Scope of work:

Provider will use an appropriate level of care based on clinical assessment, integrated with a flexible array of housing options delivered through an evidence-based Housing First approach to provide housing and supportive services for the costliest members of the homeless population. From initial contact with the client, the provider will assess the client’s appropriate housing needs, establish a housing stability plan, and work with the client to access and maintain appropriate housing. All services will be voluntary and driven by individual choice. Recognizing that individuals may initially refuse assistance or services, the provider will assertively and creatively engage tenants, including engaging Clients multiple times and in multiple settings, to maximize participation in services. The delivery of all services will be guided by the principles of cultural competence, trauma informed care, recovery, and resiliency with an emphasis on building enrollee strengths and resources in the community, with family, and with their peer/social network.

This performance contract will serve at least 245 clients. Bonus payments will be made based on performance for Housing Stability Rates and Data Timeliness Quality.
