

Amendment 2 to Council Bill 24-0972 concerning the affordable housing tax

Council member Alvidrez

August 12, 2024

Councilmembers,

I move to amend **CB24-0972** as follows:

1. On page 5, after line 33, insert, "g. prioritize sustainable housing, promote community health and environmental sustainability by promoting sustainable and energy efficient environmental design that facilitates citywide decarbonization and environmental justice goals, and expand and enhance access to intentional green spaces and environmental amenities.".

PURPOSE OF THE AMENDMENT

This amendment adds a sustainability statement in the intent section.
