Hi Debbie,

I would greatly appreciate it if you could read the following brief statement into the record:

"It is unfortunate that some \$37 million of Denver taxpayers' funds for a very controversial project with CDOT will apparently be authorized this evening.

"It would be far better, in my view, to provide an opportunity for the new Council to consider this matter. This issue is very complex, and it cries out for more thorough studies."

"Sincerely,  
Tom Korson, Park Hill, Denver"
