Rock Drill Urban Redevelopment Plan: Plan Objectives

The main objectives of the Urban Redevelopment Plan are to:

- To eliminate the present factors which contribute to the blight in the Area. Such blighting factors are detrimental to the community and limit the development potential of the surrounding area.
- DURA RENEW DENVER
- To renew and improve the character and environment of the Area and its surroundings by preventing or ameliorating economic, physical and environmental deterioration.
- To more effectively use underdeveloped land within the Area.
- To encourage residential, commercial and retail development that is socially and economically inclusive and from which the Urban Redevelopment Area and its environs can draw economic strength.
- To encourage the reuse of existing buildings where appropriate, including historic preservation and adaptive reuse.
- To promote a diverse, sustainable neighborhood economy including mixed use and commercial development opportunities within the Area.
- To encourage land use patterns within the Area and its environs where pedestrians are safe and welcome.
- Encourage high and moderate density development where appropriate.
- To encourage the participation of existing property owners within and adjacent to the Urban Redevelopment Area in the redevelopment of their property.
- To improve and provide for employment centers at areas proximate to multimodal transit centers and access.
- To assist the City in cultivating complete and inclusive neighborhoods.
- To improve the economy of the City by stabilizing and upgrading property values.
- To achieve goals as outlined in adopted City Plans.
