company shall require for the issuance of the Title Policy. The term "Permitted Exceptions" shall mean: the specific exceptions (exceptions that are not part of the promulgated title insurance form) in the Title Commitment that Title Company has not agreed to insure over or remove from the Title Commitment as of the end of the Diligence and Feasibility Period; items shown on the Survey which have not been removed as of the end of the Diligence and Feasibility Period; and real estate taxes and assessments not due and payable as of the Closing Date.

#### Article 7: Default and Damages

7.1 Default by Tenant. If Tenant defaults on its obligation to close hereunder, or Tenant otherwise defaults in the performance of any other material obligation of Tenant under this Agreement and fails to cure such other default within 5 business days following written notice thereof, then so long as Landlord is not in default hereunder, Landlord shall have the right to terminate this Agreement. If this Agreement terminates under this section 7.1, then Landlord shall request the Title Company to provide it with the Earnest Money Deposit within 10 business days of its written request.

This Article 7 does not limit or otherwise affect the indemnity obligations of the Tenant set forth in Article 6 above or Article 8 below.

#### Article 8: Miscellaneous

8.1 Assignment. Tenant shall be permitted to assign this Agreement, the Earnest Money Deposit, and the rights of "Tenant" in connection therewith at any time prior to, or on, the Closing Date, provided that such assignee also assumes all of Tenant's obligations under this Agreement, and provides notice to Landlord in writing, to (a) an entity owned and controlled by Tenant for purposes of admitting an investment limited partner (or investment member) as part of the equity generated from low income housing tax credits under Section 42 of the Internal Revenue Code, or (b) a Tenant Affiliate. "Tenant's Affiliate" means (i) any entity that directly or indirectly controls, is controlled by or is under common control with Tenant or one or more of its principals, (ii) any entity at least a majority of whose economic interest is owned by Tenant or by one or more of its principals, or (iii) any tax credit partnership entity in which Tenant is a partner and/or manager. 4995 Washington LLP is a Tenant's Affiliate under this agreement. The term "control" means the power to direct the

management of such entity through voting rights, ownership or contractual obligations. Except for the assignments permitted above, neither Party may assign this Agreement without the prior written consent of the other, and any such prohibited assignment shall be void. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors, assigns, heirs, and devisees of the Parties.

In the event of a permitted assignment by Tenant hereunder, prior to Closing such new "Tenant" shall provide reasonable evidence to Landlord of its acceptable construction financing allowing it to complete construction the Project.

8.2 Paragraph Headings. The paragraph headings are inserted only as a matter of convenience and for reference and in no way are intended to be a part of this Agreement or to define, limit or describe the scope or intent of this Agreement or the particular paragraphs to which they refer.

8.3 Invalidity and Waiver. If any portion of this Agreement is held invalid or inoperative, then so far as is reasonable and possible the remainder of this Agreement shall be deemed valid and operative, and effect shall be given to the intent manifested by the portion held invalid or inoperative. The failure by either party to enforce against the other any term or provision of this Agreement shall not be deemed to be a waiver of such party's right to enforce against the other party the same or any other such term or provision in the future.

8.4 Venue, Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Colorado, without regard to the choice of law thereof, and the Charter and Revised Municipal Code of the City and County of Denver. Venue for any legal action relating to this Agreement shall lie in the State District Court in and for the City and County of Denver, Colorado.

8.5 No Third-Party Beneficiary. This Agreement is not intended to give or confer any benefits, rights, privileges, claims, actions, or remedies to any person or entity as a third-party beneficiary or otherwise.

8.6 Notices and Deliveries. All notices required or permitted hereunder shall be in writing and shall be served on the parties at the addresses set forth in Section 1.1 above. Any such notices shall be either (a) sent by overnight delivery using a nationally recognized overnight courier, in which case notice shall be deemed delivered one business day after deposit with such courier, (b) sent by email, in which case notice shall be deemed delivered upon receipt of confirmation transmission of such email notice, or (c) sent by personal delivery, in which case notice shall be deemed delivered upon receipt. A party's address may be changed by written notice to the other party; *provided, however*, that no notice of a change of address shall be effective until actual receipt of such notice. Copies of notices are for informational purposes only, and a failure to give or receive copies of any notice shall not be deemed a failure to give notice. Notices given by counsel to the Tenant shall be deemed given by Tenant, notices given by counsel to the Landlord shall be deemed given by Landlord, and notices given to a party's counsel shall be deemed given to the party.

8.7 Construction. The parties acknowledge that the parties and their counsel have reviewed and revised this Agreement and that the normal rule of construction – to the effect that any ambiguities

are to be resolved against the drafting party – shall not be employed in the interpretation of this Agreement or any exhibits or amendments hereto.

8.8 Calculation of Time Periods. Unless otherwise specified, in computing any period of time described herein, the day of the act or event after which the designated period of time begins to run is not to be included and the last day of the period so computed is to be included, unless such last day is a Saturday, Sunday or legal holiday for national banks in Denver, Colorado, in which event the period shall run until the end of the next day, which is neither a Saturday, Sunday, or legal holiday.

8.9 Counterparts; Electronic Signatures and Electronic Records. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of such counterparts shall constitute one Agreement. Tenant consents to the use of electronic signatures by the Landlord. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the Landlord in the manner specified by the Landlord. The parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

8.10 Care and Surrender of the Property: At the termination of this Agreement, including exercised option terms, if any, Tenant shall surrender the Property to the Landlord and deliver the Property to the Landlord in substantially the same condition as existed on the date hereof, reasonable wear and tear excepted. Tenant shall not remove any personal property from the Property without the prior, express written permission of the Director.

8.11 Indemnity. Tenant shall defend, indemnify, and save harmless Landlord, its officers, agents and employees from any and all losses, damages, claims, demands, suits, actions or proceedings of any kind or nature whatsoever, including without limitation Workers' Compensation claims, of or by anyone whomsoever, that Landlord may sustain or on account of injuries to the person or property of Landlord, its agents or employees or to injuries or death of any other person rightfully on the Property for any purpose whatsoever, where the injuries are caused by the negligence or misconduct of Tenant, Tenant's agents, employees, assignees, or of any other person entering upon the Property under express or implied invitation of the Tenant or where such injuries are the result of the violation of the provisions of this Agreement by any of such persons. This indemnity shall survive the expiration or earlier termination of this Agreement. Tenant need not, however, indemnify or save harmless Landlord, its officers, agents and employees from damages resulting from the sole negligence of Landlord's officers, agents and employees. This indemnity clause shall also cover Landlord's defense costs, in the event that Landlord, in its sole discretion, elects to provide its own defense. Insurance coverage specified herein constitutes the minimum requirements and said requirements shall in no way lessen or limit the liability of the Tenant under this Agreement. Subject to compliance with the provisions of Section 8.15 below, Tenant shall procure and maintain, at its own expense and cost, any additional kinds and amounts of insurance that it may deem necessary.

8.12 Loss or Damage. Landlord shall not be liable or responsible to Tenant for any loss or damage

to any property or person occasioned by theft or fire, natural disasters, public enemy, injunction, riot, strike, insurrection, war, court order, requisition or order of any governmental entity other than Landlord. Likewise, Tenant shall not be liable or responsible to Landlord for any loss or damage to the Property occasioned by theft, vandalism, fire, natural disasters, public enemy, injunction, riot, strike, insurrection, war, court order, requisition or order of any governmental entity. In the event of a fire or other casualty in or to the Property, Tenant shall immediately give notice thereof to Landlord. In case of partial destruction of the Property by fire, or other casualty, Landlord at its discretion may repair the Property with reasonable dispatch after notice of said partial destruction. If the Property is made untenable by fire, the elements, or other casualty, then this Agreement shall terminate and the Earnest Money Deposit shall be returned to the Tenant.

**8.13 Hazardous Substances.** Tenant shall not cause or permit any Hazardous Substance to be used, stored, generated, or disposed of on or in the Property by Tenant, Tenant's agents, employees, contractors, or invitees. If Hazardous Substances are used, stored, generated, or disposed of on or in the Property, or if the Property becomes contaminated in any manner due to the actions or inactions of the Tenant, Tenant shall indemnify and hold harmless the Landlord from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses (including, without limitation, a decrease in value of the premises, damages caused by loss or restriction of rentable or usable space, or any damages caused by adverse impact on marketing of the space, and any and all sums paid for settlement of claims, attorneys' fees, consultant, and expert fees) arising during or after the Diligence Period and arising as a result of those actions or inactions by Tenant. This indemnification includes, without limitation, any and all costs incurred because of any investigation of the site, or any cleanup, removal, or restoration mandated by a federal, state, or local agency or political subdivision. Without limitation of the foregoing, if Tenant causes or permits the presence of any Hazardous Substance on the Property and that results in contamination, Tenant shall promptly, at its sole expense, take any and all necessary actions to return the Property to the condition existing prior to the presence of any such Hazardous Substance on the premises. Tenant shall first obtain Landlord's approval for any such remedial action. As used herein, "Hazardous Substance" means any substance that is toxic, ignitable, reactive, or corrosive and that is regulated by any local government, the State of Colorado, or the United States Government. "Hazardous Substance" includes any and all material or substances that are defined as "hazardous waste", "extremely hazardous waste", or a "hazardous substance" pursuant to state, federal, or local governmental law. "Hazardous Substance" includes but is not restricted to asbestos, polychlorobiphenyls ("PCBs"), and petroleum.

**8.14 No Discrimination in Employment.** In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

**8.15 Tenant's Insurance:**

(a) **General Conditions.** Tenant agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to

this Agreement. Tenant shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the Landlord in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Tenant shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the Landlord's contract number. Tenant shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Tenant. The Tenant shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

(b) Proof of Insurance. Tenant may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. Tenant certifies that the certificate of insurance attached as an exhibit to the Ground Lease Agreement, preferably an ACORD form, complies with all insurance requirements of this Agreement. The Landlord requests that the City's contract number be referenced on the certificate of insurance. The Landlord's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Tenant's breach of this Agreement or of any of the Landlord's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

(c) Additional Insureds. For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), Tenant and Subtenant's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

(d) Waiver of Subrogation. For all coverages required under this Agreement, Tenant's insurer shall waive subrogation rights against the Landlord.

(e) Subcontractors and Subconsultants. Tenant shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Tenant and appropriate to their respective primary business risks considering the nature and scope of services provided.

(f) Workers' Compensation and Employer's Liability Insurance. Tenant shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily

injuries caused by disease claims.

(g) Commercial General Liability. Tenant shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate.

(h) Automobile Liability. Tenant shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

8.16 No Sale or Advertising of Tobacco Products. The Tenant, its officers, agents, and employees shall cooperate and comply with the provisions of Executive Order No. 13, which prohibits the sale or advertisement of tobacco products on Landlord owned property and in facilities owned or operated or controlled by the City and County of Denver. "Sale" includes promotional distribution, whether for consideration or not, as well as commercial transactions for consideration. "Advertising" includes the display of commercial and noncommercial promotion of the purchase or use of tobacco products through any medium whatsoever but does not include any advertising and sponsoring which is a part of a performance or show or any event displayed or held in Landlord facilities.

8.17 Examination of Records. Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to Seller's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. Seller shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require Owner to make disclosures in violation of state or federal privacy laws. Owner shall at all times comply with D.R.M.C. 20-276.

8.18 Amendment. No alteration, amendment or modification of this Agreement shall be valid unless evidenced by a written instrument executed by the parties hereto with the same formality as this Agreement; however, the Director shall have the authority to execute agreements which make technical, minor, or non-substantive changes to this Agreement. Further, no assent, expressed or implied, to any breach of any one or more covenants, provisions, or conditions of the Agreement shall be deemed or taken to be a waiver of any other default or breach.

Any reduction in the percentage of 3 or more bedroom units must be approved by HOST.
12. Density. The project must include a minimum of one hundred and seventy (170) housing units. GRP must verify the zoning requirements under the Expanding Housing Affordability policy to maximize the density at the site. Any reduction in density must be approved by HOST.
