

Key Contract Terms

Vendor/Contractor Name: ESRI

Contract control number: CE84013(1)

City's contract manager: David Luhan

Was this contractor selected by competitive process? No, proprietary software

Term/Duration of contract/project: 3/4/2008 – 3/4/2011

Renewal terms: 3/5/2011 – 3/4/2014

Purpose: Extend term for maintenance and support.

Scope of services with performance bench marks: This amendment is to extend the term for the support and maintenance agreement for ARCGIS software city-wide (except DIA).

Cost/value: \$729,300

Source of funds: Wastewater will pay \$14,100.00/year for 3 years = \$42,300.00 and Technology Services will pay \$229,00.00/year for 3 years = \$687,000.00

Benefit: Continued support and maintenance of a critical software. Continued monetary savings from centralizing the license administration of this software.

Termination provision for City and for contractor: Either party may terminate for an uncured material breach of the contract.

WBE/MBE/DBE commitments (construction, design, Airport concession contracts):
